## PONDERING

No Politics

We are not here to do politics but to serve the Divine.

\*

Sri Aurobindo thinks that it is not possible for us to intervene by a wire in a political matter of this kind. At most you might write to X your private opinion about the best course for him to take in these painful and difficult circumstances.

With love and blessings.

# HOUSE OF MOTHER'S AGENDA

In the long ever-mounting hierarchy,  
In the stark economy of cosmic life  
Each creature to its appointed task and place  
Is bound by his nature's form, his spirit's force.

If this were easily disturbed, it would break  
The settled balance of created things;  
The perpetual order of the universe  
Would tremble, and a gap yawn in woven Fate.

If men were not and all were brilliant gods,  
The mediating stair would then be lost  
By which the spirit awake in Matter winds  
Accepting the circuits of the middle Way,  
By heavy toil and slow aeonic steps  
Reaching the bright miraculous fringe of God,  
Into the glory of the Oversoul.

My will, my call is there in men and things;  
But the Inconscient lies at the world's grey back  
And draws to its breast of Night and Death and Sleep.

Imprisoned in its dark and dumb abyss  
A little consciousness it lets escape  
But jealous of the growing light holds back  
Close to the obscure edges of its cave  
As if a fond ignorant mother kept her child  
Tied to her apron strings of Nescience.

The Inconscient could not read without man's mind  
The mystery of the world its sleep has made:  
Man is its key to unlock a conscious door.

But still it holds him dangled in its grasp:  
It draws its giant circle round his thoughts,  
It shuts his heart to the supernal Light.

A high and dazzling limit shines above,  
A black and blinding border rules below:  
His mind is closed between two firmaments.

He seeks through words and images the Truth,  
And, poring on surfaces and brute outsides  
Or dipping cautious feet in shallow seas,  
Even his Knowledge is an Ignorance.

He is barred out from his own inner depths;  
He cannot look on the face of the Unknown.

How shall he see with the Omniscient's eyes,  
How shall he will with the Omnipotent's force?

O too compassionate and eager Dawn,  
Leave to the circling aeons' tardy pace  
And to the working of the inconscient Will,  
Leave to its imperfect light the earthly race:  
All shall be done by the long act of Time.

Although the race is bound by its own kind,  
The soul in man is greater than his fate:  
Above the wash and surge of Time and Space,  
Disengaging from the cosmic commonalty  
By which all life is kin in grief and joy,  
Delivered from the universal Law  
The sunlike single and transcendent spirit  
Can blaze its way through the mind's barrier wall  
And burn alone in the eternal sky,  
Inhabitant of a wide and endless calm.

O flame, withdraw into thy luminous self.  
 Or else return to thy original might  
 On a seer-summit above thought and world;  
 Partner of my unhoured eternity,  
 Be one with the infinity of my power:  
 For thou art the World-Mother and the Bride.

Out of the fruitless yearning of earth's life,  
 Out of her feeble unconvincing dream,  
 Recovering wings that cross infinity  
 Pass back into the Power from which thou cam'st.

To that thou canst uplift thy formless flight,  
 Thy heart can rise from its unsatisfied beats  
 And feel the immortal and spiritual joy  
 Of a soul that never lost felicity.

Lift up the fallen heart of love which flutters  
 Cast down desire's abyss into the gulfs.

For ever rescued out of Nature's shapes  
 Discover what the aimless cycles want,  
 There intertwined with all thy life has meant,  
 Here vainly sought in a terrestrial form.

Break into eternity thy mortal mould;  
 Melt, lightning, into thy invisible flame!  
 Clasp, Ocean, deep into thyself thy wave,  
 Happy for ever in the embosoming surge.

Grow one with the still passion of the depths.  
 Then shalt thou know the Lover and the Loved,  
 Leaving the limits dividing him and thee.

Receive him into boundless Savitri,  
 Lose thyself into infinite Satyavan.

O miracle, where thou beganst, there cease!"

## FROM THE ENTRY SERVICE

### ES # 227 DATED: 26-08-2024

Three (3) Newcomers were 'Announced Aurovilian' on 25 January 2024. As per the usual process, there is a 4 week feedback period after which barring negative feedback, they would be notified to the community as being 'Confirmed Aurovilian'.

This final notification did not happen in February as it usually would have because in January there were attempts to dismantle the Entry Service and completely undermine the functions given to it by the Auroville Residents' Assembly.

We have carried on our work, albeit at a reduced capacity, and recently we thoroughly reviewed our digital records and found that the following individuals qualify as 'Confirmed Aurovilian' (ie no negative feedback).

### AUROVILIAN CONFIRMED

- Ms. Raquel **JOVER** (Spanish) announced 25/1 ES # 215
- Mr. Benedikt **POHLE** (German) announced 25/1 ES # 215
- Ms. Snehal **DESHPANDE ROY** (Indian) announced 25/1 ES # 215

### NEWCOMERS LEFT ON THEIR OWN

- Mr. Shubhendu **DASGUPTA** (Indian)
- Ms. Saranya **KUMAR** (Indian)
- Ms. Anne Adeline **DESCHAMPS** (French)
- Ms. Shalini **BHATTACHARYA** (Indian)

### NOTE:

- A Newcomer becomes an 'Aurovilian' once his/her name has been confirmed by The Admission Committee (aka the Entry Board) after following due process.
- The date of becoming 'Aurovilian' is the date of confirmation. An Aurovilian confirmed by the Entry Board is eligible to participate in all community decision-making processes.
- The formal administrative step of entering new residents into the Register of Residents (RoR), is done by the Secretary of the Auroville Foundation. For this, a B-Form is filled in and signed by the individual and a meeting with the Secretary is arranged by the Entry Secretariat. However, until such time as a new Secretary is appointed, the meetings of Confirmed Aurovilians with the Secretary will be pending.

## OBITUARY

### **YUVAL PASSES AWAY**

Yuval (Govert Jan van den Eijk) came to Auroville from the Netherlands as a volunteer and joined Auroville in 2008. He lived in Utility and lately at Mahalakshmi Home.

At heart, Yuval was first and foremost a pioneering adventurer. Born in the Netherlands, he embarked on his first adventure at the age of 19, when he left for Israel, later moving to Egypt, Copenhagen and Istanbul and finally coming to Auroville in 2004.

Yuval contributed to many projects around Auroville but was best known for his work in the field of Family Constellations, where his intuitive and humble way helped people reach deep realisations.

As Yuval struggled with Parkinson's disease in the last years, his optimism and positive outlook were an inspiration to others around him.

He was loved and respected by many and the outpour of appreciation and love has been overwhelming.

Yuval left his body at the age of 77, on August 25, 2024, Sunday night, in his home, while held by his four children Oerie, Dana, Ido and Noa, and the mother of his children Amalia. There could not have been a more beautiful way for him to go.

He continues to be loved and will be missed dearly.

### CHANGE OF NAME AVHS INTO AVHS FOR SENIORS

- We are providing health care to senior Aurovilians over 65 years old, at home and in our senior facilities.
- If needed, we provide caregivers (who need to be paid). The caregivers take care of the senior and his close environment, until recovery.

Once recovered, they cannot be employed by the patient for private works; AVHS FOR SENIORS needs them for care of the next seniors.

- We are NOT handling mental situations.

### AURODENT - FILLING TREATMENT ON DONATION BASIS EXPERIMENT RESULTS

We would like to share the results of our recent experiment conducted in July, where we offered filling treatments on a donation basis.

The objective was to provide affordable treatment options for all patients. During July, patients could receive filling treatments and then contribute an amount of their choice. We also encouraged those who could afford to pay more, with the understanding that their contributions could help cover the cost for patients who could not pay as much.

Here are the results:

- \*38 patients\* received filling treatments in July.
- \*2 patients\* paid an amount higher than our standard price list.
- \*4 patients\* paid approximately the same amount as listed in our price list.
- \*32 patients\* paid amounts significantly less than the standard price list (e.g., 200 Rs, 300, Rs, 500 Rs, etc).

From these results, we conclude that Aurodent cannot consistently offer treatments at amounts lower than our price list without compromising the quality of our services, equipment, and materials. Maintaining our standard of care and service requires adherence to our established pricing.

We hope this information is helpful and provides a better understanding of our pricing structure.

With best regards,  
The Aurodent Team

## FREE VACCINATION DRIVE

Dear Community!

AUROVILLE  
DOG  
SHELTER

Thanks to an incredible fundraising effort by AVI USA, we were able to purchase sufficient vaccinations to provide FREE VACCINATIONS for every dog and cat in Auroville and the surrounding villages to fight the danger of a rabies outbreak and keep residents and animals safe.

We are able to offer for dogs a multi vaccination that protects against 7 viruses including rabies. For cats, we have purchased rabies boosters. In the last few days, we have already vaccinated lots of animals in Auroville, focusing on dogs that had come in contact with the two confirmed rabies cases we had rescued.

The World Health Organization (WHO) recommends vaccinating at least 70% of dogs in at-risk areas to prevent rabies transmission and human deaths. This level of herd immunity needs to be maintained for 3–7 years to eliminate rabies. We have started a mass vaccination drive to protect as many dogs and cats as possible in Auroville and the surrounding villages.

### Schedule of Mass Vaccination Drive from 9.00 to 13.00 h

- Wednesday 28.8. Edyanchavadi
- Friday 30.8. Auroville - Solar Kitchen
- Saturday 31.8. Kulilapalayam
- Sunday 1.9. Kottakarai - Ganesh Bakery
- Monday 2.9. Allankuppam
- Tuesday 3.9. Bommayapalayam
- Wednesday 4.9. Irumbai

Please use this opportunity to get every dog and cat vaccinated to eliminate the risk of rabies and keep everyone safe. We will also conduct at the same time a census to gather data on how many dogs and cats need to be sterilized in order to conduct mass sterilisations in the future to limit the number of newborn puppies every year.

# A MESSAGE FROM INDUJA

Dear Auroville family,

Please excuse me for the length of this letter. 🙏

I am writing this letter with so many memories running through me, so many faces with smiles flashing in front of me, particularly sweet memory of the red stains that we breathe and carry around everywhere with us. Though I miss being close to all of those, there isn't a day I am not reminded of these beautiful things and people by the experiences I go through, people I meet, and places I go to.

I finally made it to the United States on the 31st to embark on a new phase into my journey of learning. The University of Wisconsin, Madison, located in the city of Madison, is where I am, and for so many reasons, I have been feeling that this is the best place that I could start with. The university itself is so huge that I haven't found enough time to explore 3/4th of it yet. That brings to me a new surprise, a sense of discovery every day. We study from the 'Science Hall', a 200 year old building which has the legacy of faculties like Aldo Leopold, one of the pioneers in Environmental Conservation in the US and many other warriors out there. I have successfully completed a semester with good results. I am happy with the learning space as it particularly has been strengthening a sense of community rather than just individual learning.

Madison is a beautiful and intimate city blessed with so much natural beauty: a number of lakes and rich greenery. Most of all, people who embrace it and know how to have fun with all of those. Many places and social events that happen here remind me of Auroville. Some to mention: A terrace to socialize with music, food and fun, farmer's market, etc. I am grateful to have met beautiful people from early days of Auroville here who have become family.

Finally, I live in co-op housing where we have people from various countries live together, share spaces, share responsibilities, make decisions together, work together, make things together, and have fun together.

It has been 3 months since I have been away from my home, Auroville. The longest ever since, I have been in Auroville, and I know that it is going to be longer. I believed that no distance can separate me from Auroville, and it is true. No distance can separate any of us from the spirit of Auroville. I am sure that many of you share this feeling.

Words are never enough to express all that you feel, but I am extremely happy to share some of these experiences with my Auroville family, which has been the biggest pillar of support in my journey. Please know that all the smiles on your faces while you read this letter from me can be felt across the oceans.

I would be happy to hear back from you.

Love and Hugs,  
Induja Gandhiprasad

Ps. I am happy to share some photos from the last three months where you can see some of what I have expressed.

## A SUMMARY OF EVENTS HAPPENING IN AUROVILLE TODAY

### ALLEGATIONS AGAINST AUROVILIANS IN THE INDIAN PARLIAMENT AND MISLEADING PRESS

On 5th August and 7th August, Dr. Sukanta Majumdar, Minister of State in the Ministry of Education of the Central Government, responded to two sets of questions on Auroville ([Unstarred Questions no. 2092](#) and [no. 1788](#)) raised by Dr D Ravi Kumar and C. Ve. Shanmugam, both Members of Parliament for the state of Tamil Nadu. The questions asked in both houses of Parliament concerned complaints about land exchanges in Auroville, the criteria and procedures followed by the Auroville Foundation Office for such exchanges, plans to address lack of transparency and consultation in the process, and measures to ensure fairness in future exchanges.

The Minister's response ([here](#) and [here](#)) indicated that various complaints about Auroville had been received and were being investigated by appropriate agencies. The Minister mentioned "alleged offences such as land encroachment, drug abuse and peddling, cybercrimes including data theft and data leak through servers based outside India, violation of immigration laws, circulation of black money, money laundering, raising of donations without registration under Foreign Contribution Regulation Act (FCRA) and many more economic offences, besides irregularities in land exchanges." Additionally, the Minister stated that "representations and complaints dealing with land exchanges have been forwarded to Auroville Foundation to examine the merit of the allegations and place in the Governing Board (GB), being the Competent Authority, to recommend suitable course of action." In other words, the Ministry of Education has indeed received complaints against questionable land deals and has asked the AVFO and GB to investigate, even though most of these complaints appear to be against the deals approved by the AVFO and the GB.

Several press and media outlets covered the news, such as [Devdiscourse](#), [Daily Excelsior](#), [Times of India](#), [The Indian Express](#), [The Hindu](#) and [Chanakya](#). These articles featured sensationalist titles such as "Complaints of drug abuse, cyber crimes in Auroville being probed" which appear to shift the focus away from the land exchange concerns, putting the emphasis on allegations against Auroville in general and its residents.

On 10th August, the RA WCom - through the Auroville Media Liaison - published a [Press Release](#) responding to these articles. They expressed "deep concern over recent misleading statements circulating in media reports" and "categorically refute[d] the sweeping allegations recently published in various media outlets ... These allegations are not only unsubstantiated but also serve to obscure the pressing issue of questionable land exchanges conducted by the current Auroville Foundation administration and Governing Board". The RA WCom stated that no evidence had been presented to support claims of widespread illegal activities, despite multiple audits. They noted that a report addressing allegations made by a single individual (likely referring to Vikram Ram) had been submitted to the GB and Ministry of Education; and asserted that other allegations appeared to be fabricated to target residents who had questioned recent actions by the Auroville Foundation administration. They also highlighted irregularities in recent land exchanges, expressing concern that the Ministry instructed the AVFO to investigate land exchanges it had itself conducted. Finally, the RA WCom called for an independent external investigation into recent land exchanges, full transparency in future transactions, adherence to established rules and processes, and involvement of the Residents' Assembly and its committees.

The next day, The Hindu published a short article titled '[Section of Aurovillians seek independent probe into land deals](#)' which highlighted some of the points of the RA WCom's press release.

## **AVFO SECRETARY TRANSFERRED**

On 31st July 2024, a Gujarat Government [transfer notice](#) announced that the Secretary of the Auroville Foundation, Dr Jayanti Ravi, would be transferred from her current post to that of Additional Chief Secretary (ACS) of the revenue department in Gujarat. This move, covered by the press (e.g. [India TV News](#) and [Deshgujarat](#)), ended several months of speculation and rumour as to whether the Secretary would be continuing after her official tenure finished on 4th July 2024. The transfer notice stated that Ravi would be repatriated back to her State Cadre, however no timeframe was given for this procedure and it appears that she currently still retains her powers to sign visa letters. As was shared by the RA WCom in their [massbulletin](#) on 1st August, no information has yet been given about who will replace her, however they expressed the hope “that this change will lead to a new phase of collaboration between the Residents' Assembly... and the Governing Board and Office of the Secretary (AVFO)”.

## **AUROVILLE RESIDENT RECEIVES A LEAVE INDIA NOTICE**

In a [massbulletin](#) on 11th August, the RA WCom reported that Alexander Yafarov (Sasha), a long-time Auroville resident working in Youth Center and Wood Concept, received a 'Leave India Notice' from the FRRO on 16th July 2024. The RA WCom and their resource persons have been working to have this notice “reviewed on compassionate grounds”. “So far, the notice has not been reversed but we are continuing our efforts”, they wrote.

On 5th August, the AVFO 'WCom' published a [circular](#) instructing Sasha's removal from the Register of Residents. According to RA WCom, this removal is invalid, citing the Auroville Foundation Act and the Madras High Court's [interim judgement dated 23/02/2024](#). According to the Auroville Foundation Act, only the Residents' Assembly has the authority to remove residents from the Register; and the court had ordered a halt to any changes in the register pending further orders.

## **LEGAL UPDATE**

### **Dismissal of Working Committee 'Quo Warranto' case**

On 1st August, the 'Quo Warranto' case filed by the RA WCom before the Madras High Court was dismissed. A quo warranto case is a legal proceeding that challenges an individual's right to hold a public office, demanding that they demonstrate their authority to occupy that role. This case questioned the legitimacy of the AVFO 'WCom', asking its 'members' (Anu, Arun, Joseba, Partha, Selvaraj, Srimoyi and Tine) to justify on which grounds they were claiming to be the WCom. While the case was dismissed, the written court order has not yet been published, making it difficult to understand the reasons for and implications of this dismissal.

In a [massbulletin](#) on 1st August, the RA WCom expressed that “the dismissal of this case does not legitimize the group of AVFO appointees claiming to be the 'Working Committee', as the Madras High Court's judgements of [12/08/2022](#) and [04/09/2023](#) are clear and stand valid, along with the Auroville Foundation Act and the Residents' Assembly Decisions of [10/05/2022](#), [23/08/2022](#) and [05/02/2024](#).”

### **Dismissal of perjury case against Hemant Lambha**

On the same day, the Madras High Court dismissed a case filed by the AVFO against Hemant Lambha, an ex-member of the RA WCom and the main petitioner in the court case aiming to uphold the voice and authority of the Residents' Assembly and its Working Committee.

A perjury case is a legal proceeding against an individual accused of knowingly making false statements under oath or in sworn testimony. The AVFO had accused Hemant of producing false statements before the court, a claim which was dismissed by the High Court. In response, the RA WCom [wrote](#): “We welcome this decision, as we have maintained that the accusations were without merit.”

## **SCHOOLS & EDUCATION IN AUROVILLE**

### **Update from Dehashakti**

Following on from the takeover of the Dehashakti sports program by the Auroville Physical Education Board (AVPEB), the executives of Dehashakti sent an [email](#) to parents on 28th July 2024. They stated “We are happy to inform you that an agreement between the Dehashakti executives, SAIER and the AVPEB has been reached. The Dehashakti teachers who have registered for the 1-year physical education program will continue their work in collaboration with the new trainees.” Former Dehashakti teachers who are not registered with the 1-year program are not able to continue their work.

However, one long-standing Dehashakti teacher sent an [email](#) to parents the following day stating the view that it was not a mutual agreement and “The executives seemed to have no option but agree to the decision of AVPEB and SAIER to continue only with selected teachers as “provisional trainees””. He also shared that the AVPEB & SAIER apparently intend to shift the place of training from Dehashakti to Aikyam School. A new [Physical Education policy](#) was also released which contained the contact details of the teachers installed by the AVPEB.

### **Further budget cuts for AV Schools**

The Auroville School Board recently shared an [announcement](#) in the AVFO ‘News & Notes’ stating that all Auroville schools (Pre-Creche, Nandanam, Kindergarten, Deepanam, Transition, Last School and Future School) have been given a budget cut that reflects a reduction of around 19% on their allocated maintenances and 14% on their monthly recurring budgets, effective from August 2024 onwards. According to the statement, “the cut originates from [AVFO] FAMC’s direction for higher effectiveness and efficiency; SAIER was requested to work out the distribution”.

On 2nd August 2024, parents of Future School children were called to a meeting about the school’s financial future. The staff shared that the school’s budget cuts were the equivalent of a 1.5 lakh a month shortfall and they were being forced to consider other avenues of funding and requested parents make monthly donations if feasible.

## **AFSANAH GUEST HOUSE**

The three Aurovilians who have been running Afsanah Guest House since 2022 (Auradha, Rosy and Enrica) have released a [public statement](#) regarding recent events. Despite having successfully managed the guest house for over 2 years and having overseen an increase in income from 54 lakh to 143 lakh, as well as undertaking major refurbishments, increasing staff benefits and successfully repaying long-standing loans, the AVFO ‘FAMC’ has not responded to the team’s repeated requests to become full executives of the guest house and the situation has been left in limbo since Auradha’s tenure as interim executive expired in July 2023.

Several attempts have been made to forcibly take over the guest house, such as: “in early 2023 Madhi (AvFO) [security] called to inform Auradha that she had been dismissed and demanded that she ‘hand over the keys to the property’, or in mid-2023 when the GH email account was blocked by the FO”. Recently the Guest House trustees have been withholding funds amounting to 8 lakhs which the team believe is a “direct result” of their recent interactions with the Guest House Trustees.

On 22nd August 2024, the team heard rumours that the AVFO ‘FAMC’ together with the Guest House trustees had “appointed 3 new executives for Afsanah Guest House, Riju, Arumugam and Shakti”. Neither these individuals, nor the AVFO ‘working groups’ have communicated their decisions with the Afsanah guest house team. In line with their previous experiences, attempts to get information from the AVFO ‘FAMC’ failed, as all of the members they spoke to claimed that they had no involvement with the decision.

## UPDATE ON LAND EXCHANGES

### AuroOrchard update

On 18th August, T. Kannan, the new owner of portions of AuroOrchard land, started bulldozing trees alongside the road to build a 1.2-meter wide and 3-meter tall wall. According to a [document](#) compiled by an Auroville resident on 24th August, 10 mature trees have already been felled, and another 40 to 50 mature trees (25 to 50 years old) are at an immediate risk of being bulldozed. Additionally, 80 to 100 palmyra trees are located on this roadside land parcel, which T. Kannan has committed not to cut since they are protected in the state of Tamil Nadu.

### Felicity update

It was reported that on 5th July, “the main access to Felicity community was fenced off by the new landowners, leaving Felicity residents without access”. This situation now appears to have changed, as residents of Felicity shared on 31st July that “the access is restored through an alternate route”. They also shared that, according to a member of the AVFO ‘WC’, the Felicity land on which there is a lot of essential infrastructure “has been successfully re-registered”. However, they added: “We haven't yet seen a paper document.”

## STATE POLITICIANS CRITICISE AVFO IN SUPPORT OF AUROVILLE

In recent months, several Tamil Nadu politicians expressed concerns with the current management of Auroville.

On 3rd April 2024, Shri M. Chakrapani, member of Tamil Nadu Legislative Assembly of the neighbouring constituency of Vanur, [visited the AVFO](#) and spoke on behalf of the 100 villages he represents. In a [letter](#) addressed to the AVFO Secretary (see English translation [here](#)), he highlighted issues such as unfair treatment of Tamil workers and residents, possible corruption in land deals, and harassment of those who disagree with recent decisions. In particular, he condemned the replacement of local Tamil Aurovilians in working groups, the dismissal of local Tamil workers without sufficient compensation, and delayed visa renewals for those opposed to the current management of Auroville. He cautioned that failure to address these problems could result in a loss of local support and escalating protests against the current administration. This event was featured in [local newspapers](#).

In the following days, the state's Chief Minister M. K. Stalin suggested, in a [speech](#) during his visit to Pondicherry, that Auroville is being influenced by outside groups and called for an alignment with the founders' vision.

On 9th July, Tr Gayathri Srikanth, Puducherry's DMK Women Wing's State Convenor, put out a [tweet](#) expressing concern regarding the dismissal of 100+ Dalit workers from neighbouring villages by Auroville's current administration without due notice or paid gratuity. This was in response to news of a delegation of Tamil Nadu's BJP unit approaching the National Commission for Scheduled Castes and the National Human Rights Commission.

## 'WILDLIFE ART GALLERY' IN BHARAT NIVAS

At the beginning of 2024, the AVFO inaugurated a new 'Wildlife Art Gallery' in the Bharat Nivas compound. This 'gallery' features a display of cement and resin replicas of animals not belonging to Auroville's natural habitat on display in an artificially constructed environment, and charges Rs. 30 for entry. This is in stark contrast with the ongoing tree cutting and destruction of the ecosystem in Auroville. This new 'gallery' was featured on Youtube [by a Wildlife channel](#) and [by AVFO's 'Media Interface'](#).

## GB MEETINGS

On 26th March, the RA WCom shared its [observations](#) on the 66th GB [meeting minutes](#), held on 13th February 2024. The 66th Governing Board meeting minutes reveal several decisions without proper consultation of the Residents' Assembly. These include the approval of new regulations and standing orders that directly impact residents, such as the Auroville Foundation (Residence Criteria) Standing Order, 2024, which is based on the Admission and Termination Regulations, 2023, that have been challenged in court. The Board also green-lit major infrastructure projects, for example allopathic and Ayurvedic hospitals, educational institutions aligned with Vedic studies, and significant land exchanges without informing or seeking input from the community. Additionally, the minutes show that the Board endorsed the appointment of new executives and consultants for various Auroville services, bypassing existing Aurovilian experts, and approved agreements such as Memorandums of Understanding (MOUs) - formal agreements outlining terms of cooperation - with external organizations, for example IIT Madras and the Department of Art & Culture of the Government of Puducherry, without transparency or community involvement.

On 31st May, the GB held its 67th meeting (as showcased in this [short video](#)), however the agenda and meeting minutes of that meeting have still not been released. The GB's 68th meeting is likely planned for 29th August, but there hasn't been any public announcement on the matter.

## NEW ONLINE AUROVILLE DIRECTORY

Towards the end of April 2024, Talam handed over several Auroville websites to the Auroville Foundation, including its online directory. In the following days, the directory - as well as several other websites - stopped working. On 21st May, the RA WCom published a [massbulletin](#) announcing the creation of a new online directory, accessible at <https://directory.auroville.services>, which functions with the @auroville.community login (for more information on the @auroville.community login, check [this page](#)). The RA WCom added: *"We are aware that much contact information in the Directory is outdated, but we still felt an urgency to share it with the community as soon as possible since many residents have been impacted by the closing of the Auroville directory. Mechanisms for correcting the outdated information will be developed in the coming months and the community will be updated in due time."*

On 13th June, the AVFO 'WC' published a [massbulletin](#) stating that the AVFO had "not closed the Auroville online directory" and there simply was a "technical issue". They added that the administration of @auroville.org.in was not unknown, and the @auroville.community domain was "unauthorized". The RA WCom responded with a [massbulletin](#) on 12th July, stating that "the management of the domain @auroville.org.in and the associated workspace is indeed opaque and secretive. The difficulty in extracting information about the management of the @auroville.org.in administration has been immense", they wrote, explaining the many legal steps that were followed through the Indian RTI (Right To Information) system to obtain this basic information.

On 26th July, Giri Thirumal, the new AVFO appointee for 'Auroville Web Services' [announced](#) the relaunch of the old directory, together with the events and bazaar section of Auroville. To access these, one needs to connect on Auroville with an @auroville.org.in email. No comment was however made on the fact that since the takeover of the @auroville.org.in domain in 2022, several residents have lost access to their email and Auroville accounts without any explanation in what appears to be actions of retaliation.

## CREATION OF 'AUROVILLE NETWORK' ON LOOMIO

On 1st August, the Auroville Council [announced](#) “the creation of an '[Auroville Network](#)' on Loomio, an experimental platform for Aurovilians to simplify how we make decisions together and ensure every resident's voice is heard”. This platform, launched in collaboration with the RAS, is open to all confirmed Aurovilians. If you are a confirmed Aurovillian or registered resident of Auroville, and haven't yet registered on the platform, you can either click on the invitation sent to your email address registered with the RAS, or follow the instructions [here](#).

## MISCELLANEOUS NEWS

- **Auroville Radio website offline:** For the past few weeks, the Auroville Radio has stopped publishing new content and [their website](#) appears to be offline. Even the [auroville.org page](#) dedicated to the Auroville Radio leads to a 404 error (page not found). No public announcement has been made regarding the interruption of this service.
- **New members for the RAS:** In a [massbulletin](#) on 29th July, the Auroville Council announced three new members for the RAS: Pala (Invocation), Franclin (Humanscapes) and Vignesh (Humanscapes). The ongoing members of the RAS are Tatiana S. and Peter L. The new members will be on a trial period for three months.
- **'Miracle well' false information relayed by AVFO 'Media Interface':** The Youtube channel “Auroville Official”, managed by AVFO's 'Media Interface', posted a [video](#) on 22nd July claiming the existence of a “miracle well” pointed out by Mother to Gerard from AuroOrchard. Gerard denied this information..
- **Tourist bus stop in Matrimandir:** On 1st June, the Facebook page “I love Pondicherry” [indicated](#) that its “Local Tour Bus” now stops in “Auroville Matir Mandir” [sic]. This reflects an increasing trend for tour buses and tourists to enter Auroville directly as part of their sightseeing route rather than going through the Visitors' Center.
- **Auroville units migrating to a new accounting software:** On 16th April 2024, a [mail](#) was sent by the trustees of the Kattida Kalai Trust (KKT) to all unit executives and activity managers under KKT, announcing the migration of the entire trust's accounting and management under a [Zoho](#)-based system. This appears to be part of an initiative for an "Auroville Integrated Common Accounting System" mentioned in the 57th Governing Board meeting. This sudden implementation appears linked to the appointment of an officer from the Indian Civil Accounts Service, approved in the 65th Governing Board meeting (item 30), to “streamline the Accounts Department” in the AVFO and “establish a robust centralized accounting system”. It is unclear where the funding for these new digital solutions are coming from while Auroville is subject to many budget cuts.
- **Award to Pebble Garden:** In April 2024, Aurovillian Bernard Declerq from Pebble Garden received the Vanagam Award For Lifetime Achievement in honour of his consistent efforts, along with those of his partner Deepika, to reforest the barren land of Auroville's Pebble Garden (see [Voice of Auroville 6](#), page 26). In recent months, Pebble Garden was under the threat of land exchanges.
- **AVFO Secretary attended “Global Spirituality Mahotsav”:** As [reported](#) by the Indian Express, Dr Jayanti Ravi attended a four-day Global Spirituality Mahotsav at Kanha Shanti Vanam near Hyderabad held from 14th to 17th March 2024. This event “hosted 500 of the most prominent heads of spiritual organisations from all faiths and schools of belief from around the world”.
- **Creation of an Auroville Global Fellowship:** On 28th February, Auroville's birthday, the Auroville Global Fellowship was announced via [massbulletin](#) by a group of residents. It is an email forum on which national and international Auroville supporters who have significantly contributed to the world in fields related to the evolutionary ideals of Auroville can be informed about and discuss current developments in Auroville, and can serve as a valuable sounding board.

## RA WCOM REPORT FOR MAY TO JULY 2024

As they informed the community via [massbulletin](#) on 17th August, The RA 'WCom' issued their [latest report](#) covering the months of May-July 2024.

The report highlighted a number of new as well as ongoing issues. Other matters covered included;

- False claims made by the AVFO 'FAMC' member Margherita regarding the instructions given by the CAG (Comptroller and Auditor General of India). The inaccuracy of the claims was brought to light by a Right to Information (RTI) request.
- A [report](#) made by RA WCom resource persons on the 1000-bed Housing Project and HUDCO Loan. The report showed that the statements made in the AVF Finance Committee meeting minutes were "made without proper feasibility studies or consultations with all involved parties."
- The RA WCom have received several concerning reports that the new AVFO appointed security team were unreachable during emergency situations. There has been no announcement from the AVFO or their appointees about how to get in touch with the new team, it is also unclear who the team consists of.

## VOICES AND NOTES

### "ALIGNING" WITH THE OLD WORLD

In the last months or so, we have seen some mails, some reports or announcements that really sound like the death toll of a certain Auroville -- an Auroville when people choose their activity as a tool for growing, as an instrument for learning and developing in a way that they believe will be conducive to their inner and outer progress, and useful to the community. And as something they love to do.

It is why diplomas, much less official diplomas, or even traditional training in some skills, had never been required nor demanded by the Mother. If someone had just started learning French, she was advising that person to start teaching French! As Sri Aurobindo reminded us, "*When knowledge is fresh in us, then it is invincible.*"

Nowadays we receive mails from an administration which not only, as everyone knows, is starkly incompetent, but has no clue on what Auroville is about, on what Auroville education should be, and what the Mother said about it. They send us mails filled with bureaucratic jargon but written in the style of a six-year-old retarded child, demanding to be provided (before the next day) with the qualifications of Aurovilians working in a certain unit. They don't know what that unit is doing, they have no idea about the real scope of its activity, they would be unable to say whether these people are making biscuits or composing music, nevertheless they want the "qualifications" and - to be sure that idiot people understand their point - they add within brackets: *it means graduation certificates & CVs.*

Of course one can ignore those mails; of course most people do ignore them and sometimes don't even bother to read them. Yet, all this marks the beginning of a trend which is extremely dangerous.

Soon they will ask people wanting to join Auroville to show their certificates and they will refuse those who have no sufficient "qualification".

Tomorrow, they will question the teachers, even those who have been teaching here for 30 years, and ask them for their certificate, and if they can't produce it, then they will be "disqualified" and probably their maintenances will be cut. Later on, of course, "foreign" certificates will appear suspicious, so they will demand only recognized and stamped Indian certificates. Finally the next stage, the last nail in the coffin of Auroville will be when, in order to satisfy the administration, some Aurovilians produce fake certificates.

Same for units. As everybody knows, except the employees of this dumb administration, most of our most successful handicraft units have been developed by people who, prior to coming to Auroville, had not the least idea about the skills or the art they have made to blossom in their unit. It is their love and enthusiasm that led them to their mastery in their domain.

I am wrong to say that most people ignore requests for "qualifications". There is a sizable portion of the population of Auroville that welcomes it. They think that this is the best way to go about; it would introduce more competence, more professionalism, and would eliminate quite a number of useless people, especially foreigners. Thus Auroville would be perfectly "aligned" (this is a word they love!) with the requirements of the government.

The day this happens, I don't know if there will be still something that could be called Auroville.

# POWER POINT PRESENTATION ON AUROVILLE BY SATPREM

Dear Friends,

I prepared a presentation Power Point (PPT) on Auroville, which informs people on what Auroville is, **what we have done in 56 years** and at the end, the crisis that **we have been through for the last 3 years**.

The first version of this presentation was showed to UNESCO representation in Morocco in May and many friends there. The second version was showed at Compiègne during the AVI meeting in June. The latest version was showed on 10th August at an event near Toulouse in France of natural builders and social activists, where about 50 people attended it and received it very well. I already shared this presentation to about a dozen people, who want to show it to others.

This presentation needs about 1.5 hours. At the event near Toulouse, it was nearly 2 hours with a lot of interaction during the presentation and at the end. I will go on showing this presentation wherever I can.

I created this PPT, with the Power Point package so that everyone could download it on his/her computer and play the PPT, with the videos and the particular font that I use.

Some slides have quite a few notes, so that those presenting will have a better idea of what to say and add when they present. Please read them before showing this presentation.

Please feel free to show this PPT to anyone and share the link of the ZIP folder and the various instructions in this folder with anyone who would like to show this presentation. Feel free also to edit it, develop it or remove/ add things. But remember to always keep the PPT in the package folder.

Here is the link to download the Zip file of this presentation on Auroville in English:

And in French:

## PERSONAL NOTES ON SRI AUROBINDO'S POEM RECITING

Dear Community,

I send underneath my humble response to the program of Sri Aurobindo's Poem reciting held on the 20th August, 2024 at Savitri Bhavan.

With regards,

Gijubhai Dave (Read the notes [HERE](#))

## SRI AUROBINDO COMPASSION PORTULACA GRANDIFLORA

I always saw him with a perfectly peaceful and smiling face, and above all, the dominant expression was compassion. That was what predominated in his appearance. An expression of compassion so ... so peaceful, so tranquil, oh, magnificent.

*The Mother, Agenda 1965*

Q: Why is the flower symbolising your compassion so delicate and why does it wither away so soon?

A: No, the compassion does not wither with its symbol - flowers are the moment's representations of things that are in themselves eternal.

*Sri Aurobindo, 9-8-1936, SABCL 26, On Himself*

Sri Aurobindo's compassion is always there to help you, but some effort is needed from your side also.

*The Mother, CWM, 15*

There are some rare individuals, born without a psychic being who are wicked; but they are very rare. For everyone there is always hope; even those who imagine that they are very strong in being wicked, even for them, there is a hope; it can awaken suddenly. But that's not what people think. What people think is, it's when you have no sentimental weakness and vital emotion that people tell you, "You have a dried-up heart." But that's their opinion, it's not a truth. A dried-up heart would be someone incapable of having any compassion; it is very rare. Even in people who had the reputation of being the most wicked there was always a small corner of their being open to compassion. At times it was ridiculously small, but it was there.

*The Mother, CWM, 27 July 1955*

With weakness and selfishness, however spiritual in their guise or trend, he [a sadhak of Integral Yoga] can have no dealings; a divine strength and courage and a divine compassion and helpfulness are the very stuff of that which he would be, they are that very nature of the Divine which he would take upon himself as a robe of spiritual light and beauty.

*Sri Aurobindo, SABCL, The Synthesis of Yoga*

The truth of Sri Aurobindo is a truth of love and light and mercy. He is good and great and compassionate and Divine. And it is He who will have the final victory.

*The Mother, CWM, 15*

Dear Art Lovers,

We are happy to share the program of the **2024/25 exhibition season of Centre d'Art, Citadines**.

10 artists will show their work until next March 2025. The gallery will be filled with paintings, sculptures, installations, photographs, workshops, and more. Please come, and enjoy!

- **23 Aug - 7 Sep 2024: SRIDAR K**

**Sridar K.** 's universe is one of textures, layers of paint inspired by his childhood memories, when he would travel along with his father who worked as a temple painter. These experiences directly inspired the abstract canvases he will be showcasing.

- **20 Sep - 9 Oct 2024: DEEPTI MUNOT and AARTI MANIK**

**Deepti Munot** 's painting is a visual narration inspired by butterflies, exploring transparency and the layers of nature. Her artwork, a subtle collage of soft colours and shapes, will bring an enchanting atmosphere to the space.

**Aarti Manik** is a ceramist from the Golden Bridge Pottery in Pondicherry, her artistic creation is a rough and poetic journey into matter. Her abstract objects will take over the gallery to create a delicate walk through duality.

- **18 Oct - 6 Nov 2024: SUNIL SREE**

**Sunil Sree** invites the viewer to a reflection on human nature through diversion of everyday objects, immersive installations, painting and printmaking. His work, deeply embedded in metaphors, is a critique of the modern world and its excess.

- **15 Nov - 4 Dec 2024: PUJA and VASANDAN**

Inspired by visionary art, **Pujasree Burman** 's vibrant and colourful paintings will take the spectators through her magical universe and embark them on her recent journey to Peru where this practice is deeply rooted.

Through his paintings and drawings **V. Vasandan** explores the relationship between art, meditation and nature. With his fine black lines, he creates large visionary images made up of a multitude of interlocking details, shadows and textures.

- **13 - 28 Dec 2024: MARCO SAROLDI**

**Marco Saroldi** 's series of photographs is dedicated to the passage of time, illustrated by self-portraits taken from 1987 to 2024. With a touch of humor, these greetings cards reflect personal stories intertwined with current events.

- **10 Jan - 29 Jan 2025: AURODEVA**

**Aurodeva**'s collective project **BHUMI LUCIS** - land of light, is an Ode to the miracle that is the City of Dawn. Using the earth of Auroville as medium, his vision will materialise as a series of participatory art pieces.

• **7 - 26 Feb 2025: MARIO D'SOUZA**

With his iconic playfulness and vibrant use of colours, **Mario d'Souza** aims at creating a sur mesure decor transforming traditional Indian patterns and everyday objects into a graphic pop installation.

• **7 - 26 Mar 2025: PHILIPP KLINNERT**

This season's resident artist **Philipp Klinnert** is a young activist illustrator from Germany. His creative work within our community during his 2 months stay will be featured in an exclusive exhibition.

## POETRY 2

### Participants of Divinity

This morning a hare in stillness watches me.  
Long he looks on this humanity  
Then moves about in the garden of my dreams  
And for a moment this blinding darkness seems

To be filled with light & harmony,  
Not the avaricious evil that we see  
Attempting to obliterate the light  
But viewed within from a supernal height

We feel the Unity in all life here  
And lose the choking nexus of our fear,  
For all is He and all the world is She  
Participants of divinity are we.

- Narad

## FOOD FOR THOUGHT

### The Paradox of Tolerance

This is ascribed to the philosopher Karl Popper in the 1940s.

If a society's practice of tolerance is inclusive of the intolerant, intolerance will ultimately dominate, eliminating the tolerant and the practice of tolerance with them.

In other words, if everyone is tolerant of every idea, then intolerant ideas will emerge. Tolerant people will tolerate this intolerance, & the intolerant people will *not* tolerate the tolerant people. Eventually, the intolerant people will take over and create a society of intolerance.

Therefore, Karl Popper said that to maintain a society of tolerance, the tolerant must be intolerant of intolerance... hence the paradox.

### REGULAR CLASSES:

#### Hatha Yoga with Ramesh

- **Monday and Wednesday from 6 - 7pm and Friday 6:30 - 7:30pm, drop in class.**

Ramesh offers hatha yoga classes with some vinyasa flow and include pranayama, traditional sanskrit mantra chanting, and meditation. The style is gentle, adaptive and progressive where passive, gravity-assisted poses are mingled with dynamic vinyasa-style flow as needed. He places a lot of focus on breathing and body-mindfulness during the practice. It is ideal for beginners to intermediate-level practitioners. You will be exposed to authentic Sanskrit terms and their correct pronunciation. The practice will be rejuvenative and restorative. These specific classes will be on donation basis even for guests.

#### Qi Gong with Lhamo

- **Every Monday - Wednesday and Friday 7 - 8:15am**

Qigong can be described as a mind-body-spirit practice that improves one's mental and physical health by integrating posture, movement, breathing technique, self-massage, sound, and focused intent. Specifically, this form of gentle exercise is composed of movements that are repeated a number of times, often stretching the body, and building awareness of how the body moves through space. There are likely thousands of qi gong styles, schools, traditions, forms, and lineages, each with practical applications and different theories about Qi ("subtle breath" or "vital energy") and Gong ("skill cultivated through steady practice"). As Lhamo has a very extensive knowledge of many of them, she will explore different styles according to the students.

#### Traditional Sanskrit Mantras with Sonia

- **Friday from 5 - 6pm (Regular Students only).**

In the recitation of Sanskrit Mantras the sound is very important and the specific pitches and strict rules of intonation and syllabic length should be learned according with the tradition of the great masters of the past, who figured out how to use the voice to calm the mind and attune the practitioner to the more subtle levels of the "sadhana" or spiritual path. Through the harmonic rhythm, repetition and participation in the singing, the mind reaches more clarity, concentration and tranquility.

### THERAPIES:

#### Cheek Acupuncture with Lhamo

- **On appointment only (+91 84380 53127)**

Cheek acupuncture works on the principle that in the face there is a holographic miniaturization system covering the whole human body. Very small needles are used solely on the face of the patient, which is a mirror of the whole being. It uses a very interesting and immediate way to assess the changes in the body.

#### Gua Sha (Chinese Detox Scrub) with Lhamo

- **On appointment only (+91 84380 53127)**

This is one of China's oldest treatments. The practitioner uses a tool like a flat piece of jade to scrub the skin to help release blocks, stagnant blood, energy and restore a natural flow. When the toxins in the deep layers of the body reach the surface through scraping, they get more easily released from the body. This treatment is also suitable for healthy people to detoxify, to purify and improve the metabolism of the whole body.

#### GModern Trance Healing - Hypnotherapy with Lhamo

- **On appointment only (+91 84380 53127)**

In modern hypnosis, the emphasis is put on our own relationship to our own creative unconscious. There are many different aspects and parts in our outer and inner life. And there are parts that don't have a positive appearance. In Modern Trance Healing, we can turn them into positive possibilities and let them teach us how to discover their positive meaning.

## THEATRE OF THE OPPRESSED - WORKSHOP

FRIDAY 30TH AUGUST - SUNDAY 1ST SEPTEMBER

The Theatre of the Oppressed (TO) describes theatrical forms that the Brazilian [theatre practitioner Augusto Boal](#) first elaborated in the 1970s, initially in Brazil and later in Europe. In the Theatre of the Oppressed, the audience becomes active, such that as "spect-actors" they explore, show, analyse and transform the reality in which they are living.

**YouthLink** in collaboration with facilitators from "**zero to one**" organisation will offer for the first time in Auroville as a three-day intensive course. "*Zero to one*" is a consultancy company based in Trivandrum, Kerala which dedicates their revenue for NGO work, largely in experimenting and researching into social and emotional learning.

This course will offer participants the opportunity to be able to open their perspectives and observations to different kinds of oppression, how it impacts individuals, and to get an embodied sense of how it feels.

It will also provide tools to recognise oppression and to be able to deal with them in the future and give the possibility to heal from previous oppression related traumas.

This program can only accommodate a limited number of participants (**max 30**) due to its nature. Please make sure you can participate over the 3 days before signing up.

Date: **Friday 30th August until Sunday 1st September.**

Location: **CRIPA.**

A vibrant poster for the 'Theatre of the Oppressed' workshop. The background is a collage of colorful paint splatters in shades of blue, green, yellow, and red. In the center, a white hand is reaching upwards. The text 'THEATRE OF THE OPPRESSED' is written in a stylized, hand-painted font. Logos for 'ZERO TO ONE LEARNCAFE' and 'YouthLink' are visible. A QR code is located in the bottom right corner, with the text 'Register here!' below it. At the bottom, the text reads '@ Cripa hall', '3 days intensive Theatre workshop', and '30th Aug - 1st Sept'. A small note at the very bottom says 'Register through QR or visit www.youthlink.org.in for more info!'

Watsu is an aquatic bodywork modality given in a warm water pool (ideally 35°C). This basic introduces the qualities and body mechanics required to work with someone in water in order to create a profound state of both physical and mental relaxation.

The flowing interaction with water, its fluid support and warm embrace, and the practitioner's presence provide a space for the client to experience the multi-layered benefits of this powerful and softening bodywork. Watsu offers an opportunity for profound relaxation and letting go, for building trust, for being nurtured and held, for expanding inner and outer boundaries, for releasing emotions and traumas – ultimately, for freeing body and mind in a flow unique to each client and to each session.

In this course, you will practice basic techniques and qualities (grounding, presence, stillness, movement, attention) of being and moving another body in water. You will experience floating other people and being floated on the surface, thereby creating space for deep relaxation and nurturing body, mind and spirit.

**Prerequisites:** no previous experience required (also no need to know how to swim!).

### **WaterDance Fundamental with Roberto :** **3rd - 8th September (8:45am - 6:30pm: 50 hours)**

In this basic course, we'll focus on three fundamental aspects of WaterDance, a unique aquatic therapy: vertical grounding, posture of both giver and receiver, and the breath.

The key movement is Water Breath Dance, in which you will float

someone in your arms allowing them to gently sink as they exhale and rising with them as you both inhale. This creates a profound connection that carries through all other surface and underwater movements. Throughout the course, you'll also learn in a playful and yet attentive way how to bring your partner under water (with a nose clip). Sufficient time will be given for integrating fears or apprehensions to go under water.

In addition, you will learn and practice the basic WaterDance sequence, which forms the essential core of this powerful aquatic bodywork modality. On land, various tools such as guided meditations, body & energy work, active breathing exercises, and practising effective communication skills will offer opportunities for connecting deeper with yourself and with others.

**Prerequisites:** no previous experience required (also no need to know how to swim!).

### **Baby Watsu® Class with Appie & Friederike** **Monday 9th & 23rd September (9:30 - 11:00am)**

A special opportunity to connect with your baby! You'll be guided how to hold, feel and move your baby, using the qualities of warm water, so that you and your baby can feel safe, at ease, and enjoy this quality time together.

You'll learn and practice the basics in

the group, while you stay focused on your baby's needs in the moment. In the end, there is free playtime.

Please bring towels and a closing swimming pant for your baby. For babies between **2 and 12 months** with their parents.

### **WOGA® (Yoga in Water) Class with Friederike & Tamara**

**Friday 13th & Monday 30th September (4:30 - 6.00pm)**

WOGA is based on classic yoga poses and stretches, modified for standing in pool water, which is waist-to-chest high. Classes are structured like their yoga equivalent on land: breathing, warm-up exercises, a series of poses, and a relaxation period.

The substantial decrease of gravity in warm water allows greater ease of movement, unblocks articulations, lengthens & melts muscles, and removes negative tensions, thereby preventing stress, insomnia and anxiety.

**Prerequisites:** no previous experience required (also no need to know how to swim!).

### **Watsu® Yoga Round with Ellie & Roberto or Fred**

**Saturday 14th & Sunday 29th September (3:00 - 6.30pm)**

Watsu Yoga Round is a powerful tool for deep relaxation and inner peace. It focuses on listening to the body and offers a way to come back to your heart, to an inner silence that is fully alive and vibrant. It is an invitation to feel, awaken and celebrate the energy of your being.

While immersed in warm water during the Watsu Yoga Round, your body does not suffer from the effects of gravity; the flow of movements and stretching, alternated with moments of stillness, invite a progressive feeling of well-being: body and mind become free to dance!

**Prerequisites:** no previous experience required (also no need to know how to swim!).

### **Watsu® & OBA Basic with Fred**

**Tuesday 17th - Sunday 22nd September (1:00 - 6:30pm : 31 hours)**

Watsu and OBA (Oceanic Bodywork Aqua) are bodywork and therapy modalities given in a warm water pool. In this course, you'll learn Watsu's basic sequence and techniques to work with someone on the surface. During the OBA Basic, you'll get acquainted with bringing your receiver under water (with a nose clip), thereby offering a unique experience.

In this beginner's course, you'll practise basic techniques and qualities such as grounding, presence, stillness, movement, and attention while moving another person in water. You'll experience floating others and being floated, both on the surface and under water, thereby creating space for deep relaxation and nurturing body, mind and spirit.

This course offers an opportunity for profound relaxation and letting go, for building trust, for being nurtured and held, for expanding inner and outer boundaries, for releasing emotions and traumas – ultimately, for freeing body and mind.

**Prerequisites:** no previous experience required (also no need to know how to swim!).

## Watsu® 1 TF (Transition Flow) Basic with Darya 24th - 28th September (8:45am - 6:00pm: 34 hours)

In this follow-up course, you will be taught to connect the movements and positions you've learned in Watsu Basic with long, gracefully flowing transitions and to adapt your work to people of different sizes, shapes, and dispositions. You will also learn about your own body mechanics and how to support and move each person as effortlessly as possible.

On land, you will be introduced to both Co-Centering and Tantsu, and explore what being held means to you and others. By attending this course, you'll have completed the first level of Watsu's 3-tier training program.

**Prerequisites:** Watsu Basic
