PONDERING

A tree is separate as an object or phenomenon, but it is not a separate existence divided from all around it; there is a one-existence and a one-energy that has taken form of tree, constitutes every atom, molecule, fibre of it, pervades and is its whole structure of being and this existence, this energy not only abides in all of it and flows through all of it but extends everywhere around and is, constitutes, energises all other objects in the cosmos.

IMPORTANT UPDATE ON PRINT EDITION

Dear Community,

Thank you for your continued support over these past three years. The RA News & Notes was born from a need to provide residents and their duly-appointed representatives a space to express themselves beyond arbitrary censorship. We are proud to have sustained this work and intend to continue as long as it remains necessary and meaningful.

However, we now face a challenge. Due to some constraints, **we may not be able to continue printing the RA News & Notes from January 2026 onwards.**

If you currently receive a print copy and are concerned about this possible discontinuation, please reach out to us at newsandnotes@auroville.services.

If you would like to support our work, we welcome you to contact us at the same address.

The online version will keep being published. You can find all issues here: www.auroville.media/newsandnotes

ALEXANDRE PASSES AWAY

This is to inform the community that Alexandre Manganò passed away in Mahalakshmi home Friday 12th December 2025.

Alex was born in France as a French national, from parents of Italian origin.

About his family history, Alex wrote: "My great-great-grandfather was prime minister of the first Italian government, my midwife grandmother, was a fighter on the battlefields of the First World War, in the Garibaldina Brigade, alongside her father of her Medical general of the same Brigade. My grandfather, Captain Orthopedic Doctor, fell on the battlefield of Massawa. My naval officer father, on 8 September 1943, when the armistice was proclaimed, entered as a fighter in the Caduri Partisan Brigade, of which he was the only survivor of the shooting of his comrades."

In his working life before Auroville, he was an orthopedist in several African countries, specializing in prosthetics for adults and children, and he ended his career as brand manager of the largest Italian orthopedic institute. After his retirement, he attended a three-year academy of Naturopathy, with a focus on reflexology.

In 2019 Alex, in his senior years, decided to join Auroville, where he started volunteering at the Morgan café, and also at the Food Laboratory with Lorenzo, and at the Matrimandir laundry. His calling was to work with differently abled children, to practise his knowledge as an orthopedist and naturopath. Sadly a major part of his newcomer period happened to be in lockdown, he had health problems and had to move into and out of various houses, till finally he was able to settle in Invocation.

Cooking and catering was another interest of his, and for a while he worked at Avam (ex-Le Morgan). People will remember him for his great mustache and portly appearance.

This is how he put into words his aspiration to live in Auroville: "Let's say that I came to Auroville to make Mère's thought active: No words - Acts."

Alex is survived by his wife and 9 children and 17 grandchildren. The cremation took place on Sunday 14th December at the Auroville Burial and Cremation Ground.

REMEMBERING ALEX

A good man, highly educated, with weaknesses but a big heart, has left us. His noble father was a police chief of the Italian partisans. This is what we had in common: noble ancestry dedicated to the Cause.

Farewell Alex. Now there is no one left here to reminisce with the glorious times of the Italian Resistance to Nazi-Fascism, our birthmark. That world is over. And with it, the Ideal.

The authors of the Youth Centre petition have decided to move the petition to the Change.org platform in an attempt to reach a wider audience.

Please sign (or re-sign) the petition using the link below:

We apologise for any confusion this may have caused.

In solidarity,

Supporters of the Auroville Youth Centre

For extra information, please watch this video:

<https://www.youtube.com/watch?v=rtr0Li-MQbg>

and see the letter they received from the so called FAMC:

Dear Deep and Dingbawi,

This email is in follow-up to the meeting held with both of you, the Auroville Working Groups, and the Auroville Foundation on **9 December 2025 at the AVF Meeting Room**.

The following points were **collectively decided** to take things forward:

- 1. Vacating the Ex-Youth Centre:**
Deep and Dingbawi vacate the Ex-Youth Centre huts by **Monday, 15 December 2025**, and regularise themselves in the Register Of Resident (RoR). The Ex-Youth Centre must be closed and handed over to ATDC by **15 December 2025**.
- 2. Inventory and Assets:**
FAMC and ATDC will take possession of the site and carry out a full inventory of all assets at the Ex-Youth Centre. All structural items that will be salvaged and dismantled must be documented. The Working Committee, FAMC, ATDC and ASES will assist in carrying out this task.

3. Accommodation and Work Integration:

Once Deep and Dingbawi register in the RoR, Margarita and Arun are ready to support them in securing accommodation and aligning them with suitable work opportunities within Auroville.

4. Closure of Social Media:

All Ex-Youth Centre social media pages must be closed.

5. News & Notes:

News & Notes would be informed **not** to publish any announcements from the Ex-Youth Centre.

6. Site Closure and Activities:

The Ex-Youth Centre has been officially closed by the FAMC for the past two years, and no activities are permitted at the site. All youth-related activities should be facilitated through Youth-Link. Materials currently at the Ex-Youth Centre may be handed over to Youth-Link and the Vocational Training Centre.

7. Previous Requests from ATDC:

ATDC has repeatedly requested that activities at the Ex-Youth Centre be shifted to the new Vocational Training site, but no steps were taken toward this earlier.

Best regards,
Working Committee, FAMC and ATDC

RESPONSE TO THE STATEMENT CIRCULATED REGARDING THE YOUTH CENTRE

Dear Arun, Selvaraj, Anu, Chandresh, Partha, Margarita, Sindhuja, Jaya and Joseba,

We are compelled to respond to the statement circulated on the 14th of December by the Working Groups appointed by the GB concerning the Youth Centre (YC), as it presents a selective and misleading narrative that does not accurately reflect either the history of the YC or the nature of the engagements that have taken place.

First, the assertion that the YC was initiated with the intent to obstruct the Master Plan is a serious allegation that is neither substantiated by documented resolutions nor reflective of the motivations of those involved. The YC emerged as a youth-oriented, community-supported initiative responding to an evident social, cultural and educational need within Auroville. Any references to a single meeting or isolated statements by individuals cannot be retroactively framed as intent, nor can they justify collective punishment or erasure of years of community contribution and appreciation.

Second, the repeated portrayal of the YC as a space of civic, safety, and moral violations relies on generalised claims, anonymous “reports”, and unverified allegations. To date, no formal charges, police cases, or substantiated findings have been presented to the YC or the community to support these claims. Conflating unproven allegations with established facts undermines principles of fairness, transparency, and restorative dialogue that Auroville has long stood for.

Regarding administrative status, it is inaccurate to suggest that the YC “chose” non-compliance. The YC has repeatedly sought clarity and pathways for regularisation over the years, often receiving inconsistent, obstructive or delayed responses. The closure of the Financial Service account and withdrawal of basic services, such as electricity, occurred without a mutually agreed outcome, while later citing that very lack as justification for closure.

The claim that YC representatives “failed to respond” over a three-year period also misrepresents the record. Multiple communications, meetings, and written submissions were made, many of which remain unanswered or unresolved. The absence of a transparent, participatory, and time-bound process has contributed significantly to the current impasse.

Most importantly, the framing of this situation as one of tolerance followed by enforcement obscures a deeper issue: the erosion of trust, due process, and community spirit over the last four years. Decisions of such magnitude impacting lives, livelihoods, and community spaces cannot be legitimised through public statements alone, especially when those directly affected have not been given a fair platform to respond or to co-create solutions, and should be brought to the whole community.

We reiterate that the YC does not deny the need for lawful, safe, and accountable functioning within Auroville. What we contest is the construction of a narrative that justifies closure through mischaracterisation and historical and ideological grievances rather than participatory resolution that includes the wider community.

We remain open to an honest, documented, and mediated process that distinguishes facts from assumptions, addresses concerns without vilification, and upholds the spirit of collective responsibility and mutual respect.

Sincerely,
Deep and Dingbawi

HOW IS THE SUPERMIND WORKING?

Question: Based on Sri Aurobindo and the Mother's revelations, how is the Supermind or the Supramental Consciousness-Force working to transform this evolutionary world of Matter that is a concentration of all the other graded subtle physical and supraphysical worlds?

Answer: *"The Supramental Consciousness-Force, as revealed by Sri Aurobindo and The Mother, is the Truth-Consciousness that transcends the limitations of mind, life, and matter, and it is actively working to transform the evolutionary world of Matter. This transformation is a profound process that integrates the spiritual and material dimensions of existence, aiming to manifest a divine life on Earth. Here are the key aspects of this transformative action:*

1. The Role of the Supermind in Evolution

The Supermind is the original creative power, a supramental Consciousness-Force that is greater than mind and life. It is the dynamic principle of the Spirit, capable of transforming the inconscience of Matter into a conscious, spiritualized substance. This transformation involves making the mental being supramental, spiritualizing material substance, and establishing the law of gnostic consciousness in the evolutionary process [1 | cwsa-Vol-22] [2 | cwsa-Vol-22].

HEALING PRACTICES FOR TRAUMA FROM THE PERSPECTIVE OF INTEGRAL YOGA

WHAT IS TRAUMA?

In the light of Integral Yoga, trauma can be seen as a deep imprint left on our being by experiences that overwhelm our ability to assimilate, integrate, or respond harmoniously. More generally, trauma refers to the physical, psychological, and emotional response to deeply distressing or disturbing events that exceed a person's capacity to cope. It is the lasting impact of experiences that threaten one's safety, identity, or wellbeing, or that fall outside the range of typical human experience.

Causes of Trauma

Life events causing trauma may be personal or collective: sudden shocks, long-term stress, abuse of power or authority, violence of any type (physical, emotional, or psychological), extreme pressure, painful relationships (personal or professional), political abuse, threats, displacement, loss of loved ones, loss of home or work, forced changes, witnessing violence, accidents, illness of oneself or others, diagnosis of a serious disease, and many other situations.

Healing Practices for Trauma from the Perspective of Integral Yoga

There are a few ways, inspired by Integral Yoga, to approach trauma with gentleness and the Mother's presence. These are not quick fixes, but steady movements of consciousness that invite healing and transformation over time.

#8 Bach Flower Rescue Remedy for Trauma relief

A useful aid is *Rescue Remedy* (found in homeopathic pharmacies and in Auroville pharmacy). Take 3 globules under the tongue every 20 minutes as needed until calm returns. Safe for children and animals as well.

There will be a healing practice shared each week in the News & Notes. This series is a weekly offering by an Aurovilian therapist, to help people to engage with their personal healing.

CELEBRATING 30 YEARS OF STUDIO NAQSHBANDI IN AUROVILLE

MON 15TH - SAT 20TH DECEMBER

It's been 30 years since I started practicing in Auroville as a bright-eyed, idealistic young architect, ready to begin an adventure!

And what a great privilege it has been to build and design for and in Auroville. The journey has had its ups and downs - from the joy of seeing a building take shape to often facing challenges typical to Auroville's planning processes... but mostly it has been a humbling experience, one of learning to unlearn and getting to know oneself better.

I have been thinking how to share this moment with the larger community and have the idea to have an **OPEN HOUSE** of **7 different projects** created by me, from **15-20 December 2025**.

This way you can have a glimpse into the world of architects and architecture - how a concept drawn as a sketch becomes a built creation and takes a life of its own; of all the different agencies that come into play to birth a building. Our gestation period from the first sketch to starting the construction is typically about 2-4 years if we are lucky !

Following are the buildings and their locations, days and timings. We have got special permissions to show everyone around and the users (in most cases), contractors of the building and our team at Studio Naqshbandi will be present to explain, answer and have some documentation ready for you.

SOLITUDE FARM CAFÉ –

20 YEARS OF LIVING FOOD CULTURE

FREE GUIDED FARM TOURS EVERY SATURDAY

For over 20 years, Solitude Farm Café has been a living example of local and traditional food systems in Auroville. Rooted in cultural and nutritional heritage, the café prepares food using a wide diversity of edible weeds, tubers, flowers, leaves, roots, stems, seeds and seasonal vegetables, all grown through natural, non-interventional farming practices.

The food is deeply nutritious and full of distinctive flavour, while also addressing the ecological cost of industrial agriculture—monocropping, long food miles and heavy carbon footprints—by growing and cooking what truly belongs to this land.

Solitude serves breakfast and lunch daily, offers a daily local food thali lunch as an alternative lunch venue, and offers a Lunch Scheme for Aurovillians not on city service maintenance. A small farm shop on site sells Ayurvedic powders, jams, pickles and fresh farm produce.

Free guided farm tours take place every Saturday at 11:30 am, sharing the narrative of natural farming and the reclaiming of cultural nutritional heritage.

We look forward to receiving more Aurovillians at the farm.

SUPPORT NEEDED

APPEAL TO SUPPORT THE MULTIMEDIA CENTRE AUDITORIUM - CINEMA PARADISO

Be Part of The Story: Support

Multimedia Center Auditorium – Cinema Paradiso (MMC-CP)

Community cinemas worldwide thrive on support from their audiences. At Cinema Paradiso, our core funding now covers only basic maintenance. We handle everything else ourselves, from fuel to upgrades. Since COVID, operational budgets dried up, costs rose, and fewer events mean less income. Generator expenses once covered outside the budget now fall on us.

To cover ongoing expenses, we set a goal of 8 Auroville units. Three units already contribute ₹3,000/month each, and we are grateful for their support. We now invite 5 more units to join them. Individuals and film lovers are also welcome to contribute as well. Every bit of support helps.

Indian nationals and unit holders in Auroville (from any nation) can donate by setting up recurring or one-time contributions via the Unity Fund at our Financial Service. This ensures your support goes straight to MMC – Cinema Paradiso (FS Account #105106). Direct payments to our FS Account are not considered donations and will incur 18% GST for us. However, if that works better for you, please go ahead. Non-Indian nationals (from within Auroville or elsewhere) are welcome to contribute by contacting AV Unity Fund at Financial Service for guidance.

Your contribution helps keep screenings alive and strengthens community spirit. Be part of the story.

Thanking you
MMC-CP Team

FIELDNOTES by Madhuri K.

MARKING LUMINESCENCE by Sameer Rao

Although they work with different media, the two artists reveal many affinities. Madhuri's photographs and Sameer's wooden cuts draw their inspiration from an imagination shaped by images of nature, reinterpreted through the lens of emotion and inner experience.

Their artistic practice seeks to reclaim space in order to create memories within a geography close to abstraction. They favor refined techniques, such as silver photographic paper prints for Madhuri, and wooden cuts prints on handmade paper, cotton, and silk for Sameer.

The Eternal Banyan

Beneath the sky's vast gaze,
a seed once fell into the earth's open palm.
A tiny promise, wrapped in silence, waiting.
And then—life stirred.

A slender shoot rose from darkness,
drinking deep from unseen rivers.
Roots reached downward, seeking
the whisper of ancient stones,
While branches stretched skyward,
weaving a song of light.

But the banyan is never one.
Its roots, like wandering pilgrims,
descend again to the soil,
Rising anew, as if each moment were a beginning.
What was once a single stem becomes many,
A great forest born from its own embrace.

So too are we—
Branches of time, roots of memory,
Entangled in the vastness of being.

The banyan stands at the confluence of earth and sky,
where the seen and the unseen intertwine.
As rivers carve the land, as galaxies unfurl in the womb of space,
so does this tree weave its silent hymn of becoming.

What is a seed is also the flower.
What is the root is also the branch.
And the soil—
the dark, waiting soil—
is the grand womb of creation itself.

And so, like the banyan,
we grow, we return, we rise again—
Forever intermingling, forever becoming.

Here, beneath the banyan canopy,
We remember:
Nothing stands alone.
The river and the rain,
the earth and the stars,
the body and the spirit —
The Milky Way and the Milky Ocean
All are woven into an endless dance.

AYURVEDIC RECOMMENDATIONS FOR WINTER

We are now at the peak of *Visarga Kala*, when the moon has more influence in the Northern Hemisphere and provides calming, soothing energy. The cold outside urges us to turn inwards, and this prevents the *doshas* from being over-stimulated by external factors and situations. In this "cocooning" atmosphere, *Kapha* and *Agni* contribute to protect us from the cold. Through a digestive fire (*Agni*) that becomes stronger and asks for more nourishing food and bigger portions, we are strengthening and reinforcing our immunity, nourishing well the body tissues for the year to come. The three constitutions (*prakruti*) experience their *Kapha* increasing with the adipose tissue to protect from the cold: less for *Vata* people, moderate for *Pitta* people and more for *Kapha* people.

In the energy, there's a feeling of coming back to the warmth of our inner place. If this energy is imbalanced, it may give a sense of emptiness in the heart, dullness in the mind or feeling depressed or lonely (these are *Vata* or *Kapha* imbalances).

During winter, we are going to assist the body to regenerate by keeping a strong digestive fire (*Agni*) – in the abdomen for an optimum nutrient assimilation, in the mind for clarity and in the heart for joy and kindness.

GENERAL GUIDELINES IN THE FOOD:

"The dishes that can be consumed during this season are meat soup topped with ghee, meat of healthy animals, beverages prepared with molasses and rice flour, pastries prepared using wheat, rice flour, black gram, sugarcane juice and milk products which are delicious and nourishing, fresh rice, gingelly oil and bone marrow" from the book *Ashtanga Hrdaya*, *Sutrasthana*, Chapter 3 *Rtucharya*, Sloka 11-14

- Sweet, sour and salty tastes are best for this season
- Eat warm, cooked food spiced up with: ginger, pepper, turmeric, cumin, clove, asafoetida, mustard seed, ajwain, cinnamon, fennel seed, fenugreek seed, onion, garlic
- Proteins: Mungdal, black gram (*Maasha*) beans, chickpeas, lentils, white meat, egg, mutton (meat soup), nuts and seeds, spirulina, hemp seeds
- Vegetables: green leaves, carrot, beet, eggplant, cauliflower, broccoli, bitter-snake-bottlegourd, moringa (drumstick), chow-chow
