PONDERING

It goes without saying that this work of organisation cannot be done once and for all. The mind, if it is to keep its vigour and youth, must progress constantly, revise its notions in the light of new knowledge, enlarge its frame-work to include fresh notions and constantly reclassify and reorganise its thoughts, so that each of them may find its true place in relation to the others and the whole remain harmonious and orderly.

GUIDANCE IN YOGA

Page 102

It is not what you do but the spirit in which you do it that is important for the integral Yoga.

1971*

*

... Divine Mother, I implore you to illumine and put a living faith in this dark area in me.

Do not give any importance to that part and it will lose its strength and little by little even its existence.

My love and blessings are always with you.

1971

*

Those who are ready for the transformation can do it anywhere. And those who are *not* ready cannot do it wherever they are.

12.11.1971*

*

The guidance is in your heart. Go ahead according to your inspiration.

14.1.1972*

Page 103

To find the psychic one must conquer the desires of the vital and silence the mind and then make a sincere submission to the Divine of whom the psychic is the instrument in man.

The inner contact with the psychic is a concrete and undeniable fact which imposes itself on all sincere consciousness.

5.4.1972*

*

Have faith in the Divine, and go deep inside yourself. My help is always with you.

7.4.1972*

The city the earth
needs.

The best way to get rid of the rule of the ego is to find the psychic being, instrument of the Divine in the human beings.

Go deep in yourself (i.e. the heart region) and aspire steadily. The true meeting of the psychic is unmistakable.

8.5.1972*

*

Have faith and go on.

13.7.1972

*

Why is there this dark and stupid personality in me? Does it lie hidden in everyone, or am I a specially difficult case?

Certainly you are not the only one. Many are like this. Only those who have centred their whole being around the *conscious control* of the psychic can cure themselves of it.

VOICE OF AUROVILLE

Dear Community,

We hope this message finds you well.

We are happy to share with you the ninth issue of our quarterly journal, *Voice of Auroville*, which aims to inform well wishers and friends of Auroville across India and the globe on the current unfolding events with factual updates and articles. We apologise for the delay in publication of this issue but as an entirely volunteer-run initiative with no budget, the VoA team struggles to balance limited resources with its commitment to independent community-based communication.

As with previous issues, this ninth edition focuses on the crisis Auroville is going through, **reporting on events between March through September 2025.**

- Please see the pdf attachment for the full edition, or download the pdf [here](#).
- In case you may have missed them, the earlier issues of *Voice of Auroville* are accessible [here](#).

Please feel free to forward and share this email with friends and well wishers of Auroville. This is how the news can spread and Auroville's voices can be heard. **Everyone's actions count.**

People who wish to be added to the subscribers list or be removed from it can email voiceofauroville@auroville.services. Please also feel free to share any feedback or suggestions to voiceofauroville@auroville.services.

COMMUNITY NEWS

COMMUNITY SHARING

STATEMENT ABOUT AFSANAH GUEST HOUSE

Dear Aurovilians, dear Friends,

We would like to inform the community of the forceful takeover of Afsanah Guest House, which occurred on Thursday the 16.10.25.

Shortly before 1pm a group of 15 people came to Afsanah Guest House. Among those present were FO employees, Balasubramaniam and Narendra Pawar (with his young daughter), as well as multiple members of the Auroville Security Services, including Giacomo and Shenbagam, both of whom are executives of the Auroville Security Services appointed by the AVFO.

Under the instructions of Antim, Sindhuja, Malar and Josephine, three carpenters proceeded to break open the doors of the office, the dining hall and Room 7.

Giacomo, a professional martial arts instructor, violently pushed Auradha as she attempted to enter the office to collect her personal belongings, using a targeted attack to the throat called the c-strike maneuver, which resulted in physical injury.

The personal belongings of our team, which had been left in the office, have not been returned to us.

Rosy requested Mr. Balasubramaniam that an official hand over of the Guest House accounts, assets, etc. be done but Antim refused claiming it was unnecessary. They proceeded to put the computers and documents into Sindhuja's car and remove them from the Guest House compound.

Aurovilians who came to witness the events were blocked at the gate by the security guards and prevented from entering the Guest House compound. Those that were inside the compound were threatened to be physically pushed out by force.

We thank those that have offered us their support in so many ways over the past years, especially during the last 2 years that we have been facing repeated attempts at a forceful takeover without following due process or principles of natural justice, in spite of repeated requests to do so (which are well documented).

We thank those that were present on Thursday, for standing with us and bravely witnessing the wrongdoings of those that are currently ravaging Auroville.

Rosy and Auradha

⚡ [REMINDER] OPEN LETTER FROM RESIDENTS REGARDING SHOW CAUSE NOTICES FROM "ATR" AND "ATSC" ⚡

Dear friends,

Have You Signed the Open Letter?

This [Open Letter](#) is a response to attempts by the 'Termination Committee' to remove long-time Aurovilians from Auroville. So far we have received over 550 signatures (to be verified) from Auroville residents.

Please find the **Tamil translation** from this [link](#).

About 35 Aurovilians, members of RA selected working groups and other individuals, and including pioneers who have dedicated decades of service to the Mother and to Auroville, are receiving threatening "show cause notices." These letters are filled with baseless accusations, written in a tone that is hostile, intimidating, and devoid of humanity. The language and the attitude is aggressive, accusatory, and completely against the spirit of

Auroville's Charter and our aim of human unity.

Most of these emails were signed only from the 'ATR on behalf of the ATSC' and did not give individual names. **No evidence was provided to support the allegations and in some cases the claims have been made only on the basis of a 'confidential security report', the contents of which have not been provided to the recipients.**

This selective persecution shows clearly that these notices are not about justice, but about control. **This is a systematic campaign to establish and consolidate control through intimidation.** Normal community activities—disagreeing with development plans, participating in resident-selected committees, managing community services—are being criminalized and reframed as threats to Auroville's development and at times even to national security.

We are sharing with you here an extract from an actual show cause notice. The name and specific allegations have been removed to protect the privacy of the recipient.

It has been brought to the attention of the Admissions & Terminations Scrutinizing Committee (ATSC), on the basis of verified records, reports, and consultations with relevant working groups, that you have engaged in conduct inconsistent with the Auroville Foundation Act, 1988, the Auroville Master Plan, and the Auroville Foundation (Admissions & Terminations of Names from the Register of Residents) Regulations, 2023.

The allegations against you are as follows: [XXX]

In light of the above, your continued presence is seen as detrimental to the financial, administrative, and institutional integrity of Auroville. You are hereby directed to show cause within fourteen (14) days of receipt of this notice why action should not be taken against you in accordance with the fullest extent of law and institutional regulations. If no response is received within the stipulated period, the matter will be decided on the basis of available records, and further recommendations may be made for appropriate action.

This notice is issued to provide you an opportunity to be heard in compliance with the principles of natural justice and the Auroville Foundation Regulations.

ANNOUNCEMENT FROM YOUTHLINK

Dear Community,

We at YouthLink would like to share that we are shifting our office space from **Virundhu Canteen (Townhall) to the Kailash building**, that will be hosting us and our new activities.

This move comes as part of our ongoing efforts to strengthen youth engagement and collaboration in Auroville. We understand that this change has affected many people who cared deeply for the earlier initiative, and it's important for us to honor the space by contributing to the community in service of the youth.

Through our work in this new space, we hope to make a living youth space; a place for learning, community building, and vocational exploration. We are currently in conversation with the Housing Service to take on the role of coordinating body for youth residency, Yuva Sangha, envisioning a youth collective to emerge and grow together.

Some of our plans for the space include:

- Vocational Training & Skill Building: expanding our VTC initiative to include both hard and soft skills.
- Youth Residency Program: providing transitional housing and mentorship for young Aurovilians, Volunteers & Newcomers.
- Community Activities: hosting workshops, cultural evenings, and collaborative projects.
- Integration & Support: offering guidance for youth navigating their role in Auroville and beyond.

We see this as a continuation of a collective dream, where we will nurture a vibrant, responsible, and creative youth collective.

With gratitude and hope,
The YouthLink Team

NOTES FROM SAIER: AN EMERGING PLATFORM

SAIER

Educational Equivalence & The Triple Challenge Framework

Acquiring a formal recognition for an Auroville education has long been a topic of conversation. Documents modelled on the Sri Aurobindo International Centre for Education, (which was recognized by the Government of India in the 1960s), were handed to the Ministry of Education in August and this is being formally followed up.

Let us see if it comes through.

Though this could be an interesting first step in perhaps aiding to remove part of the concern many parents seem to have in relation to preparing their children for the world as it currently is, — this initiative does not respond to the problematic so present in today's world: our current means of measuring, assessing & evaluating students do not reflect the qualities or skills needed for a rapidly changing world.

So what is it Auroville — based on over half a century of exploration and experimentation — could offer?

If we are attempting to shift from a system of instruction to a process of conscious exploration, integral development, guided by a sense of meaning and purpose, ease and cheerful — *what have we learnt? What are the concrete propositions we can make in Auroville, for India and the world in terms of evaluating the qualities, capacities the youth of tomorrow seek to develop?*

These are the questions that led to the formulation of the **Triple Challenge Framework**.

The proposition stands thus: during the course of their secondary education a student may take up and face a total of 9 self-chosen challenges: three in the physical domain, three in the vital and three in the mental field. Through this we aim at self-knowledge — *Who am I? What do I wish to grow into?* — self-determination & enthusiasm in the face of challenges.

This initiative becomes interesting as the psychological preparation for it would need to be taken up from the very youngest ages: the encouragement to make choices, to face difficulties, to discover the sense of joy in progress, to trust that inner guide.

Moreover, such an experiment may be taken up simultaneously in education spaces & schools which prioritize inner discovery and an integral development, as well as in the hybrid structures we have

created which follow more formal curricula and certification courses, on the basis of individual student choices as a collective movement towards a growing *Free Progress* approach.

The proposition may be downloaded [here](#):

REPORT ON 2ND EDITION OF GREENRIDE CYCLOTHON 2025 ON OCCASION OF WORLD CAR FREE DAY 2025

Green Ride Cycles from Auroville involves motivating the people to use the bicycle for moving around in Auroville. This service started the "Auroville Cycle rides" in June, 2023 in creating a bigger family of bicycle lovers and users. The Cycle ride was organized on every second Saturday of the month and it's an open invitation to everyone to participate. We organized for 15 to 20kms distance inside Auroville and had breakfast together after cycling.

Later we thought of organizing a Cyclothon and we did in March 10th 2024 under the name of Auroville Cyclothon (Joy of Cycling). We had 184 participants in it.

In the same year, we thought of doing a cycling event in a competition way to attract the non cyclists around our regions. **Race categories** to make it more fun and to attract professional riders to join. Therefore, we organized a GREENRIDE Cyclothon on **World Car Free Day 2024**. The event was organized under 3 categories.

The 75km, 52km and 23km. The first two categories 75 & 52kms were under Race categories and the 23km category was "Joy of riding bicycle" through the forest and Cycle paths of Auroville.

Following the successful year of 2024, we continued organizing the Cyclothon in March 2025 for Joy of riding. On 12th October 2025, we organized the **2nd Edition of Greenride Cyclothon** in occasion of the **WORLD CAR FREE DAY**.

- 65km Race – 33 Participants
- 47km Race – 52 Participants
- 15km / Joy of Cycling – 22 Participants

Total : 107 participants.

The event started at 05:35am for 65km Elite & Master categories from Certitude Sports Ground, Auroville following the escort vehicle till they reached the highway near Auro-Orchard farm. For the sake of riders the race started on the highway, instead of Auroville and village roads. So, the warm up ride happened from Certitude Sports ground to the Highway.

Following the Elite and Master Categories, the 47km for Amateur-Men, Women and Junior boys Categories rides started at 05:50am from Certitude Sports Ground.

At 06:15am the 15km category for Joy of Cycling started from Certitude Sports Ground, Auroville following the group leaders Eric Avril and Manikandan from Auroville. This ride went through beautiful cycle paths of Auroville Forests.

The Race format completed at the Punjabi Dhaba restaurant on the NH-66, highway near Auro Orchard Farm / Moratandi Toll Plaza.

THE HOLY FOOLS OF SHINING VALLEY
A CHILDREN'S STORY FOR GROWN-UPS : PART 6

The Moral of the Story

And what did the children of Shining Valley learn from all this? They learned that the most dangerous fools are those who think they are wise, and the most ridiculous tyrants are those who dress up their ignorance in holy robes.

But they also learned that laughter is stronger than fear, that kindness can transform even the most confused hearts, and that real wisdom always begins with the simple willingness to get your hands dirty and learn something new.

As the wise founders had taught them long ago: "The truth must be lived, not just proclaimed. And the most perfect plans are useless if they cannot grow a single flower or bake a single loaf of bread or bring a single moment of genuine happiness to a child's heart."

And in Shining Valley, the flowers bloomed, the bread rose, and the children's laughter rang out clear and true, carrying on the breeze a message that no amount of official proclamations could silence: that love is always stronger than law, and that the greatest teachers are often the smallest seeds, growing quietly in the good earth of an open heart.

A VISIT TO THE AVATAR'S AUROVILLE

19 Oct 2025: Observing the throng of visitors, one is looking like she has reached the Divine Sanctuary that is the Avatar's Auroville. This seemingly weary traveller of this wacky human world now seems to expect a little bit of utopia. But lo and behold! The external troubles are even concentrated here! "Where then to go?" She asks. "To Gaza", one human points. "To Hawaii", another offered the possibility. "But lots of volcanoes." A bit too fiery. "To Goa! And just party." "Ooh... too much of that already." "Then to where?... as even here someone suggested it's gonna be World War III." Ayayay!

"But wait a minute! Isn't this supposed to be the City of Dawn of the Divine Consciousness, where the new divine species the Supramental being will emerge, ushering in the Golden Age? The Life Divine? The City the World needs? But what are all these sentinels of the past that seeks to endure doing here loitering about, amongst some very nice good willing and looking folks, anyway?"

After a bit of chit-chat here and there, through muddy slippery supposed-to-be-a-city Auroville roads...

"Aah, it's Unity in Diversity actually... silly me."

HEALING PRACTICES FOR TRAUMA FROM THE PERSPECTIVE OF INTEGRAL YOGA

WHAT IS TRAUMA?

In the light of Integral Yoga, trauma can be seen as a deep imprint left on our being by experiences that overwhelm our ability to assimilate, integrate, or respond harmoniously. More generally, trauma refers to the physical, psychological, and emotional response to deeply distressing or disturbing events that exceed a person's capacity to cope. It is the lasting impact of experiences that threaten one's safety, identity, or wellbeing, or that fall outside the range of typical human experience.

Causes of Trauma

Life events causing trauma may be personal or collective: sudden shocks, long-term stress, abuse of power or authority, violence of any type (physical, emotional, or psychological), extreme pressure, painful relationships (personal or professional), political abuse, threats, displacement, loss of loved ones, loss of home or work, forced changes, witnessing violence, accidents, illness of oneself or others, diagnosis of a serious disease, and many other situations.

Healing Practices for Trauma from the Perspective of Integral Yoga

There are a few ways, inspired by Integral Yoga, to approach trauma with gentleness and the Mother's presence. These are not quick fixes, but steady movements of consciousness that invite healing and transformation over time.

#1 Creating a Quiet Space Within to Heal Trauma

Trauma agitates the mind and nerves. A daily practice of sitting in silence, turning inward, and invoking peace gradually calms these vibrations. No need to "empty the mind" forcefully—simply sit quietly, breathe calmly, and offer yourself to the Mother, asking Her peace to descend into the body and heart.

There will be a healing practice shared each week in the News & Notes. This series is a weekly offering by an Aurovilian therapist, to help people to engage with their personal healing.

KALOU: FROM THEATER TO FLIGHT: WHEN CIRCUS BECOMES AWAKENING

Auroville, India
Innerbeing.world

Discover Kalou's inspiring journey in this second episode of our PASSION series. From her beginnings in Parisian theater at the Avignon Festival to her discovery of circus and integral yoga in Auroville, Kalou shares how life guided her toward her true soul mission: transmitting body awareness to children through the art of aerial circus. Far more than simple technical instruction, Kalou uses aerial disciplines as an active meditation to help young people transform their fears into possibilities, develop their self-confidence, and live fully in the present moment. A touching testimony about heart-to-heart transmission, transcending the ego, and the dream of creating an Auroville circus company to share this transformative practice with the entire world.

SUPPORT NEEDED

APPEAL TO SUPPORT THE MULTIMEDIA CENTRE AUDITORIUM - CINEMA PARADISO

Appeal to Support MMC-CP Multimedia Center Auditorium - Cinema Paradiso

MMC-CP is one of Auroville's most active venues, hosting booked events and free community screenings. We're thankful that rental and personnel maintenance are covered, but our modest monthly budget—for generator, aging equipment, and networking, etc stopped since Oct 2024. Booked programs that once created a surplus have reduced, as several activities scaled down or closed. New costs like accounting, audits, and generator fuel (~₹15K-/month for free screenings) add pressure.

Can You Help?

Auroville units can contribute via the Unity Fund to **MMC-CP FS A/C 105106**. Just ₹3,000/month from 10 contributors sustains us —**two have stepped up, eight more needed**. Individual donors, especially Indian nationals, can also contribute any amount via the Unity Fund. One-time payments to our account, though subject to GST, are still helpful and appreciated. **Every contribution counts.**

Thanking you in advance,
MMC-CP Team

Traditional Sanskrit Mantras with Sonia

- Friday from 5 - 6pm (Regular students only)

In the recitation of Sanskrit Mantras the sound is very important, and the specific pitches and strict rules of intonation and syllabic length should be learned according with the tradition of the great masters of the past, who figured out how to use the voice to calm the mind and attune the practitioner to the more subtle levels of the "sadhana" or spiritual path. Through the harmonic rhythm, repetition and participation in the singing, the mind reaches more clarity, concentration and tranquility.

FAMILY CONSTELLATION WITH SHANTI

SATURDAY 15TH NOVEMBER, ANITYA

Dear community,

Family Constellations will again be offered in Anitya. Shanti is the facilitator for the constellations, and Louise Rose the organizer.

The workshop will be offered from **10 am - 12:30 pm** in Maloka Hall in Anitya community on these dates:

- ~~Saturday 18th October~~
- **Saturday 15th November**
- **and Saturday 20th December**

Family constellation is a process which helps people resolve family traumas and heal ancestral wounds. It uses the facts of the family history. Since it is systemic work, it asks us to include those we don't usually consider as belonging to the family: for example, an ex-partner of a parent. Participants in the workshop will stand as "representatives" in the constellation.

It is not essential that you have experienced Family Constellations before -- just that you have the inner feeling to bring your full presence and that you understand that by coming you will be part of the field in which the work happens. Shanti will give an overview of what is important in this work and teach us how to be a representative.

About the facilitator:

Shanti found this work in 1999 and took many trainings with Bert Hellinger -- the originator of this work -- and with several of his long-time students over the years, both in India and in Germany.

Shanti is offering this work as her gift to the community. Donations for the space in Anitya are appreciated.

Contact them to register:

- Louise for WhatsApp: +91 73053 73562
- Shanti for email: anandshanti@proton.me and landline: (0413) 2623314

DECOLLAGES by Foulax

Graduation day in Transition School is the last day for the 8th grade students before they move on to high school. It is always an emotional moment for Foulax as he greets his students goodbye after teaching them for two years. It's a similar feeling than when your own child leaves home.

Foulax decided to prepare photos and collage for each of them. Originally, it was just a little gift, some funny pictures taken with his first digital camera and some computer effects. But after some years, it slowly became more refined, more detailed.

These collages were always trying to be a bit wild and out of mind to take a break from the more serious field of mathematics. That is why the title is about flying collages, "Décollage" in French means taking off.

THE OTHER SIDE by Rishi

Rishi's paintings seek to break through the veil of perception, exploring the hidden layers of psychology and spirituality. He creates a made-up language of symbols and abstraction, driven by a longing to unveil what lies beyond illusion. Each brushstroke is a step toward the unknown, inviting viewers to confront their inner landscapes and question what's behind the curtain of reality.

His brushstrokes are instinctive and fluid, shaping movement and depth in a way that feels more channeled than planned. He welcomes unpredictability, often scraping, erasing, and reworking the surface to uncover hidden forms and emotions. This meditative process allows him to access a deeper state of consciousness, where painting becomes a bridge between the tangible and the unknown.

Conferees of Grace

11/14/03

The ruby night sparkles with silver and gold,
The car is warm, protected from the cold

And the roadways of our dreaming lead us home
To a haven of safety beneath a star-pierced dome.

The tires hum a hypnotic lullaby
As the mountains of our childhood pass us by

And we are safe in a moulded tin cocoon.
But when the night shall yield again to noon

Might we recall a wistful melody
Or richly wrought plaintive harmony

That moved the soul to wake from its long sleep
The bridges of our ignorance to leap

As visions passed before the inner eye
Of former lives and future destiny.

In childhood's open moments of release
When soul rose up and silent bands of peace

In the playpen of our innocence came down
And the great unanswered "why" was vaguely known

We glimpsed the past, some hint of who we were.
In the labyrinthine mind began to stir

The seeds of consciousness so deeply sown
In plant and animal, not man alone,

Accepting death as life's deep searing scars
In former births attending future stars

To grow towards a supramental race,
Participants and conferees of grace.

Estonia-Poland-Netherlands, 2017, Dir. Rainer Sarnet w/ Rea Lest, Jürgen Liik, and others, Romance-Horror, 115mins, Estonian German-Italian w/ English subtitles, Rated: NR (R)

In a frostbitten Estonian village, Liina longs for Hans, who pines for a noblewoman. Amid werewolves, plague spirits, and soul-stealing kratts, love and survival blur in a world where magic is traded for scraps and hearts are bartered like goods. From the Nordic world comes this much-awarded, haunting and poetic tale of desire, folklore, and grotesque. In a land ruled by spirits, love is the most dangerous spell.

This film is being brought to you in collaboration with Alliance Française. Even with "cemetery" in the title, this is not a scary ghostly film. The Guinean director sets out to find Mouramani, a lost film from 1953 believed to be the country's first. His journey through archives and remote villages becomes a moving reflection on Guinea's forgotten cinematic heritage—a poetic tribute to memory, identity, and the spirit of storytelling.

MONSOON WITH AYURVEDA AND LOCAL PLANTS

During monsoon, the climate is cold and humid, rains and little sunlight increase drastically the moisture in the air and on the ground leading to a more acidic environment, sour taste prevails. The body struggles to keep warm and dry, the digestive power can also be less.

VATA gets cold and gives joint pain, **PITTA** keeps fermenting, **KAPHA** bloats and retains water.

An extra focus will be given to Vata imbalances, as it is the right season to reduce or expel Vata toxins (in body: stiffness, bloating, coldness, pain and inflammation in the joints; in the mind: anxiety, anguish, fear, dismay, confusion, doubts).

This is a period to slow down and care for AGNI – digestive fire

IN THE FOOD :

- All meals are warm, cooked in a sauce-pan, easy to digest, light, spicy
- **Proteins:** Mung dal, beans, chickpeas, lentils (all of these cooked with asafetida to prevent bloating), white meat, egg, peanut
- **Vegetables:** amaranth, green leaves, carrot, beetroot, cauliflower, bitter-snake-bottlegourd, moringa (drumstick), chow-chow, radish, pumpkin – all should be well washed to avoid contamination
- Sweet taste with old grains - barley, rice, millet, oat, wheat
- **Fruits:** apple, pomegranate, banana, papaya, grape, guava, pear

- **Spices:** ginger, pepper, long pepper (pippali), turmeric, cumin, clove, asafoetida, mustard seeds, ajwain, cinnamon, fennel seeds, fenugreek seeds, onion, garlic
- Ghee or sesame/olive/sunflower oil (cold pressed)
- **Drinks:** herbal teas, warm or boiled water, with honey or jaggery
- **Ayurvedic formulas to take after meals:** Panchakola, Trikatu, Hingwashtak churna... with honey.

AVOID :

- All food with yeast/baking powder, cheese, yogurt, curd, lassi, beer
- Drinking too much liquid during or straight after meals
- Uncooked vegetables and salads
- Heavy and difficult to digest (fried food, pizza at dinner, etc)
- Milk coffee, ice cream
- Carbonated soft drinks.

IN ACTIVITIES :

- Be regular in the daily routine, especially in taking meals and going to bed
- Time to keep Vata balanced with Abhyanga (oil massage + steam bath), Shirodhara (warm oil on forehead), Basti (warm oil enema)
- Foot bath with warm salty water
- Wash with warm water (shower or bath)
- Keep body warm: neck and feet especially
- Soft physical exercise: 30 minutes a day
- Yoga, Pranayama, Meditation-concentration, Qi-Gong...
- Fumigation with eucalyptus, neem, sage
- Nasya (oil drops in the nose) with Anu Tailam at bedtime or in the morning to clear the sinuses.

AVOID :

- Siestas and day naps
- Intense physical sport or work
- Moist and cold air, wind, fan
- Staying humid after being in the rain
- Long hours in front of the computer
- Skipping meals or fasting
- Staying awake late at night
- Too many travels.

Most of the above aggravate Vata.

HERBS AND MEDICINAL PLANTS FOR THE RAINY SEASON :

- Moringa – Moringa Oleifera: to balance Vata and Kapha by increasing the digestive power
- Bhunimba (Nilavembu) – Andrographis paniculate: in feverish condition
- Guduchi (Giloy) – Tinospora cordifolia: natural immunoregulator
- Haritaki – Terminalia chebula with a little of rock salt: to balance Vata and ease bowel movement
- Dashamoolarishtam – for joint pain and inflammation, to balance Vata.

Enjoy the rain and stay warm and cosy!
