PONDERING

We surrender to Thee this evening all that is artificial and false, all that pretends and imitates. Let it disappear with the year that is at an end. May only what is perfectly true, sincere, straight and pure subsist in the year that is beginning

Three Conceptions of the World

1. *Buddhist and Shankarite:*

The world is an illusion, a field of ignorance and suffering due to ignorance. The one thing to do is to get out of it as soon as possible and to disappear into the original Non-Existence or Non-Manifestation.

2. *The Vedantic as very commonly understood:*

The world is essentially divine, for the Divine is omnipresent there. But its exterior expression is distorted, obscure, ignorant, perverted. The one thing to do is to become conscious of the inner Divine and remain fixed in that consciousness without troubling about the world; for this external world cannot change and will always be in its natural state of unconsciousness and ignorance.

3. *Sri Aurobindo's view:*

The world as it is, is not the divine creation it is meant to be, but an obscure and perverted expression of it. It is not the expression of the divine consciousness and will, but this is what it is meant to become; it has been created to develop into a perfect manifestation of the Divine under all His forms and aspect - Light and Knowledge, Power, Love and Beauty.

page 17

This is our conception of it and the aim we follow.

24 February 1936

*

The usual sadhanas have for aim the union with the Supreme Consciousness (Sat-chit-ananda). And those who reach there are satisfied with their own liberation and leave the world to its unhappy plight. On the contrary, Sri Aurobindo's sadhana starts where the others end. Once the union with the Supreme is realised one must bring down that realisation to the exterior

world and change the conditions of life upon the earth until a total transformation is accomplished. In accordance with this aim, the sadhaks of the integral yoga do not retire from the world to lead a life of contemplation and meditation. Each one must devote at least one third of his time to a useful work. All activities are represented in the Ashram and each one chooses the work most congenial to his nature, but must do it in a spirit of service and unselfishness, keeping always in view the aim of integral transformation.

To make this purpose possible, the Ashram is organised so that all its inmates find their reasonable needs satisfied and have not to worry about their subsistence.

The rules are very few so that each one can enjoy the freedom needed for his development, but a few things are strictly forbidden: they are (1) politics, (2) smoking, (3) alcoholic drink and (4) sex enjoyment.

page 18

Great care is taken for the maintenance of good health and the welfare and normal growth of the body of all, small and big, young and old.

24 September 1953

*

The more I go, the more I know that it is in work that Sri Aurobindo's integral yoga is *best done*.

9 October 1966

*

It is not what you do but the spirit in which you do it that is important for the integral Yoga.

★🌱 SUPPORT THE AUROVILLE YOUTH CENTER 🌱★

Dear Auroville family near and far,

So far we have received over **2,700 signatures** (as of 19.Dec) in support of the Auroville Youth Centre.

We must state clearly that the eviction of the youth and the destruction of the Youth Centre are unlawful and contradict the very spirit of Auroville.

The youth are our collaborators and vital co-stewards of Auroville. It is deeply unjust that they are subjected to continuous attacks by the Secretary, the Governing Board, and a handful of followers who have lost their moral as well as spiritual compass.

Petition link :

<https://c.org/YwknWYBCGP>

Please sign, share, and help protect our youth in these deeply troubling times.

In solidarity,

Concerned residents and well-wishers of Auroville

RESIDENTS SPEAK

WE ALL ARE

Hey you! Steeped in confusion,
Pondering to escape to some heaven.

But wasn't it you who chose
To be here in the first place?

Look again closely at each being
Playing in this Great Cosmic Game:
The roles we are choosing to play.

Or so it mesmerisingly seems.

Some are puppeteered by others
More cunning and powerful
Lurking in the dark shadows,
Incognito, unseen, in control.

To the receptive and restless,
The key to true freedom's emergence
Is to give yourself to a Force
Infinitely Greater than anyone else's
Including your puny little own.

And who is this Being Grand
In Earth's vast battleground?

...

The Spirit of Auroville.

HEALING PRACTICES FOR TRAUMA FROM THE PERSPECTIVE OF INTEGRAL YOGA

WHAT IS TRAUMA?

In the light of Integral Yoga, trauma can be seen as a deep imprint left on our being by experiences that overwhelm our ability to assimilate, integrate, or respond harmoniously. More generally, trauma refers to the physical, psychological, and emotional response to deeply distressing or disturbing events that exceed a person's capacity to cope. It is the lasting impact of experiences that threaten one's safety, identity, or wellbeing, or that fall outside the range of typical human experience.

Causes of Trauma

Life events causing trauma may be personal or collective: sudden shocks, long-term stress, abuse of power or authority, violence of any type (physical, emotional, or psychological), extreme pressure, painful relationships (personal or professional), political abuse, threats, displacement, loss of loved ones, loss of home or work, forced changes, witnessing violence, accidents, illness of oneself or others, diagnosis of a serious disease, and many other situations.

Healing Practices for Trauma from the Perspective of Integral Yoga

There are a few ways, inspired by Integral Yoga, to approach trauma with gentleness and the Mother's presence. These are not quick fixes, but steady movements of consciousness that invite healing and transformation over time.

#10 Humming Technique to quieten the mind after a Trauma

For mental agitation: hum forcefully for 5–10 minutes, morning and evening if possible. Direct the vibration inward, gradually down toward the pelvic floor. This clears the mind and brings peace and balance. It is a powerful way to balance the vagus nerve and hence bring back harmony into the digestive system and other organs in the body.

There will be a healing practice shared each week in the News & Notes. This series is a weekly offering by an Aurovillian therapist, to help people to engage with their personal healing.

AUROVILLE STORIES 2068 - THE FIRST 100 YEARS

How has Auroville changed your life?

What are your most hopeful visions for our collective future?

Last March, a packed Cinema Paradiso witnessed a dozen deeply personal short stories — reflections on why we came to Auroville and glimpses of our best imagined futures. Watch some at: <https://www.youtube.com/@AurovilleStories>

Please register at bit.ly/AurovilleStories2068 to join a **new cohort of storytellers** who will craft and share short (3–5 minute), realistic and hopeful “future memories” from Auroville’s 100th anniversary in 2068. Our intentions are to...

- **Inspire each other and the world**, at a time when many are yearning for hope, solidarity, and reminders of what Auroville and humanity are destined to become.
- **Rise above internal divisions and “find truth in the balance,”** remembering The Mother’s words: “If you are on one side, you are necessarily wrong.”
- **Give narrative form to Auroville’s evolving Master Plan**, illuminating inner, social, cultural, and planetary dimensions alongside physical development.
- **Have a lot of fun along the way!**

This is an **apolitical project**. Aurovilians, Newcomers and non-Aurovilians are welcome — from all perspectives and statuses. Our intention is to create a **safe space for dreaming, not diatribe**.

Daniel Greenberg, Ph.D. (daniel@ic.org), long-term Friend of Auroville (along with a few others) will facilitate the series and use story circles, guided visualizations, and creative exercises and prompts (including characters from his SciFi novel-in-progress) to help participants move beyond habitual frames and dream into lived possibilities.

Let’s imagine — and remember — our future together.

THE INNERBEING PROJECT: LATEST UPDATES

Over the past month and a half, the InnerBeing Project has met several beautiful individuals and communities throughout the Iberian Peninsula who share the similar ideal as Auroville: fostering a new society that prioritizes Inner Guidance.

Now, we pause for a few days amidst olive trees before taking the ferry to Italy for the second part of our journey.

We’ve witnessed an uplifting paradox connected to Auroville that reflects a worldwide occurrence, and we’d like to share it with you.

On one hand, there still exists this medieval attitude where a handful of people are leading today’s physical Auroville and the physical world in an outdated manner, blind and deaf to the shift of consciousness that is rippling everywhere on Earth.

On the other hand, countless people are recognizing the dead zone of this narrow-minded and egoistic attitude. They’re opening their minds and hearts until they connect to their souls, and beginning to build the subtle new Auroville and the subtle new World from a new state of consciousness.

Many of these people that we encountered might not even have heard about Auroville, and yet they carry the true “Aurovilian Spirit” in their behavior.

We believe that a day will come when Auroville will be the whole world, and the whole world will be Auroville, regardless of what name the new humanity gives to Auroville and the world.

Saturday, 3rd January
2026
from 9 to 12 pm & 3 to 5 pm

The healing power of the voice lies in its ability to gently shift the inner world. When sound flows through the body, it can create a sense of calm, ease tension, and reconnect the mind with the heart. The vibrations of humming, toning, or simple vocal expression help the body settle, clear emotional heaviness, and restore a feeling of wholeness. Using the voice in this way invites a deeper presence, allowing the body to breathe more freely and the heart to open with renewed clarity.

SOLITUDE FARM CAFÉ - 20 YEARS OF LIVING FOOD CULTURE FREE GUIDED FARM TOURS EVERY SATURDAY

For over 20 years, Solitude Farm Café has been a living example of local and traditional food systems in Auroville. Rooted in cultural and nutritional heritage, the café prepares food using a wide diversity of edible weeds, tubers, flowers, leaves, roots, stems, seeds and seasonal vegetables, all grown through natural, non-interventional farming practices.

The food is deeply nutritious and full of distinctive flavour, while also addressing the ecological cost of industrial agriculture—monocropping, long food miles and heavy carbon footprints—by growing and cooking what truly belongs to this land.

Solitude serves breakfast and lunch daily, offers a daily local food thali lunch as an alternative lunch venue, and offers a Lunch Scheme for Aurovillians not on city service maintenance. A small farm shop on site sells Ayurvedic powders, jams, pickles and fresh farm produce.

Free guided farm tours take place every Saturday at 11:30 am, sharing the narrative of natural farming and the reclaiming of cultural nutritional heritage.

We look forward to receiving more Aurovillians at the farm.

SUPPORT NEEDED

APPEAL TO SUPPORT THE MULTIMEDIA CENTRE AUDITORIUM - CINEMA PARADISO

Be Part of The Story: Support
Multimedia Center Auditorium – Cinema Paradiso (MMC-CP)

Community cinemas worldwide thrive on support from their audiences. At Cinema Paradiso, our core funding now covers only basic maintenance. We handle everything else ourselves, from fuel to upgrades. Since COVID, operational budgets dried up, costs rose, and fewer events mean less income. Generator expenses once covered outside the budget now fall on us.

To cover ongoing expenses, we set a goal of 8 Auroville units. Three units already contribute ₹3,000/month each, and we are grateful for their support. We now invite **5 more units** to join them. Individuals and film lovers are also welcome to contribute as well. Every bit of support helps.

Indian nationals and unit holders in Auroville (from any nation) can donate by setting up recurring or one-time contributions via the Unity Fund at our Financial Service. This ensures your support goes straight to MMC – Cinema Paradiso (FS Account #105106). **Direct payments to our FS Account** are not considered donations and will incur 18% GST for us. CULTURAL ANNOUNCEMENTS

DOUBLE EXHIBITION :

- **FIELDNOTES** BY MADHURI K.
 - **MARKING LUMINESCENCE** BY SAMEER RAO
- FROM 26TH DECEMBER - 10TH JANUARY, CENTRE D'ART

MARKING LUMINESCENCE by Sameer Rao

Sameer's artworks unfold like quiet interior landscapes — spaces shaped not by geography, but by memory, sensation, and the small fragments that remain with us long after a moment has passed. His images do not aim to describe the outside world directly; instead, they form terrains built from impressions: a ladder, a footprint, an animal form, a soft patch of colour, a cluster of dots, the grain of plywood, the gentle pull of cotton. Together, these elements settle into expanses that feel lived-in, travelled through, and remembered.

In these works, abstraction becomes a way of organising memory. Shapes appear like markers on a map: hints of land, pathways, shifting fields, or ambiguous forms that echo both nature and dream. His strokes — small, precise, layered — gather and disperse across the surface like winds moving over open ground. The colours, subtle and muted, wash gently over the composition, creating quiet horizons and soft depths. One senses distance, a slow unfolding, a landscape that holds its own time.

There is a steady rhythm across his works, a way the elements return — not as repetition, but as continuity. Footsteps, animal forms, shadows, patterns of dots or lines: these are like recurring features of his internal terrain. Nothing is literal, yet everything feels placed with intention, creating a feeling that each artwork is another part of the same vast map.

To look at Sameer's art is to move through a land shaped by thought and emotion. The surfaces invite the viewer not to decode, but to drift — to follow the gentle suggestions of texture and form, to sense rather than interpret. His works open a quiet space where imagination can walk freely, discovering landscapes that belong as much to the viewer as to the artist.

NEW EXHIBITION : THE GOLDEN FUTURE

DEC 2025 - JAN 2026, AURELEC

We are living in turbulent times, as we all know. However, the good news is that we are moving towards a new fifth-dimensional Golden Age that will be a time of peace and happiness when the world will have changed beyond recognition for the better.

What is a golden age?

A Golden Age is when every person, animal, tree, plant and the land itself radiates a golden aura. Gold is the colour of love and wisdom, so a Golden Age is a time of peace, harmony and abundance, when everyone co-operates for the highest good.

In the coming Golden Age, the air and water will be pure and there will be nutritious food for everyone. New spiritual technology will support us, providing limitless ecological and free power.

In fifth-dimensional consciousness, everything we need will come to us automatically and effortlessly. We will all be attuned to the angelic and spiritual worlds.

POETRY

Weeping Weapons

The cry for battle
seeps into human minds—
through cracks in human hearts—
from tainted warlords
who paint the world
with stains of blood,
shed or slain,
drop by drop.

History recycles.
Humans strive to survive,
and suffer again,
licking the open wounds
cut by weeping weapons—
by words that incite,
by swords that spite.

In the humdrum of it all,
few have paused to wonder:
in cutting the cord of connection
with the Mother's womb,
what utter separation we suffer
from the Source,
from the siblings of our own blood.

The evil once vanquished
has risen again—
so close, closer than breath—
ready to feed the fire
that may drug us into night,
or light the house from inside.

AYURVEDIC RECOMMENDATIONS FOR WINTER

We are now at the peak of *Visarga Kala*, when the moon has more influence in the Northern Hemisphere and provides calming, soothing energy. The cold outside urges us to turn inwards, and this prevents the *doshas* from being over-stimulated by external factors and situations. In this "cocooning" atmosphere, *Kapha* and *Agni* contribute to protect us from the cold. Through a digestive fire (*Agni*) that becomes stronger and asks for more nourishing food and bigger portions, we are strengthening and reinforcing our immunity, nourishing well the body tissues for the year to come. The three constitutions (*prakruti*) experience their *Kapha* increasing with the adipose tissue to protect from the cold: less for *Vata* people, moderate for *Pitta* people and more for *Kapha* people.

In the energy, there's a feeling of coming back to the warmth of our inner place. If this energy is imbalanced, it may give a sense of emptiness in the heart, dullness in the mind or feeling depressed or lonely (these are *Vata* or *Kapha* imbalances).

During winter, we are going to assist the body to regenerate by keeping a strong digestive fire (*Agni*) – in the abdomen for an optimum nutrient assimilation, in the mind for clarity and in the heart for joy and kindness.

GENERAL GUIDELINES IN THE FOOD:

"The dishes that can be consumed during this season are meat soup topped with ghee, meat of healthy animals, beverages prepared with molasses and rice flour, pastries prepared using wheat, rice flour, black gram, sugarcane juice and milk products which are delicious and nourishing, fresh rice, gingelly oil and bone marrow" from the book *Ashtanga Hrdaya, Sutrasthana, Chapter 3 Rtucharya, Sloka 11-14*

- Sweet, sour and salty tastes are best for this season
- Eat warm, cooked food spiced up with: ginger, pepper, turmeric, cumin, clove, asafoetida, mustard seed, ajwain, cinnamon, fennel seed, fenugreek seed, onion, garlic
- Proteins: Mungdal, black gram (Maasha) beans, chickpeas, lentils, white meat, egg, mutton (meat soup), nuts and seeds, spirulina, hemp seeds
- Vegetables: green leaves, carrot, beet, eggplant, cauliflower, broccoli, bitter-snake-bottlegourd, moringa (drumstick), chow-chow
- Sweet = Cereals: millets, wheat, barley, rice, oats
- Sweet = fruits: apple, banana, chiku, papaya, passion fruit, pomegranate, grape, guava, pear, rosella, all citrus preferably sweet

- Ghee or sesame oil, olive, sunflower, apple cider vinegar
- Beverages: herbal masala teas, hot water, with honey or jaggery, sugarcane juice, golden milk with turmeric

TO AVOID:

- Cheese, yogurt, curd, lassi at dinner (they should be eaten at breakfast or lunch)
- Cold beverages, ice-cream
- Raw vegetables and food that is heavy and difficult to digest (deep fried, etc.)

HEALTHY ROUTINE FOR WINTER:

- Main principle: stabilize, centre, nurture and recharge
- Sleep longer
- Keep a regular rhythm (with meals and bedtime)
- Massage with sesame oil + apply heat to let the oil penetrate
- Hot shower or bath, Foot bath with warm salty water
- Keep the body warm with cotton, wool, silk, leather
- Physical exercise: 30 minutes daily of stimulating Yoga, Pranayama, Meditation-concentration, Qi-Gong, Toning...
- Nasya: put 1 drop of Anu Tailam in each nostril at bedtime or in the morning if the nose is congested

TO AVOID:

- Prolonged fasting
- Humid and cold air, wind, fan
- Long hours at the computer
- Stay awake late at night

SOME AYURVEDIC PLANTS OR PREPARATIONS FOR WINTER:

- For a better digestion: ginger, cinnamon, pippali (long pepper), Be No1 (ginger, turmeric, black pepper) or Trikatu (for *Kapha*), Hingwashtak churna (for *Vata*), Avipatikar churna (for *Pitta*), taken after a meal with a little bit of honey
- For cold, cough and respiratory infections: tulsi, karpuravalli (*Coleus amboinicus*), Be No3 (ginger, turmeric, black pepper, tulsi, amla, cinnamon), Sitopaladi churna, Talispatradi churna
- For inflammation, joint pain: turmeric, Be No4 (ginger, turmeric, fenugreek), Dashamoolarishtam
- For energy and vitality: Chyavanprash
