## PONDERING

3. The Aurovilian should lose the sense of personal possession. For our passage in the material world, what is indispensable to our life and action is put at our disposal according to the place we must occupy.  
The more we are in conscious contact with our inner being; the more will the exact means be given to us.

# HOUSE OF MOTHER'S AGENDA

## THE Gnostic BEING

A perfect path of the Truth has come into being for our journey to the other shore beyond the darkness. *Rig Veda*

O Truth-Conscious, be conscious of the Truth, cleave out many streams of the Truth. *Rig Veda*

O Flame, O Wine, your force has become conscious; you have discovered the One Light for the many. *Rig Veda*

Pure-white and dual in her largenesses, she follows effectively, like one who knows, the path of the Truth and diminishes not its directions. *Rig Veda*

By the Truth they hold the Truth that holds all, in the power of the Sacrifice, in the supreme ether. *Rig Veda*

O Immortal, thou art born in mortals in the law of the Truth, of Immortality, of Beauty. . . . Born from the Truth, he grows by the Truth, — a King, a Godhead, the Truth, the Vast. *Rig Veda*

AS WE reach in our thought the line at which the evolution of mind into overmind passes over into an evolution of overmind into supermind, we are faced with a difficulty which amounts almost to an impossibility. For we are moved to seek for some precise idea, some clear mental description of the supramental or gnostic existence of which evolutionary Nature in the Ignorance is in travail; but by crossing this extreme line of sublimated mind the consciousness passes out of the sphere, exceeds the characteristic action and escapes from the grasp, of mental perception and knowledge. It is evident indeed that supramental nature must be a perfect integration and consummation of spiritual nature and experience: it would also contain in itself, by the very character of the evolutionary principle, though it would not be limited to that change, a total spiritualisation of mundane Nature; our world-experience would be taken up in this step of our evolution and, by a transformation of its parts of divinity, a creative rejection of its imperfections and disguises, reach some divine truth and plenitude. But these are general formulas and give us no precise idea of the change. Our normal perception or imagination or formulation of things spiritual and things mundane is mental, but in the gnostic change the evolution crosses a line beyond which there is a supreme and radical reversal of consciousness and the standards and forms of mental cognition are no longer sufficient: it is difficult for mental thought to understand or describe supramental nature.

Mental nature and mental thought are based on a consciousness of the finite; supramental nature is in its very grain a consciousness and power of the Infinite. Supramental Nature sees everything from the standpoint of oneness and regards all things, even the greatest multiplicity and diversity, even what are to the mind the strongest contradictions, in the light of that oneness; its will, ideas, feelings, sense are made of the stuff of oneness, its actions proceed upon that basis. Mental Nature, on the contrary, thinks, sees, wills, feels, senses with division as a starting-point and has only a constructed understanding of unity; even when it experiences oneness, it has to act from the oneness on a basis of limitation and difference. But the supramental, the divine life is a life of essential, spontaneous and inherent unity. It is impossible for the mind to forecast in detail what the supramental change must be in its parts of life action and outward behaviour or lay down for it what forms it shall create for the individual or the collective existence. For the mind acts by intellectual rule or device or by reasoned choice of will or by mental impulse or in obedience to life impulse; but supramental nature does not act by mental idea or rule or in subjection to any inferior impulse: each of its steps is dictated by an innate spiritual vision, a comprehensive and exact penetration into the truth of all and the truth of each thing; it acts always according to inherent reality, not by the mental idea, not according to an imposed law of conduct or a constructive thought or perceptive contrivance. Its movement is calm, self-possessed, spontaneous, plastic; it arises naturally and inevitably out of a harmonic identity of the truth which is felt in the very substance of the conscious being, a spiritual substance which is universal and therefore intimately one with all that is included in its cognition of existence. A mental description of supramental nature could only express itself either in phrases which are too abstract or in mental figures which might turn it into something quite different from its reality. It would not seem to be possible, therefore, for the mind to anticipate or indicate what a supramental being shall be or how he shall act; for here mental ideas and formulations cannot decide anything or arrive at any precise definition or determination, because they are not near enough to the law and self-vision of supramental Nature. At the same time certain deductions can be made from the very fact of this difference of nature which might be valid at least for a general description of the passage from Overmind to Supermind or might vaguely construct for us an idea of the first status of the evolutionary supramental existence.

## OBITUARY

### PASHI KAPUR PASSED AWAY

This is to inform the community that Pashi Kapur passed away in the evening of Friday 20 October at the age of 91, having dedicated his life to his most beloved idea and project of Auroville.

Pashi already lived in Auroville in the early years and was founder director of Auroservice, a resource building project directly sanctioned by the Mother, through which he worked closely with Roger Anger and his team until 1980. While always remaining in close contact in the subsequent years, he actively resumed his activities on site from 1998 onwards and became Aurovilian in 2011. During his later years he was involved in the Prosperity and CIRHU projects.

Pashi's remains were taken to Farewell and were cremated in the afternoon of Monday October 23rd at the Auroville cremation ground.

His family, friends and well-wishers are in deep appreciation of his exemplary commitment and dedication to Auroville and the Mother's work. We all wish him a peaceful onward journey.

### **TUG-OF-WAR**

Hands held tight  
On the same thread  
Facing the same threat  
Breathing the same air  
Obeying the same urge  
To work together  
To pull the other side  
Towards one's own  
Not to unite with them  
But to win over  
Not losing heart  
Yet totally lost  
Win or lose

Even the Witness gets excited  
Knowing that  
It is to please Him  
That the contest is staged

## THE RAINBOW, PIANO AND RADIO

Life is like a rainbow:  
Many different colours;  
Or like a piano:  
Many different notes;  
Or like a radio:  
Many different channels,  
In scaled frequencies,  
Each a unique identity,  
Inseparable parts and parcel  
Of what is only a subtotal,  
As a rainbow, piano and radio  
Are only just one plus two  
Of infinite pieces and sets  
That totally comprise  
This limitless cosmos.  
And so all this diversity  
Is upheld, modulated in unity  
By the One and Only,  
The Two in One or  
The One in Two actually,  
The Supreme and Its Shakti.  
The joyful good news  
Of this Divine Paradox  
Is that We each are not separate,  
Although quite distinct, unique,  
From this diverse Oneness  
That is none other than Us.  
It's just a matter of identification  
To what level in the gradation  
We are at One with:  
Obviously crystal clearly best  
With the One Hundred Percent.  
So we joyfully continue on  
In this Spiritual Evolution  
Knowing that in the progression  
We will all reach a Life Divine.

## VOICES AND NOTES

### HUMAN UNITY IS NOT THE GOAL

ॐ

Human Unity is not the goal.  
It will only be a by-product  
Of the Supramental Vision-Goal.  
Remember: Unity is already.  
We are all One,  
The One at play ad infinitum.  
Ekameva Advitiyam Brahma  
(एकमेवाद्वितीयं ब्रह्म).  
The New Vision-Goal  
Of the Supramental Avatar  
Is the Divine Manifestation  
Of the New Apex Species  
The Supramental being  
With a direct Divine Will  
Over Its own Matter:  
The individual Purusha  
Reaching full mastery  
With Its own Prakriti.  
The old world of the old gods  
Shall only be a chapter in history.  
On this very Earth coming soon  
A Life Divine.

The Raison D'etre of Auroville of Bharat Mata:

*"Auroville is intended to hasten the advent of the supramental reality upon earth.*

*The help of all those who find that the world is not what it ought to be is welcome.*

*Each one must know if he wants to associate himself with an old world on the verge of death, or to work for a new and better world ready to be born."*

\*\*\*

*"The first thing the physical consciousness must realize is that all the difficulties we encounter in life arise from the fact that we do not rely exclusively on the Divine to find the help we need.*

*The Divine alone can liberate us from the mechanism of universal Nature (Prakriti). And this liberation is indispensable for the birth and development of the new race.*

*Only if we give ourselves entirely to the Divine with total trust and gratitude will the difficulties be surmounted."*

## **REMEMBER THE INVITE?**

Dear Receptives,

Here's the Mother reminding us of the Great Adventure that we came to Auroville for:

*"When I invited you on a voyage into the unknown, a voyage of adventure, I did not know just how true were my words! And I can promise those who are ready to embark upon this adventure that they will make some very astonishing discoveries."*

It's not anymore the unknown, it is already revealed! You just have to do your homework... and to again and again remember why we have embarked on this voyage, come what may:

*"In ordinary life, EVERYTHING is artificial. Depending upon the chance of your birth or circumstances, you have a more or less high position or a more or less comfortable life, not because it is the spontaneous, natural and sincere expression of your way of being and of your inner need, but because the fortuity of life's circumstances has placed you in contact with these things. An absolutely worthless man may be in a very high position, and a man who might have marvelous capacities of creation and organization may find himself toiling in a quite limited and inferior position, whereas he would be a wholly useful individual if the world were sincere.*

*It is this artificiality, this insincerity, this complete lack of truth that appeared so shocking to me that ... one wonders how, in a world as false as this one, we can arrive at any truthful evaluation of things.*

*But instead of feeling grieved, morose, rebellious, discontent, I had rather the feeling of what I spoke of at the end: of such a ridiculous absurdity that for several days I was seized with an uncontrollable laughter whenever I saw things and people! Such a tremendous laughter, so absolutely inexplicable (except to me), because of the ridiculousness of these situations."*

And the glimpse of the New World that will replace the ridiculousness of the old mental world:

*"A true, sincere, spontaneous life, as in the Supramental world, is a springing forth of things through the fact of conscious will, a power over substance that shapes this substance according to what we decide it should be. And he who has this power and this knowledge can obtain whatever he wants, whereas he who does not has no artificial means of getting what he desires."*

More here: <https://incarnateword.in/agenda/01/february-3-1958-1>

Welcome to the Great Adventure!

And thank you po ([the Divine](#)) for the continuing lessons...

PS: *"The interesting thing in man is that materially speaking, he is... a mere nothing, a second lost in eternity—a tangled web of weaknesses—but in terms of consciousness, he has the capacity to understand. His consciousness is capable of contacting the Supreme Consciousness. So naturally there are all those who wanted to merge back into that Consciousness, but Sri Aurobindo said: the point is not to merge back into it but to make the world capable of manifesting that Supreme Consciousness."*

## **SUPERMIND/OVERMIND, DIVINE/ANTIDIVINE, GOOD/EVIL, SHADOW AND THE EVIL PERSONA - PART 2**

*...continued from last week...*

The Mother kept elaborating on the theme:

"If you look at yourself carefully, you will see that one always carries in oneself the opposite of the virtue one has to realise (I use "virtue" in its widest and highest sense). You have a special aim, a special mission, a special realisation which is your very own, each one individually, and you carry in yourself all the obstacles necessary to make your realisation perfect. Always you will see that within you the shadow and the light are equal: you have an ability, you have also the negation of this ability. But if you discover a very black hole, a thick shadow, be sure there is somewhere in you a great light. It is up to you to know how to use the one to realise the other.

This is a fact very little spoken about, but one of capital importance. And if you observe carefully you will see that it is always thus with everyone.

(...)

Once you have understood this, many worries come to an end and you are very happy, very happy. If one finds one has very black holes, one says, "This shows I can rise very high", if the abyss is very deep, "I can climb very high." It is the same from the universal point of view; to use the Hindu terminology so familiar to you, it is the greatest Asuras who are the greatest beings of Light. And the day these Asuras are converted, they will be the supreme beings of the creation. This is not to encourage you to be asuric, you know, but it is like that—this will widen your minds a little and help you to free yourself from those ideas of opposing good and evil, for if you abide in that category, there is no hope.

If the world was not essentially the opposite of what it has become, there would be no hope. For the hole is so black and so deep, and the inconscience so complete, that if this were not the sign of the total consciousness, well, there would be nothing more to do but pack up one's kit and go away. ... I tell you, on the contrary, that it is because the world is very bad, very dark, very ugly, very unconscious, full of misery and suffering, that it can become the supreme Beauty, the supreme Light, the supreme Consciousness and supreme Felicity."[8]

She then introduced a concept of a paramount importance:

"If life were organised in such a way that nothing was wasted and each thing was in its place, most of these miseries would not exist any longer. An old sage has said:

'There is no evil. There is only a lack of balance.

There is nothing bad. Only things are not in their place.'

If everything were in its place, in nations, in the material world, in the actions and thoughts and feelings of individuals, the greater part of human suffering would disappear."[9]

And finally:

"Well, what brings about the suppression is the idea of good and bad, a kind of contempt or shame for what is considered bad, and you do like this (gesture of repulsion), you do not want to see it, you do not want it to be there. It must...

The first thing —the very first thing to realise is that it is the weakness of our consciousness that makes this division and that there is a Consciousness (now I am sure of it) in which that does not exist, in which what we call “evil” is as much necessary as what we call “good”, and that if we can project our sensation—or our activity or our perception—into that Light, that will bring the cure. [10] Instead of suppressing or rejecting it as something to be destroyed (it cannot be destroyed!), it has to be projected into the Light. And because of this I have had for several days a very interesting experience: instead of seeking to throw away far from oneself certain things (which one does not accept, and which produce an imbalance in the being), instead of doing that, to accept them, take them as part of oneself and... (Mother opens her hands) offer them up. They do not want to be offered, but there is a way of compelling them: the resistance is diminished in the proportion as we can diminish in us our sense of disapprobation; if we can replace this sense of disapprobation by a higher understanding, then we succeed. It is much more easy.

I believe it is that. All, all the movements that drag you down must be put in contact with the higher understanding.”[11]

“It is not enough to have a positive movement, there must also be the negative movement of rejection. For you cannot attain a stable transformation as long as you harbour in your being elements which oppose it. If you keep obscurities within you, they may for a time remain silent and immobile, so well that you attach no importance to them, and one day they will wake up again and your transformation won’t be able to resist them. Not only is the positive movement of self-giving necessary but also the negative movement of rejection of everything in you that opposes this giving. You must not leave things “like that”, buried somewhere, in such a way that at the first opportunity they wake up and undo all your work. There are parts of the being which know very well how to do this, there are elements of the vital which are extraordinary from this point of view: they keep quiet, hide in a corner, remain so absolutely silent and motionless that you think they don’t exist; so you are no longer on your guard, you are satisfied with your transformation and your surrender, you think everything is going well, and then, suddenly, one fine day, without warning, the thing jumps up like a jack-in-the-box and makes you commit all the stupidities in the world. And it is the stronger for having remained repressed—repressed and closed tight in a corner—it has remained as though buried so as not to draw your attention, it has kept very, very quiet, and the moment you are not expecting it, it springs up and you tell yourself, “Oh! What was the good of all my transformation?” That thing was there, and so it happened. It is just like that, these things remain there and hide themselves so well, that if you do not go looking for them with a well-lit lantern, you will not know they are there till the day they come out and demolish all your work in one minute.”[12]

[10] At the time of publishing this talk, Mother added the following comment: “In this Consciousness where the two contraries, the two opposites are joined together, both change their nature, they do not continue to be what they are. They are not simply joined and remain the same: their nature changes and that is of great importance. Their nature, their action, their vibration become wholly different as soon as they are joined together. It is the separation that makes them what they are. Do away with the separation and their very nature changes. It is no longer good or bad, but something else, something that is whole and entire.”

## OPEN QUESTIONS ON VISAS

It seems that from now on even before your visa extension is considered, the powers that be will check 1) if you have paid the Health fund 2) if you have paid your city contribution, 3) if you have a personal health insurance, 4) if you have an outstanding loan.

I suggest that this list is too small. I think many things could be added, in particular:

1. Do you like the concrete “so-called” crown road, do you find it beautiful, ecologically sound, safe, and conducive to make the supramental descend on Auroville upon completion?
2. Do you approve all the measures taken by the present administration : cutting of maintenances, cutting of budgets, closing down of certain financial Service accounts?
3. Do you remember in your daily prayers to thank the Lord for the exceptionally bright, efficient and compassionate administration of the present day?
4. Do you agree with the assessment of the Lurking committee that Aurovilians have done nothing for 50 years except blocking, blocking, blocking, and that Auroville was completely stagnant till - thank God - a new administration took over and launched their superb drive to at last, at last “build Mother’s city” ?
5. Are you a willing servitor of the present administration?

I suggest that if you answer Yes to the above 5 questions you get a five-year visa.

If you reply No to any one question, you will get a one-year visa.

If you reply No to all the above questions, no visa.

The last question numbered 5 counts double. If you reply no to that, you get a quit notice.

An Aurovillian

## SUPPORT NEEDED

### AN APPEAL FROM INDUJA TO HELP REALIZE MY DREAM OF BECOMING A CONSERVATION LEADER!

Dear Auroville family,

My name is Induja, living as a part of this huge family from the year 2016, when I first found Auroville. I came to Auroville as an intern architect and decided to stay and integrate myself into our community with a commitment to work towards the aspirations and ideals of Auroville, despite many challenges.

**I am delighted to share with all of you that I have been accepted into the masters program in Environmental Conservation at the University of Wisconsin, Madison, United States.** It was Auroville that gave me opportunities to discover myself and work towards my passion of bringing positive changes in the society and protecting the indigenous knowledge and environment. Working in and traveling widely throughout India in the past few years has exposed me to various issues at the grassroots level, helping me to better understand what I need to do to accelerate actions towards my passion. This is a fantastic opportunity for me to learn from and network with peers from around the world, skills that I will be able to bring back to Auroville and India to help build the better future to which we all aspire and are committed to.

But in this, I have been faced with financial difficulties to cover my tuition fee. **Total cost of the education for the whole program is \$59843 (INR 49,70,460/-) including the living expenses. I need to secure \$43000 (INR 35,75,379/-) including the total amount of tuition for the whole program and the living expenses for two semesters by the end of January 2024 to obtain an I-20 from the university to be able to apply for a visa.**

The scholarship from the university will be in the range of \$6000 - \$12000 (INR 4,98,350/- to 9,96,700/-) which will be deducted from the amount that I need to secure. I am working towards various options to raise the remaining funds.

I am making an appeal to the Auroville community, well wishers and friends for your support in the form of financial aid to support my dream. **I invite you to please consider contributing and spread the word in your networks of friends, family and colleagues encouraging them to donate.** I will soon launch a crowdfunding page and share it with the community through which the well wishers can contribute anonymously and in their preferred currency. In addition, I am looking into other options like applying for external scholarships but most of them require me to have a valid visa before applying.

**Contributions are also welcome in FS account 252960 - Induja Education Support. Every contribution of yours matters to me as it will take me closer to my dream!**

I will keep the community posted on the progress I make and I will be more than happy to chat with you if you want to know more details. Please feel free to call me at +91 9843656428 or write to me at [ginduja397@gmail.com](mailto:ginduja397@gmail.com).

Thanks for your time!  
Induja

Organised in loving memory for Audrey by CREEVA and her close friends.

Proceeds from sales of the exhibition will support CREEVA, Audrey's art and life project in Auroville.

### **About CREEVA:**

CREEVA is a platform to experience art first hand, where one can experiment with mediums, form, themes.

Creeva offers the chance to go on a

journey to find expression, as each one has an individual expression and style; the way you speak, the way you walk and move. CREEVA allows such deep exploration; one can practice the yoga of art regularly and peacefully.

The founder of Creeva was Audrey. In the early years she was gifted with the means to explore, to find her own expression, to follow her passion to paint, to draw. Audrey has passed on into the Light but Creeva remains, to offer the opportunity to any who would avail themselves of such freedom, such possibilities of exploration.

We are in need and would deeply appreciate your financial support. Click on: <https://donations.auroville.org/>

## **HOMAGE - AUDREY AND EVA**

HOMAGE is an exhibition dedicated to Audrey and Eva, two artists who dedicated their Aurovilian life to transmit the beauty of art to the community.

They have been artists and teachers, and always connected with education. Audrey taught how to approach art, how to play with it, how to experience and enjoy it. Eva was inspired by the children's world she came to know when she was a teacher. "In the school I learnt a lot from the children about creativity and the absence of mental limitations" she used to say.

They recently passed away a few months apart from each other, so we are happy to remember their passionate work through a double exhibition in Centre d'Art, Citadines.

## HEALTH

### HOW TO EXPEL VITIATED PITTA THAT INFLATES AND INFLAMES

Following some queries from the article published in the News and Notes issue #996 (Ayurveda tips to rebalance Pitta vitiated by the excess of heat and humidity), this season is also the appropriate time to expel the accumulation of Pitta, at least from the small intestine (if there's bloating, gas accumulation, sluggish digestion, all the ...itis conditions – tendinitis, rhinitis, arthritis, shoots of hypertension etc) and the bowel (retention or constipation, flatulence, abdominal tender touch or sensation). A solution is to do a mild purgation that will clear the digestive tract from these accumulated Pitta toxins:

#### During 3 days consecutively ONLY:

Take one flat teaspoon of Triphala powder with one teaspoon of Eranda Tailam (Castor Oil) with a sip of warm water at bedtime. The next morning after drinking a glass of warm water, take one flat teaspoon of Triphala powder in a sip of warm water. Repeat 3 times this procedure in 3 days.

There will be more bowel movements and more slightly loose motion... the cleansing is happening. After 3 days in a row, it is highly recommended to stop. Then the body will adjust on its own by giving a sensation of good appetite, lightness in the belly and body, happier mood and heart.

And until monsoon arrives the previous recommendations (from issue #996) on food and activities can still be followed.

Wishing you the best  
Be @ Sante Clinic

We are working with schools and colleges and other groups in teaching them the importance of reconnecting to our local food. The essential requirement is good communication skills and an interest in the subject of permaculture and natural farming.

#### **Café:**

Our café demonstrates the importance of food that grows locally, food that grows easily with no carbon footprint and is the very foundation of health and local culture.. We are looking for people to join us in helping with different roles, like food processing, cooking, management etc.

### **Farm/volunteers:**

We are starting a 3 month internship program in permaculture and natural farming that will be open to Aurovillians and guests. We need help in running this structured internship. The role is more facilitating and organizing but also teaching. To facilitate the learning process, the course material consists of three sections: the first part is dedicated to back massage; during the two other sections, you'll learn how to massage the legs, arms and front of the body.

You'll also learn how to prepare yourself before massaging a person, create a trusting relationship with your client, and offer relevant information afterwards.

No previous experience required.

After receiving a long, in-depth personal training from Birenda himself, **Jean-Louis** has been offering massage treatments over the past 25 years. ### **Deep Presence - Inner Exploration**

A guided exploration by Mikhail S.

Following the facilitator's guidance, we will travel with our attention deep within (and without) ourselves, where we will listen deeply... By becoming still, we'll aim to tune into the living presence that is always present, to align with Truth, in other words with that which isn't transient and perishable but Eternal and Infinite.

The intention is to leave behind all effort, tension and desire, to bypass our mind and emotions in order to experience this always available Presence.

The exploration lasts 45 minutes and ends with a small sharing of approximately 10-15 minutes. Preparation for class: If possible, please take a 15 minutes nap (or silent quiet rest lying down) at home, before class or in the afternoon (to try and prevent dosing off and falling asleep).

## LOOKING FOR

### THE DOG SHELTER IS LOOKING FOR

#### Clothing Donations Needed for Puppies

Despite our continued efforts to secure foster homes for our adorable puppies, we still find ourselves caring for many of them. Our old shelter lacks a dedicated puppy quarantine unit, leaving us with no choice but to keep the puppies in cages overnight. To ensure their warmth and comfort, we rely on a significant amount of old clothes. Unfortunately, these clothes always get soiled with feces and need to be discarded by morning.

While we appreciate the generous support from Free Store and Eco Service with their weekly cloth donations, we still need more used clothes or newspapers and cardboard, especially with the onset of the monsoon season. As we don't have enough staff members to drive around daily for smaller quantities of donated goods, we have arranged Thursday as our pick-up drive day. We plan to set up very soon donation barrels at Pour Tous as convenient drop-off points for smaller donations of food and clothes.

#### Outdoor Furniture Donations for Rest Area

Our team members are asking if you have used outdoor furniture (benches, tables, chairs) to donate to enhance our tea and lunchtime resting area. Currently, our resting space comprises only an old and broken bed frame, making it less than ideal for team members to relax and recharge during their breaks.

If you have a large amount of donations or furniture for pick up, please be so kind to contact Arthur on WhatsApp at 8122225266. If you want to drop donations at the shelter, we are very happy to welcome you during our daily visiting hours from 9.00 to 12.00 and 14.00 to 16.00 h

**PRESENTS**

**"CINE-MASTER CLASS"**

**at Aurofilm (next to CRIPA), Kalabhoomi**

If you like to discuss, share and learn more about films and Cinema, we invite you to our **Cine-Master classes!** Welcome to this new chapter:

**SUNDAY 29 OCT. 2023 – 5.00 to 7.30 pm - Presentation and screening of short films by Czech film director Param Tomanec:**

**"KRIDA YATRA"**

**Overview:** In mars 2021, **Param Tomanec** had offered us in a Cine-Master Class a lovely short film **"Rasa Yatra"** and an exchange on the multiple aspects of this resarch work related to Lord Krishna. Now Param is back in Auroville and introduces us to his latest works, a series of 7 short art films, using the Gotipua traditional dance form of Odisha, India (precursor to Odissi danse). It is an eclectic collection united under the same title KRIDA YATRA. Apa Krida, Kumbha Triveni, Reverie, Naga, Rasa, Kamala and Ayodhya Krida will be presented.

**Param Tomanec** is an independent Czech born visual poet and bhakti yogin. He researched Indian art and life during his tenure at the Oxford's Centre for Hindu Studies (England) and at Vrindavan's own Sri Caitanya Prema Sansthana (in India). Param's film mentor is no other than **Godfrey Reggio** (Qatsi Trilogy, Visitors ...) the American filmmaker, inventor of a film style that can invoke profound emotional experiences in viewers. Krida Yatra is produced by Reggio himself.

-- We will share some refreshments after the films and discussion.

Annadurai is a farm laborer with a newborn son from his second wife Kamalam, two young children from his first wife and his elderly mother. Struggling to raise the money both husband and wife pin their hope on a gold ring that the newborn received as a gift. But the two children left with their grandma somehow loses it. The story circles around these two industrious kids and their responses to this crisis. Ants can carry 40% more than their body weight. Who carries the weight of the crises? A delightful film, a must watch!

### Potpourri – Tuesday 31 October, 8:00 pm:

- **WEST SIDE STORY**

USA, 2021, Dir. Steven Spielberg, w/ Ansel Elgort, Rachel Zegler, Ariana DeBose and others, Musical-Drama, 156 mins, English w/ English subtitles, Rated: PG13

Manhattan, Upper West Side, 1957. Against the backdrop of the decaying tenements in the San Juan Hill neighborhood and the constant threat of the wrecking ball, two warring gangs--tough Riff's Jets and swaggering Bernardo's Puerto Rican Sharks--fight for supremacy. An unexpected whirlwind romance at the high-school dance between former Jet brawler Tony and Bernardo's delicate little sister María sets the stage for an all-out turf war. But what's a gang without its territory and hope without love?

### Interesting – Wednesday 01 November, 8:00 pm:

Georgia-Russia-USA, 2021, Dir. Levan Koguashvili w/ Levan Tedaishvili, Giorgi Tabidze, Nadezhna Mikhalkova and others, Comedy-Drama, Georgian-Russian-English w/English subtitles, 90mins, Rated: NR (G)

Georgian wrestler Kakhi travels to Brooklyn to help his son out of a gambling debt. It's made with a lot of heart, soul, and passion. It's a film about real people living their life, dealing with their problems, wrestling with their issues, and trying to lift family members who seem capable of being lifted up, and just seem lost in the wilderness of life.

**International – Saturday 04 November, 8:00 pm:**

• **WE HAVE A GHOST**

USA, 2023, Writer-Dir. Christopher Landon w/Jahi Di'Allo Winston, David Harbour, Anthony Mackie, and others, Adventure- Comedy, 126mins, English w/ English subtitles, Rated: PG-13

Seeking a fresh start in Chicago, the Presley family moves into a fixer-upper house that unbeknown to them came with a ghost named Ernest. Despite Ernest's attempts at scaring teenage son Kevin the latter became a friend to the trapped soul from the '70s. Meanwhile, Kevin's dad looks to cash in on Ernest by turning him into a social media sensation. Soon they land in the radar of paranormal scientist and CIA who restarts their clandestine program to capture the ghost. As crowds, reporters, and government agents descend upon the Presley home, Kevin and his witty neighbor Joy has to rescue Ernest, uncover the mysteries of his past, and bring him the closure he needs.

When Coraline moves to an old house, she feels bored and neglected by her parents. She finds a hidden door with a bricked up passage. During the night, she crosses the passage and finds a parallel world where everybody has buttons instead of eyes, with caring parents and all her dreams coming true. When the Other Mother invites Coraline to stay in her world forever, the girl refuses and finds that the alternate reality where she is trapped is only a trick to lure her.

**ROBERT ALTMAN FILM FESTIVAL@ Ciné-Club:**

**Ciné-Club Sunday 05 November, 8:00 pm:**

• **NASHVILLE**

USA, 1975, Dir. Robert Altman, w/ Keith Carradine, Karen black, and others, Comedy – Music - Drama, 160 mins, English w/ English subtitles, Rated: R.

The film follows various people involved in the country and gospel music industry in Nashville, Tennessee over the five- day period leading up to a gala concert for a populist outsider running for President on the Replacement Party ticket. Rather than a straightforward polemical satire of country culture, the movie is a massive, multi-textured tapestry depicting a society undergoing some sort of crisis.
