## AUROVILLE IN ELABORATION

### LIFE ASPECTS - ADMINISTRATIVE NOTES

#### Page 83

According to my experience it was unwise from the beginning to distribute application-forms for employment, for only less capable people use them. Men who are capable and have experience have no need at all to ask for work, they always have more than they can handle.

#### Page 84

It would be more interesting to have an information office where those who are interested in the idea of Auroville could come to find out what work is to be done and what personnel is needed.

March. 1968

To be at the head of the Liaison Office, one must feel absolutely equal towards each and every nation. A *complete sincerity* is required in this attitude!

April. 1968

*Q : To raise funds for Auromodel, what shall we do?*

The more you chase funds the less you get. What you should do is to inform people about Auroville. That is important.

No more useless talk."

Admission to Auroville is subject to approval by The Mother. There will be a trial period of one year. This period can be made longer or shorter.

People living in Auroville should not provide hospitality there to others who have not been accepted to live there.

Those who have been accepted should lead an Aurovilian life

The city the earth  
needs.

the main principles of which have been clearly indicated by The Mother.

Everyone should work at least five hours every day including Sundays. Working for oneself is not working for the community. Each member of the community should have an activity that corresponds to the needs of Auroville.

Drugs are forbidden in Auroville.

When Auroville is a city there will be several kitchens providing different types of food. But even now individuals should not cook for themselves. It is better to organise kitchens for groups.

Those who live in Auroville should aspire for the new life.

The Mother will decide whether a member of the community can become an Aurovilian—which implies having the Auroville consciousness. Until then he is not an Aurovilian.

## FROM THE WORKING COMMITTEE

### LEGAL UPDATE RE CASES IN THE MADRAS HIGH COURT

Dear Community,

The case concerning the Admission and Termination Regulations (published by the Secretary in the Gazette of India in January 2024) was heard in the Madras High Court yesterday, 31<sup>st</sup> July, in front of a Divisional (Appeal) Bench. It was the final hearing. The discussion was very long and the grounds and arguments upholding the role of the Residents' Assembly (RA) were expressed in a clear manner by our lawyers. At the end of the debate both parties were requested to make written submissions by the 8<sup>th</sup> of August. A final verdict will be issued after some time.

The case concerning the Working Committee regulations made by the Governing Board (GB) (also published in the Gazette of India in January 2024) was not discussed and will be taken up at a later stage. These regulations were stayed *ad interim* by the Chief Justice of the Madras High Court in February 2024, with in order that was in our favor, and the stay is still in place.

Two other very important cases concerning the Working Committee are still pending in the Madras High Court. These may have an important impact on the function of the RA.

We would like to express our deep gratitude to all those - professionals, Aurovilians and well-wishers - that have supported us along the way and continue to do so. The legal efforts to protect the Spirit of Auroville and the right interpretation of the Auroville Foundation Act is still going on and needs the collaboration of the community and all true friends of Auroville. Legal initiatives are only a part of the actions that are needed to keep alive the flame that brought us here to Auroville. It is the coming together of the community and its inner strength that will enable all of us to bring forward the Mother's Dream.

With hope, faith and perseverance,

Aravinda, Bharathy, Chali, Matthieu, Prashant, Valli

## OBITUARY

### RICARDO MARTINEZ DELGADO PASSES AWAY

This is to inform the community that our dear friend Ricardo Martinez Delgado (New Creation) peacefully left his body in the early hours of Saturday 26<sup>th</sup> of July in Paris. He was 71. Many will remember him as a fine healer in kinesiology joyfully serving the Spirit of Auroville.

Ricardo came to Auroville for the first time in 1984 and wanted to settle here, but life had other plans and he could only come here for

good in 2019. Some of his long-time friends were Gilles and Gérard from the Svedam community.

He had been trying all he could to cure the cancer for 9 months, supported and accompanied by his partner Caroline and attempted several alternative treatments, the latest one recently in Spain, his native country.

When he came back to Paris at the end of June before returning to Auroville, his state had not improved enough to travel right away, but he was still very determined to heal and serve Auroville.

The deterioration of his physical condition was surprisingly accompanied by a progress in the contact with his inner being; it was uplifting to meet him and feel this immobile Presence.

He was not one to complain, but, as when helping other Aurovilians in his sessions of kinesiology, one could feel the generous stream of light and faithful encouragement flowing onto oneself.

He passed away in the early hours of Saturday 26 of July surrounded by the loving care of his dear partner Caroline.

He expressed his gratitude to all who supported him throughout his trying journey: his son Emmanuel who took care of him in Spain and in France, Véronique Jobard who went to Spain to take over when Emmanuel had to leave, and many other friends who showed their care and love in Auroville and in Paris. He also wanted to thank Olivier, an oncologist from Avignon who accepted to help him remotely without knowing him.

Caroline also is very grateful to all who helped her go through this challenging time, in particular her son Noé and Marie from Revelation who showered her with love in the last moments.

His body was incinerated on Wednesday 6<sup>th</sup> of August in Paris at the Père Lachaise cemetery.

Sending him Light and love on his last Journey to the Mother's bosom 🙏

## RICARDO: THE APOSTLE OF PEACE AND JUSTICE, PURE PSYCHIC BEING

Unassuming, generous, just, gentleness itself, Ricardo radiated all the qualities of a mature psychic being. His simple, steadfast presence healed.

When he was my neighbour in Vikas he got severely sick with Covid Delta; three of us followed (one died, I too nearly died). Maybe this is how the assault commenced; Covid keeps working underground.

I met Ricardo with Caroline for the last time two months ago, waiting for Dr. Uma at the Health Centre. He was surprisingly thin but I joked and was petrified, when he confessed that he was terminal. Serene, absolutely detached, as talking of someone else, the wise-man was taking leave. We too have our great ones.

Suddenly last week, transfixed by photographs of infants dying in Gaza because even the formulas are withheld, I felt his presence, peremptorily, I saw his face, for three days. Psychic being, the one and only answer to the apocalyptic narrative the world's news report daily. Even on the verge of death, still Ricardo succoured shaky others. Me.

With his partner Caroline, Ricardo attended the 'peace marches' till the end, when hardly no one else was left to join. This is how I will always remember him, the apostle of peace and justice, pure psychic being.

What we desperately need in Auroville and in the world at large.

**Protecting the Lands of Auroville is of prime importance.**

Concerned Indians of Auroville

Dear Indians of Auroville,

Auroville is going through a phase of rapid change. Much information remains unclear in the cacophony of daily life. In the highest tradition of goodwill that Indians represent, it is our moral responsibility to be aware of the unfolding developments and explore how we can contribute to the future of Auroville.

In this context, protecting the Lands of Auroville is of prime importance, in addition to voicing support for Auroville at large. Recently, certain facts have come to light that threaten the very moral fabric of Auroville. We would like to share these details with you, besides being available for a Q&A and discussion.

If we are united and with a common purpose, we can effectively address issues. We would like to address the issue of upcoming land exchanges on a priority, considering its urgency.

To discuss this, we propose a meeting at 5 pm on Saturday, 9th August 2025 at Kalabhum.

## RESIDENTS SPEAK

### PLEASE INCLINE THE LAST BITS OF THE CROWN

Before repeating our 2023 request we want to repeat our profound gratitude to Auroville and its citizens.

Our grandfather's generation helped build the Matrimandir. While we are aware of its beauty, to be honest, it holds very little attraction to us. We are also aware of your efforts that raised water table levels and have reforested your area, which helped bring in rains for both of us, and may have helped cool our neighbourhood. But we are not really interested in water, climate, plastic, waste, and other ecological issues. We do use your forests for our intimate parties.

Our fathers are grateful to Auroville for livelihoods and development.

The first big thing our generation is grateful to Auroville is for the cricket ground. We revere Jürgen-anna and many of us benefit from it.

But now, all of us are overjoyed that you have built the Crown Road and cannot express our excitement enough.

#### A Request for an Incline

We have one particular request though. We know many have requested the road to be smoother, but what we want really is a greater incline.

There has been a request for a greater incline to collect stormwater. We do not really understand the technical details, but under that request, if you could incline the remaining patches of the road 12 to 15 degrees, it would make for a wonderful race track.

You see, we plan to make the Crown into a race circuit. Maybe not world-class, but at least India-class.

We have organized ourselves into many racing groups and each group has been taken responsibility for an evening. Each evening Auroville will become The City That Roars.

#### The Roar Of A Two-Stroke Engine

Don't we all love speed?

We wish to thank the folks who introduced the ring in the galaxy, a completely anomalous astronomical feature—a first in the universe. A galaxy does not invite speed. But a ringed one, with a wide ring, invites the fast and furious. Breaking the 3 minute barrier for one round of the Crown should be easy. Will we ever break the 2 minute barrier? Come and watch!

We are so happy you removed the Solar Circle. Those annoying circles just slow things down. And frankly, that type of modern junk art does not belong in India.

We are also happy that you are putting in so many lights. That is a welcome departure from old Aurovillians who preferred darkness. We have enough videos of owls and night creatures to look at on our phone, good closeups. Now it is our time. Zooming on a brightly lit race track is a dream our fathers never had.

We noticed you are clearing the road area, removing trees and making the width extra wide for possible economic activity. We look forward to pizza shops and snack bars. We are sure in the future there will be lots of hoardings and billboards. The live screen ones (will not they be more environmentally friendly than your pvc banners?). You can make money on advertising, and everyone can enjoy the entertainment. This will help bring in crowds to watch and

cheer. Today we do not dare say the word “b@rs”, but still it will be one big party.

### Reaching Critical Mass

If a cricket stadium can seat 30,000, the Crown can easily stand 50,000. Even much more. We can invite all the youth of the entire district. Yes, we will have a big party until whatever divine event you think will happen happens. You must have realized that this divine event cannot happen because of the Matrimandir only, which cannot hold that number. You needed to be crown-sized and we will help you fill it up.

We assume that the thought of a Crown Mall is being discussed in your rooms. Pretty stores, not work areas. Motorcycle maintenance can happen in the back. In the front should be fashion and glamour (they stand for beauty today, no?). Then a few car and motorcycle showrooms, and air-conditioner stores.

In the heat of the day we will not use the Crown road (just like you do not use your amphitheatre) and leave it for your VIPs convoys of air-conditioned cars. But in the evenings, after it cools down somewhat, it will belong to us.

Oh, the full-throttle roar of a 1000cc engine between your legs! It is an amazing dream.

### A Few Amenities

We realize that some Aurovillians want a village-like place. While we always thought it was a city—a very foreign one, not Indian at all, with lots of auditoriums, museums, yoga studios, and walking space. A pedestrian city has appeal in the west, but not in India. Walking may be in our future, but definitely not in the present. Since you appear unhappy with your city, we suggest its now time for an Indian city (we thank the city lovers in you). Cities that do not sleep, and cities that have a buzz. And Auroville will buzz.

We also request to create more public toilets and put many garbage bins. Honestly, we seem to like living in trash, despite all the waste education you have given us. Our mothers and aunties who do your cleaning and segregation are happy to work on our trash, so just plain single bins will do.

We are also grateful for Auroville city services such as the ambulance (our villages do not have any). Nobody wants accidents to happen, but there are risks, and we accept them.

At least the super-hot roads with no shade will keep cows away, one danger averted. Very smart, whoever thought of that.

### You Are Invited

We have invited our brothers, the police force, to form a team and join us, as police presence always is good support, even if its our land only. They have indicated their interest in speed and learning how to catch us makes for good training.

For those who are aware of the environment or have big budgets, we will also have one quieter evening for electric motorcycles races.

We invite Aurovillians who want to ride fast to join us. You will need to unite and come together as one team or, of course, you can enter as many teams. Will you call yourselves The Integral Yogis? And in the spirit of Auroville, we have kept Sunday mornings for a women's league – we have some ladies who have expressed a desire to ride fast but do not want to race with men – we will approach Alisha Abdullah (one of our heroes who seems to be both loved in Delhi and TN). We know many Aurovillian women also like speed and power. Will they call themselves The Mothers Gang?

So, as you complete the final sections, the land deals for which have helped procure fancy motorcycles for some of us, we again request you to slope the road a bit more. As it is now, we believe we will achieve speeds nearing 120 kmph. Can you hear the roar?

With a greater incline, we hope to reach 150 clicks—can you imagine the roar?!

Thank you for widening your radials. We look forward to onramping at 90kmph.

And when the Ring Road comes, Auroville will be the first spiral galaxy in the universe with a double ring. We will be inspired to produce more world class racers. Tamilians have recently produced so many chess masters. Together we can aspire to have more speeders like Narain Karthikeyan, Rajini Krishnan, and Sarath Kumar.

Looking forward to Crowning the City that Roars. And integrally speeding together to higher consciousness into the supramental (we know how much you love those terms).

Our eternal thanks to Auroville, **now** the city of **our** dreams.

Ramesh offers hatha yoga classes with some vinyasa flow and include pranayama, traditional sanskrit mantra chanting, and meditation. He places a lot of focus on breathing and body-mindfulness during the practice. It is ideal for beginners to intermediate-level practitioners. -----  
**Traditional Sanskrit Mantras with Sonia**

- Friday from 5 - 6pm (Regular students only)

In the recitation of Sanskrit Mantras the sound is very important, and the specific pitches and strict rules of intonation and syllabic length should be learned according with the tradition of the great masters of the past, who figured out how to use the voice to calm the mind and attune the practitioner to the more subtle levels of the "sadhana" or spiritual path. Through the harmonic rhythm, repetition and participation in the singing, the mind reaches more clarity, concentration and tranquility.

## WORKSHOPS

### KIRTAN - BHAKTI YOGA : YOGA OF LOVE

SATURDAY 9<sup>TH</sup> - SUNDAY 10<sup>TH</sup> AUGUST, SERENDIPITY

### EMBODIED MEMORIES OF AUROVILLE

Hello,

I am Fabrice Nicot, a French theater director and teacher associated with the Grotowski Wroclaw Institute in Poland (<https://scenes-monde.univ-paris8.fr/fabrice-nicot>).

I proposed a workshop in Auroville last May and I was very happy with the work. This gave me the idea to propose a new project on the "Embodied Memories of Auroville": a work on the founding texts of Auroville and the personal stories of Aurovilians using a method of voice, the organic body, and their memories inspired by Jerzy Grotowski (Polish director and teacher 1933-1999).

**I will be in Auroville from August 11th to 31st.**

We will continue the work with some previous participants, but if other Aurovilians would like to join us, that would be great. The ideal would be a daily 2/3-hours group session (times would depend on the group's availability) to acquire a minimum of technique, and individual meetings with each of you (private lessons) according to your availability to work on your personal materials (texts, stories, etc.).

To make the best of the time spent together, you need to learn a text that deeply resonates with you by heart.

Feel free to spread the word.

For enquiries, contact

[aurovilleartworld@gmail.com](mailto:aurovilleartworld@gmail.com)

Warmly, Fabrice

# CULTURAL ANNOUNCEMENTS

## CAPTURING LIFE BY JOHN MANDEEN SELECTION OF PHOTOS FROM AUROVILLE ACROSS FOUR DECADES (1980-2020)

1<sup>ST</sup> - 10<sup>TH</sup> AUGUST, CENTRE D'ART

John Mandeen came to Pondicherry, South India, from California, in October 1968 as a young man of 24 and was accepted by the Mother as an Ashramite of the Sri Aurobindo Ashram. He helped set up the first screen printing workshop in the Ashram Press. All birthday cards with the Mother's symbol in those days were screen printed there besides book covers.

He took up photography in the late 1970s and got seriously into it by the 80's, documenting Auroville in all its aspects very extensively, including the Matrimandir.

Since 1980 he was part of the Prisma Team with Franz and Tim and they did all the publicity work for Aurelec. In 1994 he took photos for the first Auroville Exhibition at the visitor's centre which was updated several times over the years. He was the photographer for the Auroville Today team till writers with snap and shoot cameras took over the job. He taught photography at the school in Aspiration school to many Auroville kids, all adults now, some of who ended up becoming photographers themselves.

Most of Prisma's initial publications, like the architecture books, carry his photos. Later he was involved in doing pre-press work for other Prisma projects as well as projects of the Sri Aurobindo Ashram Archives. Recently he was working with the Sri Aurobindo Ashram Archives on a new book they are bringing out.

He left for his onward journey on July 7<sup>th</sup> 2024.

- Tue - Fri : 2 - 5:30 pm
- Sat : 10 am - 12:30 pm, 2 - 5:30 pm
- Morning by appointment.

## RETROSPECTIVE

WEDNESDAY 6<sup>TH</sup> & FRIDAY 8<sup>TH</sup> AUGUST, CENTRE D'ART

In parallel with John Mandeen's exhibition, retracing Auroville's first 40 years, Centre d'Art would like to dedicate two afternoons to the screening of pictures by Dominique Darr, taken between 1971 and 1974. The images portray Aurovilians of the time, some of which are easily recognizable, while others seem complete strangers to us.

The Dominique Darr Archive would be grateful to receive your help in identifying people from that era, and thus enrich each photo with valuable information.

A first series of images will be screened and commented in Centre d'Art's Multimedia Room on Wednesday, August 6<sup>th</sup> from 4:00 to 5:30pm, and a second series on Friday, August 8<sup>th</sup> at the same time.

It will be a great opportunity to remember the old days and the people who contributed to the birth of Auroville. We look forward to seeing you there.

**Wednesday 6<sup>th</sup> and Friday 8<sup>th</sup> August from 4 to 5:30 pm.**

**“Before the Dawn”**  
By Yumiko Yoshioka

A dance of metamorphosis, where darkness melts into brightness. Through her own transformation, Yumiko Yoshioka illuminates secrets in our bodies. Creatures hidden in our forgotten memories joyfully start to revive. Something grotesque yet strangely beautiful grabs our attention. We can't help but be captivated by this strange force, a source of darkness and light.

## Special Week

On 15<sup>th</sup> August this year, we honor two profound milestones: the 79<sup>th</sup> anniversary of India's independence and the 153<sup>rd</sup> birth anniversary of Sri Aurobindo. To mark these meaningful occasions, we've curated a special line-up of programs this week around that day. We warmly welcome you to join us, watch, participate, and celebrate the week together. As we reflect on the spirit of freedom, we embrace its universal call to courage, creativity, and collective hope.

### SPECIAL SCREENING – MONDAY 11 AUGUST, 8:00 PM:

#### • RAAG DESH

India, 2017, Writer-Dir. Tigmanagshu Dhulia w/ Kunal Kapoor, Amit Sadh, Mohit Marwah, and others, History-Drama, 135mins, Hindi w/ English subtitles, Rated: NR (R)

Set during World War II, the Indian National Army—formed under Netaji—launched a bold campaign for India's liberation on the shores of the Irrawaddy in Burma. Branded as Japanese agents by the British, the three INA officers—Major General Shah Nawaz Khan, Colonel Prem Kumar Sahgal, and Colonel Gurbaksh Singh Dhillon—stood trial at Delhi's Red Fort in 1945. Their courtroom saga sparked a national awakening and reshaped India's journey to freedom. The title subtly evokes Indian classical music, while also signifying a profound connection to the homeland. *The screening of this acclaimed film, made possible by the director and his team, brings those meteoric times more vividly to life.*

### SPECIAL SCREENING – TUESDAY 12 AUGUST, 8:00 PM:

#### • BAGHA JATIN

India, 2023, Writer-Dir. Arun Roy w/ Dev, Samiul Alam, Mir Afsar Ali, and others, Biography-Drama, 138mins, Bengali w/ English subtitles, Rated: NR (R)

Countless Indians—unsung, unknown, nearly forgotten, laid down their lives for freedom beyond non-violent protest. Among them was Jatindranath Mukherjee, famously Bagha Jatin, whose extraordinary journey blazes with grit, fire, and conviction. Rising through Jugantar, a secret revolutionary movement shaped by Sri Aurobindo Ghosh, who called him his “right-hand man”, Jatin led daring missions, forged global alliances, and made a heroic final stand at Balasore, Odisha. This film resurrects his legacy, revealing a charged and electrifying chapter of India's freedom struggle.

### SPECIAL SCREENING – WEDNESDAY 13 AUGUST, 8:00 PM:

#### • GOUR HARI DASTAAN: THE FREEDOM FILE

India, 2015, Dir. Ananth Mahadevan w/ Vinay Pathak, Konkona Sen Sharma, Ranvir Shorey, and others, Biography-Drama, 104mins, Hindi w/ English subtitles, Rated: NR (PG)

Gour Hari Das, proud of his freedom-fighting past, lives a quiet contended life with his small family. When his son is denied college admission for lack of a Freedom Fighter's Certificate, Gour Hari set to reclaim his identity. What begins as a quest for a simple certificate spiral into a decades-long battle against a system blind to truth and dignity. With his wife Lakshmi's quiet strength and journalist Rajiv's curiosity, his moving quest exposes how a nation forgets its own heroes. *We thank the filmmaker for this screening.*

### SPECIAL SCREENING – THURSDAY 14 AUGUST, 8:00 PM:

#### • B.R. AMBEDKAR NOW AND THEN

India, 2023, Writer-Dir. Jyoti Nisha, Documentary, 111mins, Hindi w/ English subtitles, Rated U/A (PG-13)

This award-winning debut documentary by a Bahujan feminist filmmaker boldly explores liberty, equality, fraternity, and social justice. It interrogates caste, religion, and representation in Indian cinema, offering a powerful

reflection on the struggles and assertions of marginalized communities in today's India. Through Ambedkarite philosophy and visual storytelling, the film challenges dominant narratives and inspires fresh perspectives rooted in lived experience. *This screening is made possible by the director's generous sharing who has crowdfunded to create and bring its compelling message to audiences—inviting public dialogue and reflection.*

### SPECIAL SCREENING – SATURDAY 16 AUGUST, 8:00 PM:

#### • KESARI CHAPTER 2: THE UNTOLD STORY OF JALLIANWALA BAGH

India, 2025, Dir. Karan Singh Tyagi w/ Akshay Kumar, Madhavan, Ananya Panday, and others, History-Drama, 133mins, Hindi-English w/ English subtitles, Rated: NR (R)

Inspired by true events, the film follows Justice Sankaran Nair's bold rebellion against British rule after the 1919 Jallianwala Bagh massacre. He resigns from the Viceroy's Council in protest (Trivia: Rabindranath Tagore renounced his knighthood as a form of protest), then sues Michael O'Dwyer in England, joined by spirited law student Dilreet and rebel Pargat Singh. *Widely acclaimed for its stirring portrayal of India's fight for justice.*

### CHILDREN'S MATINEE – SUNDAY 17 AUGUST, 4:30 PM:

#### • VALLEY OF THE LANTERNS

Canada, 2018, Writer-Dir. Caleb Hystad w/ Samantha Ferris, Thomas Haddaway-Graham, Ian Hanlin, and others, Animation-Family, 97mins, English w/ English subtitles, Rated: NR (PG)

In a mystical mountain village, elderly Olistene clings to a magical tradition that lets her relive the past. This is until her grandson Keelan challenges her to embrace change. As lanterns illuminate forgotten truths, their bond is tested in a heartwarming tale of time, memory, and the courage to let go for love's sake, where the lanterns are symbols of hope.

### SPECIAL SCREENING – SUNDAY 17 AUGUST, 8:00 PM:

#### • PHULE

India, 2025, Dir. Ananth Mahadevan w/ Patralekhaa Paul, Pratik Gandhi, Darshel Safary, and others, Biography, 129mins, Hindi w/ English subtitles, Rated: NR (PG)

In British-ruled India, Jyotiba and Savitribai Phule confront caste oppression and gender inequality with radical courage. From opening schools for girls to challenging Brahminical orthodoxy, their journey is a stirring testament to resistance and reform. Their fearless pursuit of justice reminds us that freedom from casteism is yet another freedom we must achieve. *This acclaimed film is currently running in theatres across India and screening internationally, with its digital release yet to come. We're sincerely grateful to the director and producer for making this screening possible.*

## AYURVEDA TIPS FOR RAINY SUMMER

Late summer, with its amount of rains, brings lots of humidity and dampness in the air that affect the body and its Dosha in many different ways: Pitta ferments and shows signs of acidity, bloating, inflammation or strong body odour, lots of stagnation and retention felt in the digestive tract. Emotionally unhealthy Pitta becomes bitter, impatient and frustrated in the mind or the heart. Vata gets cold and makes the joints more painful with an irregular digestion and bowel movements and mind might be imbibed with anxious thoughts, worries or lack of concentration.

We can help ourselves with the following recommendations:

### With the food

- Eat only when hungry and eat the appropriate amount (both hands joined together is the size of the stomach)
- Take a warm, cooked meal with any spices to improve the digestion (eg: ginger, turmeric, black pepper, cumin, coriander, cinnamon, ajwain, basil, garlic etc)
- Eat green leafy vegetables, take light dishes made of mung dal, vegetable soups... all pulses and dal are good when cooked with spices (all spices are good apart from red powder-chilli powder)
- For non-vegetarian, eat white meat or small fishes
- Drink warm water all day long (especially when there's a sore throat)
- Dinner should be light and taken 2 hours before going to bed

- Give energy to the body with cereals and grains such as: amaranth, barley, cooked oats, granola, rice
- Honey is the best sweetener
- Ghee used for cooking and Sesame and Olive oils for dressings
- Chew some neem or Tulsi leaves.

### Some immunity enhancers:

- **Giloy/Guduchi** (Tinospora cordifolia): a very good immune regulator; 1tsp of powder morning and evening in warm water
- **Amalaki (amla)**: full of vitamin C; consumed fresh if available or in powder
- **Turmeric**: Anti-inflammatory, can be used for gargling with warm water and a pinch of salt
- **Tulsi** (Ocimum tenuiflorum/sacrum): for the lungs, fresh leaves in warm water
- **Ashwagandha** (Whitania somnifera): immune regulator and calming the nervous system; 1tsp morning and evening in milk or warm water
- **Ginger – Turmeric – Black pepper powders (Be No1)**: improves digestion and energy, ½ tsp with warm water or lemon juice + honey once or twice a day
- **Tulsi – Cinnamon – Amla – Ginger – Turmeric – Black pepper powders (Be No3)**: as prevention or in case of cold, cough, flu, feverish state, body ache, ½ tsp with a sip of warm water or lemon juice + honey once a day if it's preventive, 3 times a day before food if there are symptoms
- Saffron, aloe vera, licorice herbal infusions
- **Chyavanprash Avaleha**: 1 tsp in the morning with breakfast.

### Special treat for joint pain and inflammation:

- **Shallaki Cream or Oil mixed with Castor Oil (Eranda Tailam)**: massage twice a day the painful joint, it's a painkiller and anti-inflammatory
- **Rosemary Essential Oil**: 1 or 2 drops with the massaging oil and apply locally. It's anti-inflammatory
- **Shallaki Tablets**: for arthritis, muscular pain, joint inflammation
- **Triphala Guggulu Tabs**: to reduce bloating, swelling, inflammatory conditions, 1 or 2 tabs per day before meals (use for short period).

### In the activities, help Pitta and Vata to be centred and grounded:

- Be grounded in the heart or abdomen with Yoga, Pranayama, Meditation, observing the breathing movements in the abdomen, Yoga Nidra, Body Awareness, Qi-Gong, Tai Chi...
- Regular exercise, 30 minutes daily
- Gardening, cultivating, weeding, cooking
- Keep warm, take warm showers, cover your neck from chilled breeze
- Gargling with salty water if sore throat
- Oil pulling with 1 Tbsp of sesame or coconut oil, keep in the mouth for some time, spit it out and rinse the mouth with warm water (can be done early morning or at bedtime after brushing the teeth)
- Nasya: pour 2 drops of sesame oil or Anu Tailam in each nostril once a day
- 4-5 drops of Castor Oil in the belly button followed by slight massage around the umbilicus at bed time
- Fragrances: sandalwood, rose, jasmine.

Let's be all well, happy and healthy.
