PONDERING

A Declaration

Sri Aurobindo withdrew from politics; and, in his Ashram, a most important rule is that one must abstain from all politics—not because Sri Aurobindo did not concern himself with the happenings of the world, but because politics, as it is practised, is a low and ugly thing, wholly dominated by falsehood, deceit, injustice, misuse of power and violence; because to succeed in politics one has to cultivate in oneself hypocrisy, duplicity and unscrupulous ambition.

The indispensable basis of our Yoga is sincerity, honesty, unselfishness, disinterested consecration to the work to be done, nobility of character and straightforwardness. They who do not practise these elementary virtues are not Sri Aurobindo's disciples and have no place in the Ashram. That is why I refuse to answer imbecile and groundless accusations against the Ashram emanating from perverse and evil-intentioned minds.

Sri Aurobindo always loved deeply his Motherland. But he wished her to be great, noble, pure and worthy of her big mission in the world. He refused to let her sink to the sordid and vulgar level of blind self-interests and ignorant prejudices. This is why, in full conformity to his will, we lift high the standard of truth, progress and transformation of mankind, without caring for those who, through ignorance, stupidity, envy or bad will, seek to soil it and drag it down into the mud. We carry it very high so that all who have a soul may see it and gather round it.

But Savitri answered to the radiant God:
"In vain thou temptst with solitary bliss
Two spirits saved out of a suffering world;
My soul and his indissolubly linked
In the one task for which our lives were born,
To raise the world to God in deathless Light,
To bring God down to the world on earth we came,
To change the earthly life to life divine.

I keep my will to save the world and man;
Even the charm of thy alluring voice,
O blissful Godhead, cannot seize and snare.

I sacrifice not earth to happier worlds.

Because there dwelt the Eternal's vast Idea
And his dynamic will in men and things,
So only could the enormous scene begin.

Whence came this profitless wilderness of stars,
This mighty barren wheeling of the suns?

Who made the soul of futile life in Time,
Planted a purpose and a hope in the heart,
Set Nature to a huge and meaningless task
Or planned her million-aeoned effort's waste?

What force condemned to birth and death and tears
These conscious creatures crawling on the globe?

If earth can look up to the light of heaven
And hear an answer to her lonely cry,
Not vain their meeting, nor heaven's touch a snare.

If thou and I are true, the world is true;
Although thou hide thyself behind thy works,
To be is not a senseless paradox;
Since God has made earth, earth must make in her God;
What hides within her breast she must reveal.

I claim thee for the world that thou hast made.

If man lives bound by his humanity,
If he is tied for ever to his pain,
Let a greater being then arise from man,
The superhuman with the Eternal mate
And the Immortal shine through earthly forms.

Else were creation vain and this great world
A nothing that in Time's moments seems to be.

But I have seen through the insentient mask;
I have felt a secret spirit stir in things
Carrying the body of the growing God:
It looks through veiling forms at veiless truth;
It pushes back the curtain of the gods;
It climbs towards its own eternity."

But the god answered to the woman's heart:
"O living power of the incarnate Word,
All that the Spirit has dreamed thou canst create:
Thou art the force by which I made the worlds,
Thou art my vision and my will and voice.

But knowledge too is thine, the world-plan thou knowest
And the tardy process of the pace of Time.

In the impetuous drive of thy heart of flame,
In thy passion to deliver man and earth,
Indignant at the impediments of Time
And the slow evolution's sluggard steps,
Lead not the spirit in an ignorant world

To dare too soon the adventure of the Light,
Pushing the bound and slumbering god in man
Awakened mid the ineffable silences
Into endless vistas of the unknown and unseen,
Across the last confines of the limiting Mind
And the Superconscient's perilous border line
Into the danger of the Infinite.

But if thou wilt not wait for Time and God,
Do then thy work and force thy will on Fate.

As I have taken from thee my load of night
And taken from thee my twilight's doubts and dreams,
So now I take my light of utter Day.

These are my symbol kingdoms but not here
Can the great choice be made that fixes fate
Or uttered the sanction of the Voice supreme.

Arise upon a ladder of greater worlds
To the infinity where no world can be.

But not in the wide air where a greater Life
Uplifts its mystery and its miracle,
And not on the luminous peaks of summit Mind,
Or in the hold where subtle Matter's spirit
Hides in its light of shimmering secrecies,
Can there be heard the Eternal's firm command
That joins the head of destiny to its base.

These only are the mediating links;
Not theirs is the originating sight
Nor the fulfilling act or last support
That bears perpetually the cosmic pile.

Two are the Powers that hold the ends of Time;
Spirit foresees, Matter unfolds its thought,
The dumb executor of God's decrees,
Omitting no iota and no dot,
Agent unquestioning, inconscient, stark,
Evolving inevitably a charged content,
Intention of his force in Time and Space,
In animate beings and inanimate things;
Immutably it fulfils its ordered task,
It cancels not a tittle of things done;
Unswerving from the oracular command
It alters not the steps of the Unseen.

If thou must indeed deliver man and earth
On the spiritual heights look down on life,
Discover the truth of God and man and world;
Then do thy task knowing and seeing all.

Ascend, O soul, into thy timeless self;
Choose destiny's curve and stamp thy will on Time."

He ended and upon the falling sound
A power went forth that shook the founded spheres
And loosed the stakes that hold the tents of form.

ROAD SAFETY

Dear Community,

We would like to inform you that after the road accident that took place on Sunday on the tar road at the Ami/Abri corner, in which a young volunteer tragically lost her life, we are approaching the relevant authorities to urge them to put in place safety measures at that dangerous curve.

Additionally, we are asking them to ensure that the speed breakers that have recently been re-installed on that road are adequately marked as we are aware that there have been several accidents resulting in serious injuries due to those unmarked speed breakers.

In the meantime, we urge everyone to drive extra carefully.

Our deepest condolences go out to the family and friends who lost their loved one yesterday.

VAISHALI PASSES AWAY

Vaishali Jain, a radiant 27 year old young woman, known to her close friends as Vishu, tragically left her body on Sunday 1st of September at 12:12 due to a traffic accident.

Originally from Delhi, she made Auroville her new home in 2021. She immersed herself in the life and culture of Auroville, being active and volunteering for several activities and communities of Auroville, such as the Youth Centre, Revelation Forest, Kalabhumi, Upcycling, and numerous art festivals and events. She was a beloved member of our community touching many lives with her bright smile.

Being an Artist herself, Vaishali was also known amongst the artists of Auroville for her generous and open heart. She was passionate about the Arts and organized spaces where Artists could co-create and collaborate. She will be remembered by our community as a free-spirited, fun-loving, and kind soul who held space for the sharing of Art in and around Auroville.

She is fondly remembered and lives on in the hearts of her family and those fortunate enough to have called her a friend.

My dear Vaishali,

THIS FRIDAY, 5PM-9PM, YOUTH CENTER

I don't even know how to begin. It feels like a bad dream and I am hoping to wake up and find you living and loving life as you do so well. You embrace every experience with immense gratitude and joy.

Your ability and capacity to welcome everyone with all your heart and soul always amazed me. Unconditional love came so easy to you and with no expectations in return.

You have become so dear to me in such a short time of us living together that I knew we would always have a bond unbreakable by any force, be it by man or by divine law.

I grieve and I mourn because I know you were looking forward to many beautiful experiences and I had dreamed and hoped to share some of those moments with you.

I remember this phrase from Khalil Gibran's book and it is with a heavy heart that I now truly understand its significance:

"When you part from your friend, you grieve not; For that which you love most in her may be clearer in her absence, as the mountain to the climber is clearer from the plain."

You have enriched my life with so much love, joy and laughter. I will always love you and I will always miss you Vaishali.

With all my love, Phibamanbha.

NOTICE OF AURIENNE FATOR'S PASSING

It is with heavy hearts that we share the sad news of the passing of our dear friend, sister of Auroville, Aurienne Fator on the 1st of September 2024 due to complications of strokes in the US where she was living for many years. Her sister Durgaura and son Kanyen were there for her.

*You are in our hearts and memories forever,
Aurienne! Farewell!*

Aurienne was born in Auroville on Dec 29, 1971 and given her name by The Mother. She lived with her family: mother Myrtle, father Kenneth and sister Durgaura in Certitude. Myrtle and Kenneth moved to India and the Ashram in 1965 and were pioneers of Auroville, Kenneth riding his bicycle from Pondy to Auroville daily to work on the Matrimandir excavation prior to moving to Certitude.

Aurienne was very dedicated to education, her own and that of the youth of AV and began to volunteer in the kindergarten at the age of 15. She began her own home studies at this same time to complete her high school education with goals of attending university in the USA.

Aurienne as the teacher at the kindergarten 1986. (Photo credit Auroville beginnings to '68 FB page).

Aurienne and Durgaura at the Certitude sports ground. Aurienne loved sports. (Photo credit Aurienne's FB page).

Aurienne left Auroville in 1988 at the age sixteen to pursue her studies. She obtained her bachelor's degree in English at the young age of 19 and planning to double major in mathematics! Her dream was to return to Auroville to live, but life circumstances came in the way. Her mother had since returned to the USA and Aurienne remained in the US to take care of her mother who had cancer and later passed away. In 1998 Aurienne began a new chapter: being a mother. Her son Kanyen was born in 1998 and is the love and pride of her life. Kanyen has grown up to prove to be as smart, gentle, generous and is as kind as his mother. Selflessly nursing her and her partner Shane over the last several years as they faced health challenges.

Aurienne lived her life with the true resilience of a child of Auroville. Regardless of the challenges she faced eg. housing, work or financial, she was a fighter and found solutions and continued to create a happy and loving home for her son. Fifteen years ago, she met Shane, the second love of her life and together they raised Kanyen. They loved to read, write fantasy novels, play board games, go camping and generally enjoy the outdoors. Wherever they were together, was a happy and inclusive home. She and Shane were scheduled to be married in October 2023; however, health concerns caused them to delay their marriage. On Feb 11, 2024, Shane unexpectedly passed away.

Aurienne's own health, which had challenged her for a few years took a sharp decline after Shane's passing and she suffered two strokes. Durgaura had joined her in Las Vegas recently to help in any way she could. On September 1, 2024, Aurienne left her body and transitioned to the beyond.

Our world has lost a beautiful soul, one that knew how to find the essence of joy everywhere, who loved unconditionally and offered kindness and generosity in all her interactions. We hold her son Kanyen up as he transitions into his new life without her.

VOICES AND NOTES

HELIOTROPISM

In Latin, sol means sun. Thus, Solar kitchen is sunny kitchen. In Greek, sun is helios. Hence, scientific name of sunflower is helianthus.

For biologists, heliotropism is movement towards sun (positive heliotropism – for example, plants) or away from sun (negative heliotropism – for example, owls, bats, termites).

Usually, termites are active in night time or under cover. But in monsoon it is possible to see flying termites in twilight time.

In August, for five nights the weather in Auroville was stormy and rainy (8-12 August). The night before 13 August there was no rain. There were flying termites in a big mass on this cloudy morning.

Sometimes people name termites “flying ants”. But termites and ants are not relatives, they had convergent evolution.

Termites are more ancient than ants. In ecosystems, termites play a very important role: they transform old organic matter. There are 2000 species of termites in the world; 270 species in India.

COMMUNITY SHARING

RABIES ALERT!

This morning the team of the Auroville Dog Shelter caught a cat that displayed several severe symptoms, among them excessive drooling, highly aggressive behavior, and others indicating that this cat could be infected with rabies. It has two kittens which we are currently searching for. The rabies suspect cat has been quarantined in a cage in front of our shelter due to the lack of a proper quarantine facility.

We ask everyone in the area around Tanto Pizzeria/New Creation who have unvaccinated dogs and cats to do the right thing and get them a FREE VACCINATION.

Contact us so we can come to this area and vaccinate them. For everyone else: **Please come on Friday between 10.30 and 13.30 in front of Solar Kitchen** where our mobile vet clinic will offer free vaccinations and deworming. PLEASE WORK TOGETHER to keep Auroville safe. We have to contain this outbreak!

AUROVILLE DOG SHELTER

MONTHLY TRANSPARENCY REPORT AUGUST 2024

As part of our commitment to transparency, we are happy to present our report for August.

Overview

- New admissions: 24 (274 since April 2023 -10 tiny puppies dumped again!)
- Rabies suspect cases: 3 (2 confirmed)
- Adoptions and Releases: 10
- Vaccinations administered: over 500 until 2.9. and ongoing (Vaccination Campaign Drive)
- ABC shelter dog sterilizations: 12 (98 since February)
- Deworming: hundreds (as part of Vaccination Campaign Drive)

Donations

This month, Rs. 174,866 arrived in our FS account and Rs. 136,700 on our bank account, which includes FAMC Rs. 50,000 and also donations sent by AVI USA (USD 620) covering barely our basic monthly running costs of Rs. 3 lakh. An additional grant of USD 6,000 has been sent to cover the costs of the mass vaccination drive (more details below).

At the beginning of the month, we found ourselves with zero funds and no idea how we would purchase food for our dogs. In desperation, we reached out to the Auroville Visitors Centre for permission to set up a fundraising table, but our request was denied by the Visitors Centre Executives. With no other options, we took to the road near Bharat Nivas, asking visitors and guests for donations. Thankfully, this effort was successful. We are seeking trustworthy volunteers to help us make this direct form of fundraising a regular event. Please contact our shelter if you want to support us!

Expenditures

Animal Food: This month we fed our dogs 1.8 tons of rice, 1.8 tons of chicken, and 820 eggs, supplemented with donated food items like vegetables and daal which cost us approx. 1 lakh.

Staff Costs: Total staff costs for this month for our workers, paid animal care staff, 2 veterinarians, and volunteers was approx. Rs. 1.5 lakh this month. The increase is due to the many extra hours for our vets and vet technician to conduct mass sterilisation.

Medical Costs: This month we were able to buy urgently medicines and spent Rs 51,996, which does not include the vaccinations.

Additional Costs: Due to the onset of an early monsoon we had to urgently fix up some enclosures to make them rain safe which cost us about Rs. 20,000 - As we only have one small freezer which was not enough to store sufficient meat in case some meat shops have no stock, we had to purchase a new freezer for Rs. 30,365. Our old ambulance stopped working and doors had fallen off, which cost us Rs. 15,000 to fix. Our new ambulance, which we had purchased thanks to a grant by the TNAWBI has been outfitted with a cupboard to store medicines, a foldable treatment table and chairs and a big tent to make it fit for street treatments. The outside design will be applied after the vaccination drive as we need the ambulance for it.

Puppies Continue to be Dumped

It's a sad reality that still lots of puppies are getting dumped in front of our already completely overcrowded shelter, some just a few weeks old. We do whatever we can to accept dogs to our maximum capacity but once we are full, we are unable to take in more. We ask dog lovers and Aurovilians to support us by fostering dogs for limited time periods. Please contact the shelter directly, it would save lots of precious lives!

New Temporary Enclosures and Mass Sterilizations

To address the rapidly growing canine population in Auroville and the surrounding areas, we urgently need to launch a mass sterilization program. This is the only effective way to end the suffering and improve the health of the animal population. Our goal is to increase the number of sterilizations from 4 operations per week to 20, ultimately reaching 1,000 dogs per year.

This effort will have a significant impact and help eliminate the suffering of newborn puppies twice a year across the region.

Unfortunately, we receive only a monthly budget of Rs. 50,000 from Auroville, which covers just a fraction of our monthly running costs of Rs. 3 lakh. To support this vital sterilization program, we are applying for a sterilization grant from TNAWBI, which would provide Rs. 370 per dog. However, this amount does not even cover the full cost of the operations, so we rely heavily on donations to make this program a reality.

The guidelines for the sterilization grant are stringent, and our current shelter, which is old and deteriorating, does not meet the required standards due to its missing or collapsing infrastructure. Therefore, it is imperative that we begin construction of the new Auroville Dog Shelter as soon as possible.

Due to a lack of funds to hire extra workers, our dedicated staff has been working tirelessly, on top of their already demanding schedules, to build a new temporary area at the back of the shelter, which we've named "HOPE." We have manually cleared the ground of thick overgrowth, set up pillars around the area, and are hopeful that we can start fencing soon. The next step will be to construct at least 20 to 30 dog houses using wood from trees that were felled when Auroville cut down a significant number of trees for the new VIP road through the shelter.

We urgently appeal to Aurovilians, dog lovers, and AV Units to contribute their time, energy, and materials to help us build these new enclosures. Despite our calls for assistance, not a single Aurovilian has come forward to help us with this essential project. Without these new enclosures, we will not have the space needed to expand our mass sterilization program and will be unable to rescue any more dogs. Please support our shelter by volunteering your time and energy to help build the new area.

Partnership with Dr. Shiranee Pereira of People for Animals Chennai Charitable Trust

At the beginning of this month, our executive and manager had the privilege of visiting Dr. Shiranee Pereira at her shelter near Seethanjeri in northern Tamil Nadu, where she cares for over 1,000 animals, including dogs, cats, donkeys, horses, cows, and even camels. It was an incredible learning experience for us, witnessing the lifelong dedication of Dr. Pereira, one of India's most respected animal caretakers, whose work has had a profound impact across the country. We are honored and deeply grateful to collaborate with her Trust.

Rabies Cases in Auroville and Mass Vaccination Drive

Earlier this month, we captured a dog at Transition School that exhibited symptoms of rabies after biting five people, including two children, as well as several other dogs. Shortly afterward, another dog we rescued from the road in Irumbai, on the way to Auroville, also showed signs of rabies. After both dogs passed away, we asked our partners of the renowned Mettupalyam College (RIVER) with whom we have signed a MoU to conduct post-mortem tests. Brain samples were taken, and a quick test confirmed rabies. These samples have been sent to a lab in Bangalore for further analysis, and we have alerted the Department of Animal Husbandry, TNAWBI, and government officials about the potential risk of a major outbreak in Auroville and surrounding villages.

In response to this urgent situation, we requested an immediate one-time emergency fund of Rs. 70,000 from the Auroville Foundation to purchase rabies vaccines, but we have not even received a reply. However, thanks to the incredible support from AVI USA, who promptly responded to our call for help, we received a grant of USD 6,000. This funding allowed us to purchase all the necessary vaccines and cover the costs of a mass vaccination drive.

We quickly organized a vaccination campaign in Auroville and six surrounding villages, offering free multi-vaccinations that protect dogs against seven viruses, including rabies. We are also providing free rabies boosters for cats. Our goal is to achieve a 70% vaccination rate, as recommended by the WHO, to prevent a major outbreak and establish herd immunity. Concurrently, we are conducting a survey to determine the total canine and feline population in the area, which is essential for securing future sterilization grants.

With the help of veterinary students sent by the Dean of Mettupallayam College (RIVER) we were able to vaccinate over 500 dogs and a few cats in the first few days of our ongoing campaign alone.

Our campaign has garnered significant support from local panchayats, village presidents, residents, and the Department of Animal Husbandry, who monitored our work. Several local TV stations and media outlets have also covered our efforts. We remain committed to ensuring that Auroville, along with its residents, guests, visitors, and children, is protected from dangerous viruses.

New Auroville Dog Shelter

After six months of delays in constructing the new Auroville Dog Shelter, due to complaints from our new neighbors, the refusal of building permission by Sindhuja despite ATDC's support, and the lack of a signed budget request by Auroville officials for the Rs. 2 crores reserved by the governing board, we now have hope. With the recent changes in Auroville's administration, it seems the final obstacles may soon be cleared, allowing us to finally begin building the urgently needed new Auroville Dog Shelter.

With gratitude and in hope for a better future,

Auroville Dog Shelter Team

The Flowers of the Matrimandir

The flowers of the Mandir beckon me
To join with them in honour of the day
When there would come on earth the mystery
Of a superhuman risen from the clay.

I have lived the Ashram life and I have seen
The Mother of all worlds who welcomed me
Knowing who I was and who I'd been
And guiding me to my ultimate destiny.

Now in Auroville I must become
All the possibles She had seen in me
Aware that now I have arrived at home,
This blessed township by the Bengal sea,

To serve in deep surrender all my being
And learn to live within that deeper seeing.

NEWS FROM AUROVILLE LANGUAGE LAB

3rd September 2024

Did you know that the Language Lab is a wireless-free space? Please switch off your mobile (or put it on flight mode – No, silent mode is not enough!). You need to switch off the wireless signal on your mobile and all blue-tooth devices and laptops while in the Lab. Why? Look at <https://ehtrust.org>

Language Classes (see attached schedule for details):

New French classes: Jean-Francois is back and offering 3 different French classes, at different levels, including a new batch for Beginners, as well as Pre-Intermediate and Intermediate Conversation. Classes will start on Monday 09th September, with a minimum of 5 persons. Please register now. Yanis is continuing two French conversation classes, one Beginner level and one Intermediate.

New English classes: Rupam continues the Intermediate English class and is offering several new classes, all with a theatre twist.

1. Creative Writing: develop your creative writing journey by starting to write short stories which can be further developed into short scripts.

2. The English of Shakespeare: Let's read Shakespeare's plays together and enrich your literary journey.

3. Learn English Through Theatre: Looking for people interested in acting in English for an intimate performance in Auroville after 3 months.

Beginner or Advanced level English classes can also be offered mornings, if there is interest.

Private English classes: Vismai is offering individual English lessons at all levels.

Ongoing Classes

- **Tamil:** Ongoing beginner class with Saravanan. Contact us to give your names for the next batch. Murugesan continues Intermediate Spoken Tamil classes and Reading and Writing Tamil on the weekends (Saturdays and Sundays) at the Lab.
- **Spanish:** Mila's Beginner Spanish Class continues. You need to meet her first if you want to join now. She is also available for private lessons.
- **German:** Ben continues the A1/A2 Intermediate level and one Advanced level class.
- **Italian:** Karuna has just started an Advanced Italian class, which is once a week and open to all. It's great when students progress from one level to another! A new Beginner class is open for registration.

New Intensive 10-day Introduction to Hindi and Sanskrit. We are changing the format for Hindi and Sanskrit classes. For each language, Kaushal will offer an intensive format of one-hour everyday, for 10 days, starting Monday 16th September. Please register now.

Didgeridoo: Breath is the basis of everything. Sunny is offering classes with didgeridoos he has made by hand. It is a wonderful means to centre and calm.

Registration is required for all classes: Send an email to info@aurovillelanguagelab.org or call 0413-2623661. WhatsApp: +919843030355.

Louis is updating our schedule on our website weekly now. You can catch it here: [Language Lab Latest Schedule of Classes](#)

Evening Programs: Free and open to all, from 5-6pm everyday. These are not classes, but conversation practice sessions offered by native language speakers. It's a chance to practice what you learn in class or to revive a language you learnt earlier! Sessions can cover whatever you want, or sometimes they have a topic like Auroville, the Charter, the Dream, etc. The schedule: Mondays - French, Tuesdays - Spanish, Wednesdays - Sanskrit Chants, Thursdays - English, Fridays - German/Italian. We are looking for anchors in other languages such as Hindi.

Evening Program special: Happy to welcome Ramesh, who will anchor Sanskrit chanting every Wednesday 5-6pm. We will learn to chant the Lalitasahasranaama (the 1000 names of the Goddess). Part of the Puranas, it is considered a powerful tool for spiritual growth, self-realisation and devotion. Each name reflects the various aspects, qualities and attributes of the Divine Mother, who is the ultimate reality, and the embodiment of love, beauty and power.

Tomatis: Spaces are finally opening up for Aurovilians, Newcomers and Volunteers (adults, teenagers and kids) to do the Tomatis listening training programs. Have a look at [Alfred Tomatis Method - Auroville Language Lab](#) for more info. If you have been waiting a while, or thinking about this for long, now is your chance. Send an email to tomatis@aurovillelanguagelab.org.

While we do offer 3-week wellness programs and shorter language integration and listening training programs, which are open to guests too, to do the whole program, you need a minimum of 4.5 months. Listening Tests and Consultations will be done only for those who are doing a program.

Facts: Did you know that every single muscle of the human body is controlled by the ear, rather, the two ears working together? That "hearing" is different from "listening"? And that listening can be trained, with profound effects on how we learn, and interact with the world? This is what the Alfred Tomatis program does!

Resonance, the book! Check it out at <https://books.aurovillelanguagelab.org>

To enquire or register: send an email to tomatis@aurovillelanguagelab.org or call 0413-2622467 or 3509932.

Film Shows: Two documentary films, one on the Alfred Tomatis method (48 minutes) and one on the special features of the Language Lab building (27 minutes) are available on our new website, and at the Lab. You are welcome to watch them at the Lab. All are welcome.

Volunteers Needed

English teachers: Are you a trained ESL (English as a Second Language) Teacher, or is your mother tongue English, or did you grow up speaking English at home? Can you give 1-1.5 hours, twice a week, for a minimum commitment of 3 months?

Idea organisers/project managers: Do you have both an analytic and a synthetic mind? Is your mind super-organised but you never lose track of the larger picture? Can you mind-map or use Trello? Can you give one hour per day for two weeks?

App development advice: We have a program we need to convert to a mobile/desktop/web app. Can you help?

App development advice: We have a program we need to convert to a mobile/desktop/web app. Can you help?

Fundraising collaboration: We need to find funds to finish the unique system of cooling-without-air conditioning in our building. We have a lot of ideas but need someone with some time. Are you that someone?

Please send an email to info@aurovillelanguagelab.org with a copy to mita@aurovillelanguagelab.org

AUROVILLE AIKIDO AT AV BUDOKAN (DEHASHAKTI)

Aikido is a martial art created in the 1920s by Morihei Ueshiba, a master in traditional Japanese martial arts. Aikido is a path which aspires to the unity of mankind, the unification of the self with the universe, the union of Spirit and Matter. Seen as such, and in the perspective of the integral development of the being as emphasized by Sri Aurobindo and the Mother, it is no wonder that Aikido has always been greatly valued in Auroville and introduced since the very early years. Both children and adults can enjoy and benefit from its complete practice. There are no competitions in Aikido. On the self-defense aspect of it, an aggressor's attack may be stopped without harming or injuring him/her.

The AV Aikido group welcomes new practitioners, Youth and Adult students, and the ones who would like to revive an old (abandoned) practice!

Adult classes:

- Tuesday, Thursday and Saturday, 6 - 7:30am, early morning. Beginners are most welcome. Girls and women are especially called to join us.

Children/ young students:

- Monday, Wednesday and Friday from 4 - 5pm
- For the time being no Saturday 9 - 10am class are offered.

Contact us for more info and registration: write to budokan@auroville.org.in or WA 8300643963 Philippe G. or call 9952812843 N. Murugan.

MIKSANG - A MINDFUL PHOTO WALK

SATURDAY 14TH SEPTEMBER - 8AM TO 9.45AM

Miksang means 'Good Eye' in Tibetan. It is a form of contemplative, mindful photography. The focus is not on technique, but discovering a moment of fresh, direct perception where the world stops us out of the blue and wakes us up to something deep and true.

In the practice of Miksang direct perception is paramount. When our eye, mind and heart are together in a single moment - seeing, appreciating, comprehending, expressing, sharing - that is all there is.

This meditative practice can help you open to the present moment, meet the world as it is, and let

the ordinary magic of the world erupt in front of you.

No prior experience (of anything) is needed. All you need is something to take photos with.

The session will be led by Helen - a mindfulness teacher with a passion for Miksang. For details and booking message Helen on 70947 53054 or visit inersightav.org.

NEW ACTIVITIES

Ojasana Hatha-Nada Yoga with Ojas

- **Tuesdays & Saturdays, 7:30am – 8:45am**

Ojas, volunteering with the Auroville Theatre Group, invites you to his classes: “Each 1 hour and 15-minute session will include pre-practice exercises to achieve correct yoga postures and flexibility for performing yoga asanas. I’ll also focus on breathing work to enhance Prana Shakti, known as life force. Towards the end of the session, I will incorporate sound healing and mantra chanting. This session is a combination of Hatha Yoga and Nada Yoga, designed to help participants experience their own selves and become more aware. As awareness deepens, they will move closer to the divine. I’m reminded of Sri Aurobindo’s words: ‘The principle of yoga is the turning of one or all powers of our human existence into a means of reaching divine being.’”

This is a drop-in class for adults.

Syntropy Insight Bodywork with Véronique D.

The body and mind connected in a deep state of relaxation allows the nervous system to find new pathways for a comfortable and graceful posture as well as for an open and fluid mobility with less effort.

Syntropy Insight Bodywork is the experience of a soft healing touch that will take you into very slow integrated movements.

Through deep listening, both the practitioner and the person receiving go on a common exploration which can feel like a dance on the way to new possibilities in the body and in Life in general.

“Make the impossible possible, the possible easy and the easy elegant.” – Moshe Feldenkrais

For an appointment with Veronique, please contact Pitanga.

Weekly Readings of The Life Divine with Balvinder,

- **Fridays, 4:30 – 5:30pm**

Resumes September 6.

“The ascent to the divine life is the human journey...This alone is man’s real business in the world and the justification of his existence...” Sri Aurobindo.

The weekly reading sessions of The Life Divine are led by Balvinder, an Aurovilian and lifelong student of Sri Aurobindo’s writings. Each session will proceed with Balvinder reading and giving explanations of the English prose.

No prior knowledge of The Life Divine is necessary, just an openness to experiencing the beauty and wisdom of Sri Aurobindo's masterpiece. All are welcome to join. Feel free to come and listen even once to see if this is for you.

No registration is necessary. It is helpful to have a book.

However, a few extra copies are with us.

Yoga with Rachel

- **Monday, Wednesday, Friday 7:30am – 9am, Asanas mixed level**

Rachel offers detailed verbal guidance and instruction based on her extensive practical experience to guide you into the posture, focusing on the alignment of body, mind and essence. This practice helps to improve physical and mental abilities, helping us to live in the present with stability and joy.

- **Tuesday 7:30 – 8:45am, Self Practice**

The practitioner is invited to develop a deeper understanding of the asana practice by observing themselves in the different stages: observe, experiment, learn, stay, hold, undo, relax, rest or recover at your own pace to improve the understanding of your practice and one's self. This is not a teacher-led class but a self-directed practice open to all yoga practitioners, while the teacher holds the space with her presence, helping in case of any doubt.

- **Saturday 9am – 10:30am, Asanas intermediate level**

For regular practitioners who wish to deepen their practice and those who have a good understanding of the basic yoga postures with consistent practice and are able to maintain a stable Sirsasana and Sarvangasana or their variations for at least 5 minutes.

- **Private Yoga sessions available on request.**

Vinyasa Flow with Dinagar

- **Monday, Wednesday, Friday 5:30pm – 6:45pm**

In Vinyasa Flow Yoga, we connect asanas in a flowing sequence with the breath as our anchor. Dinagar studied with Balaganesh in Auroville and completed his teacher training in November 2023. He is excited to share the benefits of this dynamic practice in Auroville and looks forward to learning and growing with you. Pitanga is very happy to welcome an Auroville youth as a teacher in our team of dedicated facilitators.

KoTree Yoga with Grace Gitadelila

- **Tuesdays & Thursdays 5:30pm – 7pm, Saturdays 4pm – 5:30pm**

KoTree Yoga is a feminine form in which asana sequences, movements and held poses, with attention to the breath, lead to create fluidity of fascia, muscle tonus, supple spine, and inner deep peace.

This is a drop-in class for all levels of adult practitioners.

SEPTEMBER PROGRAM

Baby Watsu® Class with Appie & Friederike Monday 9th & 23rd September (9:30 - 11:00am)

A special opportunity to connect with your baby! You'll be guided how to hold, feel and move your baby, using the qualities of warm water, so that you and your baby can feel safe, at ease, and enjoy this quality time together.

You'll learn and practice the basics in

the group, while you stay focused on your baby's needs in the moment. In the end, there is free playtime.

Please bring towels and a closing swimming pant for your baby. For babies between **2 and 12 months** with their parents.

WOGA® (Yoga in Water) Class with Friederike & Tamara

Friday 13th & Monday 30th September (4:30 - 6:00pm)

WOGA is based on classic yoga poses and stretches, modified for standing in pool water, which is waist-to-chest high. Classes are structured like their yoga equivalent on land: breathing, warm-up exercises, a series of poses, and a relaxation period.

The substantial decrease of gravity in warm water allows greater ease of movement, unblocks articulations, lengthens & melts muscles, and removes negative tensions, thereby preventing stress, insomnia and anxiety.

Prerequisites: no previous experience required (also no need to know how to swim!).

Watsu® Yoga Round with Ellie & Roberto or Fred Saturday 14th & Sunday 29th September (3:00 - 6:30pm)

Watsu Yoga Round is a powerful tool for deep relaxation and inner peace. It focuses on listening to the body and offers a way to come back to your heart, to an inner silence that is fully alive and vibrant. It is an invitation to feel, awaken and celebrate the energy of your being.

While immersed in warm water during the Watsu Yoga Round, your body does not suffer from the effects of gravity; the flow of movements and stretching, alternated with moments of stillness, invite a progressive feeling of well-being: body and mind become free to dance!

Prerequisites: no previous experience required (also no need to know how to swim!).

Watsu® & OBA Basic with Fred Tuesday 17th - Sunday 22nd September (1:00 - 6:30pm : 31 hours)

Watsu and OBA (Oceanic Bodywork Aqua) are bodywork and therapy modalities given in a warm water pool. In this course, you'll learn Watsu's basic sequence and techniques to work with someone on the surface. During the OBA Basic, you'll get acquainted with bringing your receiver under water (with a nose clip), thereby offering a unique experience.

In this beginner's course, you'll practise basic techniques and qualities such as grounding, presence, stillness, movement, and attention while moving another person in water. You'll experience floating others and being floated, both on the surface and under water, thereby creating space for deep relaxation and nurturing body, mind and spirit.

This course offers an opportunity for profound relaxation and letting go, for building trust, for being nurtured and held, for expanding inner and outer boundaries, for releasing emotions and traumas – ultimately, for freeing body and mind.

Prerequisites: no previous experience required (also no need to know how to swim!).

Watsu® 1 TF (Transition Flow) Basic with Dariya 24th - 28th September (8:45am - 6:00pm: 34 hours)

In this follow-up course, you will be taught to connect the movements and positions you've learned in Watsu Basic with long, gracefully flowing transitions and to adapt your work to people of different sizes, shapes, and dispositions. You will also learn about your own body mechanics and how to support and move each person as effortlessly as possible.

On land, you will be introduced to both Co-Centering and Tantsu, and explore what being held means to you and others. By attending this course, you'll have completed the first level of Watsu's 3-tier training program.

Prerequisites: Watsu Basic

FOOD FOR THOUGHT

The greater part of the population is not very intelligent, dreads responsibility, and desires nothing better than to be told what to do. Provided the rulers do not interfere with its material comforts and its cherished beliefs, it is perfectly happy to let itself be ruled.

AUROFILM

presents at **MULTI MEDIA CENTRE AUDITORIUM (MMC, Town Hall)**

Reminder: Friday 6th, 8:00 pm "URGA" - Close to Eden (Russian: *Úpra*) by **Nikita Mikhalkov**. USSR, 1991

Synopsis: The Mongolian shepherd Gombo lives with his wife Pagma, their three children and his mother in a yurt in the steppe, far from the nearest settlement. On the way, a Russian driver Sergei has an accident and his truck breaks down. He meets Gombo and is warmly welcomed by his family.

Beijing rules that no minority couple may have more than three children. Pagma wants Gombo to go to the town and buy contraceptives. Gombo and Sergei travel to the town together and a whole new world opens up for Gombo. Sergei leads him to the red-light district and the evening ends at the police station... Those insignificant events cause big changes in Gombo's family life!

Mikhalkov's beautifully shot and touching tale of the impact of modernization on rural Mongolia was nominated for the Best Foreign Language Oscar and won the top Golden Lion award at the 1991 Venice Film Festival!

Original version in Mongolian and Russian with English subtitles. Duration: 2h

FRIDAY 13th SEPTEMBER, 8:00 pm MACHUCA

Directed by Andres Wood, Chile, Spain, 2004

With: Matías Quer, Ariel Mateluna, Manuela Martelli, Aline Küppenheim, Federico Luppi

Synopsis: Set in Santiago during the months leading up to the 1973 coup d'état led by General Augusto Pinochet – who overthrew Salvador Allende's socialist government – the film tells the story of two boys who attend an elite Catholic school: Gonzalo Infante with a European background – and Pedro Machuca – who is poor and comes from an indigenous background. The story is told from the viewpoint of Gonzalo the 12-year-old upper-class boy, and it is set in a turbulent time in Chile. The working class was demanding social justice and significant changes to the countries...

(This interesting Latin American film, where the main characters are children, focuses on everyday life rather than on a real view of the life of the middle and upper classes in Chile and the political situation. The powerful events are accompanied by an incredibly beautiful soundtrack that drives the drama of the story).

The film won several awards and was Chile's Oscar entry for Best Foreign Language Film.

Original version in Spanish with English subtitles. Duration: 2h01
