PONDERING

Politics is based on falsehood, we have nothing to do with it.
Morality is the shield that men flourish to protect themselves against Truth.
It is only the Divine's will that is unquestionable. And it is that which man, in all his actions, deforms and falsifies.

HOUSE OF MOTHER'S AGENDA

(continued from last two weeks)

He too must grapple with the riddling Sphinx
And plunge into her long obscurity.

He has broken into the Inconscient's depths
That veil themselves even from their own regard:
He has seen God's slumber shape these magic worlds.

He has watched the dumb God fashioning Matter's frame,
Dreaming the dreams of its unknowing sleep,
And watched the unconscious Force that built the stars.

He has learned the Inconscient's workings and its law,
Its incoherent thoughts and rigid acts,
Its hazard wastes of impulse and idea,
The chaos of its mechanic frequencies,
Its random calls, its whispers falsely true,
Misleaders of the hooded listening soul.

All things come to its ear but nothing abides;
All rose from the silence, all goes back to its hush.

Its somnolence founded the universe,
Its obscure waking makes the world seem vain.

Arisen from Nothingness and towards Nothingness turned,
Its dark and potent nescience was earth's start;
It is the waste stuff from which all was made;
Into its deeps creation can collapse.

Its opposition clogs the march of the soul,
It is the mother of our ignorance.

He must call light into its dark abysms,
Else never can Truth conquer Matter's sleep
And all earth look into the eyes of God.

All things obscure his knowledge must relume,
All things perverse his power must unknot:
He must pass to the other shore of falsehood's sea,
He must enter the world's dark to bring there light.

The heart of evil must be bared to his eyes,
He must learn its cosmic dark necessity,
Its right and its dire roots in Nature's soil.

He must know the thought that moves the demon act
And justifies the Titan's erring pride
And the falsehood lurking in earth's crooked dreams:
He must enter the eternity of Night
And know God's darkness as he knows his Sun.

For this he must go down into the pit,
For this he must invade the dolorous Vasts.

Imperishable and wise and infinite,
He still must travel Hell the world to save.

Into the eternal Light he shall emerge
On borders of the meeting of all worlds;
There on the verge of Nature's summit steps
The secret Law of each thing is fulfilled,
All contraries heal their long dissidence.

There meet and clasp the eternal opposites,
There pain becomes a violent fiery joy;
Evil turns back to its original good,

And sorrow lies upon the breasts of Bliss:
She has learned to weep glad tears of happiness;
Her gaze is charged with a wistful ecstasy.

Then shall be ended here the Law of Pain.

Earth shall be made a home of Heaven's light,
A seer heaven-born shall lodge in human breasts;
The superconscient beam shall touch men's eyes
And the truth-conscious world come down to earth
Invading Matter with the Spirit's ray,
Awaking its silence to immortal thoughts,
Awaking the dumb heart to the living Word.

This mortal life shall house Eternity's bliss,
The body's self taste immortality.

Then shall the world-redeemer's task be done.

"Till then must life carry its seed of death
And sorrow's plaint be heard in the slow Night.

O mortal, bear this great world's law of pain,
In thy hard passage through a suffering world
Lean for thy soul's support on Heaven's strength,
Turn towards high Truth, aspire to love and peace.

A little bliss is lent thee from above,
A touch divine upon thy human days.

Make of thy daily way a pilgrimage,
For through small joys and griefs thou mov'st towards God.

Haste not towards Godhead on a dangerous road,
Open not thy doorways to a nameless Power,
Climb not to Godhead by the Titan's road.

Against the Law he pits his single will,
Across its way he throws his pride of might.

Heavenward he clammers on a stair of storms
Aspiring to live near the deathless sun.

He strives with a giant strength to wrest by force
From life and Nature the immortals' right;
He takes by storm the world and fate and heaven.

He comes not to the high World-maker's seat,
He waits not for the outstretched hand of God
To raise him out of his mortality.

COMMUNITY SHARING

AUROVILLE TO LAUNCH WEEKLY MOBILE VET CLINIC & AN INFORMATION CAMPAIGN FOR THE NEW SHELTER

The team of the Auroville Dog Shelter invites all Aurovilians, friends, and animal lovers for the start of our weekly new mobile vet clinic service, despite facing at the moment significant budget constraints. This soft launch, set for Friday, June 14th, from 10:00 AM to 1:00 PM at the Solar Kitchen Parking Lot, aims not only to provide essential veterinary services but also to encourage a dialogue with residents and animal lovers about the construction of the new Auroville Dog Shelter.

Drop by to have a chat with us, we are happy to share with you our concept to build a self-sustainable animal shelter and beautiful Serenity Park with a visitors center, restaurant, children's playground, shops, a farmers market and a veterinary and discount priced pharmacy. Let's put our minds together as a Community to find solutions to solve the Puppy Crises for good and ways to provide better services for the benefit of humans and animals in our city. We want to hear what you have to say and invite everyone willing to become a part of this important project. Let's work together!

Even this Friday will be just a first soft launch; you can bring your animals if they are in need of our services. Please note as the shelter is completely overcrowded with barely any funding, we cannot accept for the time being any more puppies, but we are happy to provide the following services:

- **Free Consultations:** Receive expert veterinary advice to ensure your animals' health and well-being.
- **Basic Medical Care:** We are able to address minor ailments and provide necessary treatments.
- **Cost-Price/Donation-Based Vaccinations:** Affordable vaccinations to keep your dogs protected. (We don't have funds for cat vaccinations at the moment)
- **Spay/Neuter Bookings:** Schedule sterilization surgeries, an essential step in managing the growing puppy population.
- **Animal Care Information:** Valuable tips and advice on how to keep them happy and healthy.
- **Volunteering Information:** There are lots of opportunities to volunteer in the old shelter and also for building the new Animal Care Shelter!

A SATSANG ON THE INTEGRAL YOGA

A sacred gathering for the study and practice of the Integral Yoga of Sri Aurobindo and the Mother, founders of Auroville, the City of Dawn.

"The first necessity is the inner discovery in order to know what one truly is behind social, moral, cultural, racial and hereditary appearances. At the centre there is a being free, vast and knowing, who awaits our discovery and who ought to become the active centre of our being and our life in Auroville."

— The Mother

We start right here, in the Eternal Now, from where we each are at this ever-progressive moment, and share our unique experiences on the path of rediscovering and embodying who we really are.

NEWS FROM AUROVILLE LANGUAGE LAB

Please remember to put your mobile phones on flight mode and switch off all wireless and Bluetooth devices before you enter the Lab. We are a wireless-free space!

Evening Programs!

From **1st February 2024**, we have launched a new experiment. The Language Lab extended its opening hours from 5pm - 6:00pm, Monday to Friday. We are offering special evening programs which include conversational practice with native language speakers, talks, as well as self-learning and guided study in different languages with our mediatheque.

This program | is free of cost to everyone: Aurovilians, Newcomers, Volunteers, Guests and people from around the Auroville area. The Language Lab has always been open to all and this program will be as well. Ever learnt a language but feel a bit rusty now? Come and revive it! All, including Guests are welcome to join. Come share your language with others!

In this thin summer period, where some people are out of station, only the English and French Conversation Practice sessions are happening on Thursdays and Wednesdays. The focus continues to be on the Auroville Charter and The Dream. We are happy to announce that Samskrit Chanting will re-start next Monday (17.06.24). All are welcome for these sessions.

Do let us know if you would like to be part of this experiment and what you would like to receive and offer, either as a participant or a facilitator, by sending an email to info@aurovillelanguagelab.org or a WhatsApp message to +91 98430 30355. You don't need to be a teacher; you simply should enjoy conversing with others and offer yourself for conversation practice. Incidentally, age no bar!

Our first full-length publication:

We are delighted to share that our first full-length publication, "From Resonance to Bonding" by Dirk Beckedorf & Franz Müller, is now available on Amazon! The book gives an in-depth explanation of the Alfred Tomatis method, its scientific basis, how and why it works, along with detailed case studies. Order through our website: <https://books.aurovillelanguagelab.org/>

You can access the detailed Table of Contents, as well as 2.5 chapters of the actual book for free [here](#), before deciding to order through Amazon.

This book has information for a wide variety of professionals in different fields, as well as laypeople. For example, midwives, doulas, gynaecologists, as well as pregnant women, parents-to-be and recent parents, will find the chapter on "Resonance in the Womb" full of incredibly fascinating information. It is an excellent summary of all the research since Dr. Tomatis' pioneering work in the early 1950s, on the development of listening in the womb.

For now, in India, it is still only available as a Kindle e-book. You can use a free kindle app to access it (mobile, tablet or desktop). We know many of you have complained that it is not available as a paperback. We have great news: It's almost ready! In another week or so, you should be able to pick up a copy at the Lab itself, as well as order through Amazon. Meanwhile, we have opened pre-booking. Please go to <https://books.aurovillelanguagelab.org/> and click on "Pre-Booking (Paperback in India)."

Looking for:

Someone who can type in English! We have many case notes to type up which detail the progress made – especially by children – during Tomatis programs. The work would have to be done at the Lab. We need someone who can type, cares for people, and will respect confidentiality. We could definitely still do with someone to help with fundraising. And we always welcome volunteer language teachers.

Tomatis

Please contact 0413-3509932 or 04132622467 or email us at tomatis@aurovillelanguagelab.org to schedule your Listening Tests & Consultations. In case you wrote earlier but haven't heard back from us, please send us a reminder by email.

STANDUP AT REVE

Walking and bicycling lost to the status-filled automobile with driver.

Solar powered tram lost to 14m wide 4km long concrete canal.

The workshop is now a toll booth.

The roof is gone, but we are still standing!

7pm Saturday – a night of laughter as three of the most innovative English language comics on a Tamil Nadu tour let loose on the Outer Ring Road.*

4pm Sunday – at Art Forest** before they go to rock the scene in Pondy.

The trio have been touring the country pressing crowds with ideas that are challenging and unhinged and absurd. This show, just like Auroville, is not for the faint of heart.

Comedians' Instagram profiles: @aamercomic @rohantheass @jokinglash

**Directions for Saturday: go along the Outer Ring Road (if you hit a 70-year old mango tree, be grateful) or the bike path or Kuilya road next to it. If you hit the Hemp House, you are really close. Or simply go to the only train tracks in Auroville.*

***Direction for Sunday: go past Fertile.*

VOICES AND NOTES

RESPONSE TO "AUROVILLE IN CRISIS"

Aurorrific, an Aurovilian with a keyboard, has exposed the strategy of the 'new' administration. It has taken so much time that it's not new anymore. So what will the response of Aurovilians be? Is its strength its unity? Or its passivity (the meek will inherit the earth)? Will the administration be ashamed or emboldened by this 'exposure'? Or will they laugh because it's so late?

The three recommendations: Stay informed, Support each other, and Spread awareness have blunted our pen and frozen our brain. Hopefully some outside standup comics will shake us up.

Travel Tips:

Several travellers were "boarding denied" as check-in staff didn't accept the **e-FRRO Stay Visa** as valid document without backing it up with additional documentation. Therefore we advise to take beside the Stay Visa document (please make sure your current Passport details are in it) your Original Visa, which is maybe in an older expired Passport. If not available anymore, take at least a photocopy of the original Visa.

Indian nationals can now be issued long-term, multi-entry Schengen visas valid for two years after having obtained and lawfully used two visas within the previous three years. The two-year visa will normally be followed by a five-year visa, if the passport has sufficient validity remaining. During the validity period of these visas, holders enjoy travel rights equivalent to visa-free nationals.

Sri Lanka has shifted from the Electronic Travel Authentication (ETA) visa programme to a new E-visa scheme with effect from 17 April 2024. In this context, the ETA website was discontinued on 16 April 2024

The Embassy of the Republic of Turkey announces that Turkish authorities have commenced requiring the "Electronic Airport Transit Visa" (e-ATV) for Indian & Nepalese passport holders traveling to Mexico, Panama, Colombia and Venezuela, Transiting via the Istanbul Airport.

eVisa fees waiver scheme has been introduced for citizens of India, China, Indonesia, Russia, Thailand, Malaysia, and Japan, with immediate effect, valid until May 31st, 2024 (Last date of arrival) for tourism only. To avail of the scheme, please select the 30-day single entry eVisa option.

Thailand has extended its visa exemption program for tourists from India and Taiwan for another six months, allowing these travelers to enter the country without a visa until November 11, 2024. Travelers from India and Taiwan can stay for a maximum of 30 days without a visa.

Also, [this LINK](#) will tell you all that you need to know about Flight delays and/or cancellations.
