## PONDERING

Here sensibleness is indispensable and the integral yoga is based on balance, calm and peace and not on an unhealthy need to suffer.

## THE PATH OF YOGA

### CONCENTRATION

#### page 21

The movement that stores up and concentrates is no less needed than the movement that spreads and diffuses.

*13 April 1935*

\*

Concentration on a precise goal is helpful to development.

\*

The more we concentrate on the goal, the more it blossoms forth and becomes precise.

### MEDITATION

When you sit in meditation you must be as candid and simple as a child, not interfering by your external mind, expecting nothing, insisting on nothing. Once this condition is there, all the rest depends upon the aspiration deep within you. And if you call upon Divinity, then too you will have the answer.

*26 January 1935*

#### page 22

The increase of time given to meditation is not very useful unless the urge for meditation comes spontaneously from inside and not from any arbitrary decision of the mind.

*17 October 1939*

\*

To keep constantly a concentrated and ingathered attitude is more important than having fixed hours of meditation.

### THE GURU

In an age like ours success alone counts and the material satisfaction it brings. However, an ever-increasing number of

dissatisfied people are seeking to know the reason of life. And, on the other hand, there are sages who know and strive to help suffering humanity and to spread the light of knowledge. When the two meet, he who knows and he who wants to know, there springs up a new hope in the world, and a little light penetrates the prevailing darkness.

\*

The Western mind always finds it difficult to submit totally to a Guru and without total and unquestioning surrender to the Guru his help to you is paralysed. That is why

**page 23**

generally I advise Westerners to find the guidance and the Presence within themselves; it is true that this process is very often open to uncertainty and self-deception, mistaking some voice of the ego in disguise for the Divine's guidance. In both cases, it is only an absolute sincerity and an unmixed humility that can be your safeguard.

*21 January 1955*

\*

If you have faith and confidence, it is not the human form of the guru that you worship, but the Supreme Lord who manifests through him.

Be not troubled and give yourself unreservedly to the Supreme Lord through whatever channel helps you.

## GENERAL

Well-known or unknown has absolutely no importance from the spiritual point of view.

One man who earnestly pursues the yoga is of more value than a thousand well-known men.

## FROM THE WORKING COMMITTEE

### ANNAPURNA LEASE DEED SIGNED

Dear community,

As most of you are aware, in July of 2025 an MoU was signed between IIT Madras and the Secretary on behalf of the Auroville Foundation.

On the 23<sup>rd</sup> of December, 2025, we came to know that a [Lease Deed](#) had been signed and was being submitted to the registration office in Vanur that day, giving full use of 100 acres (including all areas of active farming of grains and fruits, rain water reservoirs, dairy and grazing grounds, granary and food processing, workshops, residences and all infrastructure) out of 135 acres of the land to IIT Madras for 33 years on a rent-free basis.

We and many others have been doing all we can to counter this decision as it was not put before the Residents' Assembly or discussed with the residents and caretakers of the farm. The lease deed was created and signed in secrecy. We have been, and are still, reaching out to officials in order to give a full picture of the damage being done and the procedural, and possibly legal, defects in the process, and to bring about its reversal. Legal actions are also being explored.

[Annapurna Farm](#) is the biggest organic farm in Auroville, providing 30% of Auroville-produced food and processing 90% of Auroville's grains while pioneering and promoting organic farming. The disregard shown in this matter by the previous Governing Board and the Foundation Office risks another major loss for Auroville, another step backwards in its growth, development and progress towards self-sufficiency and sustainability.

We encourage all those with any contacts in IIT Madras, or officials with influence in the matter, to reach out to them, or to us if needed, in order to call attention to the many concerns and objections that have been raised about this deal that causes only destruction and brings no benefit to Auroville.

Sincerely,

*Aravinda, Bharathy, Chali, Matthieu, Prashant, Valli*

### NEW CANDIDATE FOR RAS

Dear Community Members,

Following our call for RAS membership in August, Ramya Vadivelu has come forward to join the RAS. She was interviewed on 30 December 2025 by the Auroville Council, the RAS, and the Working Committee of the Residents' Assembly, and was found to meet the required criteria. She will join as a half-time member on a three-month trial period.

Ramya grew up in Auroville, was a member of the core team for the Aspiration Programme for a number of years, and is familiar with Auroville's governance.

The Auroville Council invites any relevant feedback from the community regarding her appointment. Please send any feedback by 7 March 2026 to [avcouncil@auroville.services](mailto:avcouncil@auroville.services).

If no negative feedback is received, Ramya's appointment will be confirmed after the trial period. If any feedback is received, it will be reviewed by the Council and the Working Committee before a final decision is made.

The final decision will be announced to the community.

### OBITUARY

#### MAGDA DE RIDDER PASSES AWAY

This is to inform the community that Magda De Ridder passed away at home in Arati on the morning of January 12<sup>th</sup> 2026.

Her remains were buried on Wednesday 14<sup>th</sup> January 2026 at the Auroville Burial and Cremation Ground.

#### GONE TOO SOON - IRA

Dear Aurovilians, dear friends,

This is to inform the community that Ira, Irina Zhovtan, passed away early morning on the 6<sup>th</sup> of January 2026, following her battle with breast cancer. Ira passed away peacefully at home with family and friends at her side.

Ira was born on the 5<sup>th</sup> of December 1982, Sri Aurobindo's Maha Samadhi day. She came to Auroville in 1992 with her parents and brother. She studied in various Auroville schools and later herself worked with children in Pre-creche and at New Creation School.

Caring for children, being attentive, supportive and involved in the lives of those around her was her nature.

She worked in various places and was involved in community life — including Auroville Bakery, Nandini and its Tailoring Section.

Ira was a loving mother to her two children. Above all, we will remember her for her kind, attentive, and strong heart, and for the gentleness and humanity with which she related to people and to our community.

We are grateful to everyone who was close to Ira and who supported her and our family.

Ira will forever remain a part of Auroville and our hearts. We believe that her soul has continued its journey to the light.

(The cremation took place at the Auroville Burial and Cremation Ground on 11<sup>th</sup> January 2026, Sunday afternoon.)

With love,

## **SCOPE AND INTENT**

- Several Working Groups are currently operating below full strength, with only a few members carrying key responsibilities.
- This ERAD is initiated as an emergency, time-bound process to fill current Working Group vacancies, enabling committed and service-minded residents to contribute to Auroville's collective functioning in a peaceful and transparent manner.
- While a Participatory Selection Process exists (in the [PWG](#) document), this ERAD adopts a different, emergency, one-time method to address the current situation where Working Groups are not functioning at full strength. This is not a governance change, but a temporary measure to enable the timely selection of Working Group members.

~ Sincerely,

For the Residents' Assembly Service

## RESIDENTS SPEAK

### ON THE DESCENT OF A NEW MUSIC - INTRODUCTION

Music came early to me in the simple songs my father played on guitar and accordion and the ballads my mother listened to every day. Though often sweet and often sentimental, none of this music touched me.

An opening began when, as a child, I would listen to my mother's family sing praises to the Lord before each meal. A very strong Russian Orthodox tradition allowed only the human voice, no instruments. In their large family of four brothers and four sisters, every voice part was represented. Here was a music steeped in beauty and sadness that touched something within me. As children, we were encouraged to sing the music of Bortniansky, Tchaikovsky, Rachmaninov, Kedrov, Tchnesnokov, Glinka and many other great Russian composers.

My father, however, was a Roman Catholic, and so were his children. In fact, for more than a year I was an altar boy at the 5:00 a.m. Mass in the small town of Dumont, New Jersey. It wasn't until I was in my early teens that my father left the Catholic Church and joined my mother's faith. He left because my youngest brother was dying and the blood was drying in his veins. My father asked the local priest to pray for him, and the priest snapped his fingers asking for money. My father never returned.

We attended a small Russian Orthodox Church in Spring Valley, New York, and though I was not happy about it, we were “converted” into the faith. As I grew, others realized I had a powerful bass to basso profundo voice and was invited to join the choir. This afforded me the opportunity to learn sight-reading and opened me to the beauty and union of voices in an acapella choral setting.

## NOMINATIONS REQUESTED FOR AUROVILLE GOVERNING COMMITTEES

First, please vote. Every vote counts to getting over the 2k barrier.

After the vote has ended, the selection process will begin immediately. For that process to be effective, there has to be a list of names. Please email your nominations to: [selection2026@auroville.services](mailto:selection2026@auroville.services)

You can self-nominate and also multi-nominate. Please ensure that the nominee is willing to serve a 2-year term. You can add one of the committee names: Working Committee, AV Council, Land Board, FAMC.

But the to-be-formed Selection Committee has yet to determine the process and it is likely that nominees may be selected to serve another committee (with their permission).

If the list of nominees is sufficient, it will speed up the selection process enormously, so please nominate. First-timers welcome.

Thank you.

## A SELECTED FEW

This post that just popped up on 2026.1.4 feels to me an appropriate follow-up to my sharing of 2026.1.1 titled “*Truth or the Abyss*”.

Humans...

As we awaken today to the global news of the continuing hostilities of some humans and nations against each other, of how fiery the start of this new year 2026 is, with the awareness of the intense forewarnings, and hopes, associated with the coming "double-fire" Year of the Fire Horse, we are again starkly reminded of why Sri Aurobindo and the Mother insisted on "*Man is a transitional being... not final.*", and created Auroville this City of Dawn with the Prime Directive:

*"The whole earth must prepare itself for the advent of the new species, and Auroville wants to work consciously to hasten this advent."*

Sri Aurobindo and the Mother were so vivid of what was to come, which is what we are experiencing, and unequivocally prompted us to make the definitive choice ...

## THE DIVINE WILL AND ADVENT OF A NEW SPECIES

We continue from the Mother's Agenda of 27 November 1965.

The dates of the revelatory actions are the key give-aways. The chronology of events that give sense to the ever-unfolding Eternal Now of past-present-future.

As we are in an eternally unfolding evolutionary world of infinite possibilities propelled by a Divine Will, with causes and effects hastened and intensified by the many layered and progressive Supramental Consciousness-Forces that have been gradually infused on Earth by the Dual Supramental Avatar Sri Aurobindo and the Mother, just less than three years later, 28 February 1968, the Mother creates Auroville the City of Dawn as conscious collective preparation for the advent the new apex species the Supramental being.

On 1 January 1969 another supramental variant...

## HEALING PRACTICES FOR TRAUMA FROM THE PERSPECTIVE OF INTEGRAL YOGA

### WHAT IS TRAUMA?

In the light of Integral Yoga, trauma can be seen as a deep imprint left on our being by experiences that overwhelm our ability to assimilate, integrate, or respond harmoniously. More generally, trauma refers to the physical, psychological, and emotional response to deeply distressing or disturbing events that exceed a person's capacity to cope. It is the lasting impact of experiences that threaten one's safety, identity, or wellbeing, or that fall outside the range of typical human experience.

### Causes of Trauma

Life events causing trauma may be personal or collective: sudden shocks, long-term stress, abuse of power or authority, violence of

any type (physical, emotional, or psychological), extreme pressure, painful relationships (personal or professional), political abuse, threats, displacement, loss of loved ones, loss of home or work, forced changes, witnessing violence, accidents, illness of oneself or others, diagnosis of a serious disease, and many other situations.

### Healing Practices for Trauma from the Perspective of Integral Yoga

There are a few ways, inspired by Integral Yoga, to approach trauma with gentleness and the Mother's presence. These are not quick fixes, but steady movements of consciousness that invite healing and transformation over time.

#### #12 Cranio-Sacral Therapy for Trauma healing (53 words)

After trauma, cranio-sacral therapy from a professional can bring deep relief by realigning the nervous system and improving sleep. Trauma often sends a "shock wave" through the spine, disturbing the body's natural rhythm. This therapy helps restore balance.

*There will be a healing practice shared each week in the News & Notes. This series is a weekly offering by an Aurovilian therapist, to help people to engage with their personal healing.*

### What is your most hopeful vision for Auroville?

Really — take a moment. Connect with your devotion to the dream of human unity and a *city the Earth needs*, and imagine Auroville genuinely realizing its potential by its 100th birthday in 2068. That's 42 years from now — a lot can happen, especially these days!

Do you have a clear sense of what your ideal Auroville might look and feel like — or even how we might get from here to there? If so, **others really need to hear your story**. And if, instead, you find it hard to imagine a hopeful future at all, you're not alone. Many are struggling right now — and longing to rekindle the inspiration that first brought them here.

Either way, you're warmly invited to join this **six-week storytelling project**, where we'll support each other to craft positive, realistic

“future memories” from Auroville’s 100th birthday — and share them with the community on March 8<sup>th</sup> .

Dreaming into a viable future is hard. I know this personally. I’ve been writing a visionary science-fiction novel — much of it rooted in Auroville — and at times it truly feels like groping in the dark.

That’s why we will use a range of tools: guided visualizations, creative and artistic exercises, story circles, and group dialogue — even playful prompts involving “time-travelers” from my book — to help us peer into that black box called *the future*. My friend Alessandra, an award-winning filmmaker and animator, will also support us in creating imagery of ourselves and our community living into these possibilities. It’s going to be creative, meaningful — and fun.

And to be clear: **this is not about sides or political debate**. Aurovilians, Newcomers, and non-Aurovilians of all perspectives and statuses are welcome. The intention is to dream together, to transform despair into hope, and to take real steps toward a vibrant city living in harmony with one another and the planet.

Please follow the link or scan the QR code to learn more and register. You’re also welcome to contact me, Daniel Greenberg, at [daniel@ic.org](mailto:daniel@ic.org) or +91 92172 52447 with any questions.

*We really look forward to hearing your stories.*

## VOICE SOUND JOURNEY

SATURDAY 17<sup>TH</sup> JAN, HALL OF LIGHT, CREATIVITY

A poster for a 'Voice sound journey' event. The background is a deep blue with a subtle geometric pattern. The title 'Voice sound journey' is in large, white, sans-serif font at the top. Below it, 'Hall of Light' and 'Creativity community' are in smaller white text. The date 'Saturday, 17 January 2026' is prominently displayed. The time 'from 3 pm to 6 pm' and the theme 'Learn how to heal your voice' are also included. A block of text describes the healing power of the voice. At the bottom, contact information for Lola is provided, along with a note about limited spots and the event being an Auroville activity under Hospitality trust. Two small inset photos show a person meditating and a person smiling.

from 3 pm to 6 pm  
**Learn how to heal your voice**

The healing power of the voice lies in its ability to gently shift the inner world. When sound flows through the body, it can create a sense of calm, ease tension, and reconnect the mind with the heart. The vibrations of humming, toning, or simple vocal expression help the body settle, clear emotional heaviness, and restore a feeling of wholeness.

Using the voice in this way invites a deeper presence, allowing the body to breathe more freely and the heart to open with renewed clarity.

## SOLITUDE FARM CAFÉ – 20 YEARS OF LIVING FOOD CULTURE

FREE GUIDED FARM TOURS EVERY SATURDAY

For over 20 years, Solitude Farm Café has been a living example of local and traditional food systems in Auroville. Rooted in cultural and nutritional heritage, the café prepares food using a wide diversity of edible weeds, tubers, flowers, leaves, roots, stems, seeds and seasonal vegetables, all grown through natural, non-interventional farming practices.

The food is deeply nutritious and full of distinctive flavour, while also addressing the ecological cost of industrial agriculture—monocropping, long food miles and heavy carbon footprints—by growing and cooking what truly belongs to this land.

Solitude serves breakfast and lunch daily, offers a daily local food thali lunch as an alternative lunch venue, and offers a Lunch Scheme for Aurovillians not on city service maintenance. A small farm shop on site sells Ayurvedic powders, jams, pickles and fresh farm produce.

**Free guided farm tours take place every Saturday at 11:30 am**, sharing the narrative of natural farming and the reclaiming of cultural nutritional heritage.

We look forward to receiving more Aurovillians at the farm.

## SUPPORT NEEDED

### BE PART OF THE STORY : SUPPORT THE MULTIMEDIA CENTRE AUDITORIUM - CINEMA PARADISO

#### Be Part of The Story: Support Multimedia Center Auditorium – Cinema Paradiso (MMC-CP)

Community cinemas worldwide thrive on support from their audiences. At Cinema Paradiso, our core funding now covers only basic maintenance. We handle everything else ourselves, from fuel to upgrades. Since COVID, operational budgets dried up, costs rose, and fewer events mean less income. Generator expenses once covered outside the budget now fall on us.

To cover ongoing expenses, we set a goal of 8 Auroville units. We now have **FOUR** units contributing ₹3,000/month each, and we are grateful for their support. We now invite **FOUR more units** to join them. Individuals and film lovers are also welcome to contribute as well. **Every bit of support helps.**

**Indian nationals and unit holders in Auroville (from any nation)** can donate by setting up recurring or one-time contributions via the Unity Fund at our Financial Service. This ensures your support goes straight to **MMC – Cinema Paradiso (FS Account #105106)**. **Direct payments to our FS Account** are not considered donations and will incur 18% GST for us. However, if that works better for you, please go ahead. **Non-Indian nationals (from within Auroville or elsewhere)** are welcome to contribute by contacting AV Unity Fund at Financial Service for guidance.

Your contribution helps keep screenings alive and strengthens community spirit. Be part of the story.

Thanking you  
MMC-CP Team

## WORKSHOPS

### CO-CREATING THE DREAM WORKSHOP SERIES

SATURDAY 17<sup>TH</sup>  
JANUARY, VÉRITÉ

A few Aurovilians have taken online ProSocial courses based on Nobel Laureate Elinor Ostrom's research, in which she identified eight core principles based on communities around the world that help them work successfully. These include clarifying shared purpose and values, fair decision-making, transparency, and constructive conflict resolution. The ProSocial training also included listening, communication and other internal skills. Seeing the relevance of these discoveries for Auroville, we are offering a series of flowing, engaging, and explorative workshops to bring awareness to these principles and practice useful skills for

enhancing interpersonal relationships, working in units, and collective life.

Each workshop is a stand-alone experience.

The series continues on **Saturday 17<sup>th</sup> January from 9:15 - 12:15** in Verite with our seventh workshop:

**Seeing Clearly, Sharing Wisely** - Equity and Transparency as a Collective Yoga

Moving beyond comparison toward care, participants are invited to make needs visible and explore how balance in giving and receiving, together with clear, shared

noticing of what is happening in a group support trust and cooperation. Through play-acted scenarios, dialogue, and reflection, we explore how ProSocial principles can offer new pathways in Auroville's unique landscape. The workshop seeks to increase awareness, get different perspectives and explore new solutions for more collaborative ways of living and working together.

**Register at [Verité](#) through Whatsapp: +91 93636 24083.**  
**Please bring paper/notebook and pen.**

## **FAMILY CONSTELLATION WITH SHANTI**

SAT 17<sup>TH</sup> JANUARY, NOW AT THE TIBETAN PAVILION

Dear community,

Family Constellations will be offered in the Tibetan Pavilion. The sessions are facilitated by Shanti and organized by YouthLink.

To **register**, please contact

- Monica Matsumoto on WhatsApp: +91 93634 55711
- Shanti on email: [anandshanti@proton.me](mailto:anandshanti@proton.me) and landline: (0413) 2623314

The workshop will be offered from 10 am - 12:30 pm. Please arrive by 9:30 or 9:45 latest, so that you have time to find your way, settle, and start together. It is quite challenging to find the location due to the road construction. (On the way down the hill to the Visitors Center there is a newly built concrete road. Turn right on it and go perhaps 100 meters. After one building on the right, turn right into the opening and you have arrived at the Tibetan Pavilion. The workshop room is across the courtyard, upstairs. You can find Tibetan Pavilion on Google Maps.)

### **What is Family Constellation?**

Family constellation is a process that helps people resolve family traumas and heal ancestral wounds. It uses the facts of the family history. Since it is systemic work, it asks us to include those we don't usually consider as belonging to the family: for example, an

ex-partner of a parent. Participants in the workshop will stand as "representatives" in the constellation.

It is not essential that you have experienced Family Constellations before - just that you have the inner feeling to bring your full presence and that you understand that by coming, you will be part of the field in which the work happens. Shanti will give an overview of what is important in this work and teach us how to be a representative at the beginning of the session.

Only one constellation will be set up per session. The person will be selected in a process during the workshop itself.

#### About the facilitator:

Shanti found this work in 1999 and took many trainings with Bert Hellinger, the originator of this work, and with several of his long-time students over the years, both in India and in Germany.

Shanti is offering this work as her gift to the community. Donations to YouthLink are welcome.

## PRIMORDIAL BREATHWORK WORKSHOP

TUESDAY 20<sup>TH</sup> JANUARY, TIBETAN PAVILION

Primordial Breathwork harnesses the wisdom and power of ancient living lineages, harmonising raw shamanic expression with the refined Buddhist view. With breath, movement, stillness, sound and awareness, we aim to release limitations, daring an attempt to glimpse into pristine unconditioned awareness and our true nature. Touching this simple essence at the core of every teaching, we can learn to stoke inspiration, wonder and awe, rediscovering the magic in the mundane ★

Developed by the Paititi institute (Peru), from two unique forms of breathwork passed down by the Amazonian Yanomani tribe and the Tibetan Nyingma/Dzogchen school. The Tibetan form was created to bring stable awareness and 'control' into the unconscious through the conscious, in order to surrender and transcend, to have greater insights and realisations. The

Amazonian form is elemental in nature, releasing stagnation by honouring our emotional-primal self through a dynamic rhythmic series. Cacao will also be served enhancing our hearts and lungs  
❤️ Further complimented by adaptations from Vipashyana/meditation, Tratak, Brahmri, Nada and Qi/Shen Gong  
☆☆

**Dates:** ~~13th~~ & 20th January

**Venue:** Tibetan Pavilion

On donation basis. Welcome to all who resonate.

Enquire, register and please check for contraindications with the facilitator. +91 98731 22730

## THE MONEY PILGRIMAGE

SATURDAY 24<sup>TH</sup> - SUNDAY 25<sup>TH</sup> JANUARY

We at *Aram* warmly invite you to **The Money Pilgrimage**, a 2-day immersive workshop designed to help participants explore their personal relationship with money—including unconscious habits, beliefs, patterns, and possible money-related traumas. This pilgrimage is an invitation to slow down, turn inward, and meet money not as a problem to solve, but as a mirror that can reveal deeper truths about how we live, relate, and choose.

The workshop is not about getting rich, financial literacy, investments, or “fixing” one’s money situation, but developing a more conscious engagement with it. It is offered in the spirit of *Gift Economy*. There is no fixed fee for participation. At the end of the exploration, participants are invited to offer from their hearts what they feel called to in support of the work at Aram.

**Dates:** 24<sup>th</sup> - 25<sup>th</sup> January

The group size is limited to 12 members only. So, kindly register soon if this interests you.

More details can be found [here](#).

All are welcome!

CENTRE D'ART, Auroville  
[centredart@auroville.org.in](mailto:centredart@auroville.org.in)

As in the fairy tales of your childhood, you walk forward, torn between apprehension and wonder, in the dim light of a forest that filters out the light of the outside world.

Around you hang long strips of cut-up vines made from scraps left over from the manufacture of COVID masks. As you turn a corner, you discover sculptural objects, silky paintings, metal flowers, hybrid creatures, and strange totems embedded in the fabric vegetation. You become aware of your bated breath, your emotions, the feeling of disorientation, the person ahead of you and the one behind you on the narrow path that Ok Jeong Lee leads you down.

Then the path ends, and you emerge into a bright, vast space. Hundreds of compact discs form sparkling rivers on the ground, an open and refreshing sea.

The artist has scattered the space with inviting benches and seats, all of which are playful and colorful works of art: transparent suitcases for time travelers, woven chairs, and cloud-like foam cushions. You arrive at home, or rather at her home, in her familiar yet dreamlike universe, where recycled materials speak to crucial themes such as memory, the organization of life and the environment, and the hope for a more spiritual future.

Ok Jeong Lee's installation is a metaphor for the succession of unprecedented crises facing the world, a state of permanent disruption with no apparent end in sight. It explores the capacity of humans, as transitional beings, to evolve and face a process of transformation towards new realities, emphasizing the experience of living a situation from within rather than observing it from the outside.

In this respect, it echoes the Relational Aesthetics theorized by French art historian Nicolas Bourriaud, according to whom works of art, beyond their form or style, contribute to creating new inter-human relationships and a new sensibility.

The space she imagines for us is an invitation to sit down, reflect individually on this journey, and contemplate, in the company of other visitors, a pacified future at the end of the road.

## **NEW EXHIBITION : THE GOLDEN FUTURE**

DEC 2025 - JAN 2026, AURELEC

We are living in turbulent times, as we all know. However, the good news is that we are moving towards a new fifth-dimensional Golden Age that will be a time of peace and happiness when the world will have changed beyond recognition for the better.

### What is a golden age?

A Golden Age is when every person, animal, tree, plant and the land itself radiates a golden aura. Gold is the colour of love and wisdom, so a Golden Age is a time of peace, harmony and abundance, when everyone co-operates for the highest good.

In the coming Golden Age, the air and water will be pure and there will be nutritious food for everyone. New spiritual technology will support us, providing limitless ecological and free power.

In fifth-dimensional consciousness, everything we need will come to us automatically and effortlessly. We will all be attuned to the angelic and spiritual worlds.

## CINEMA

### NEW MOON MOVIE

SAT 17<sup>TH</sup> JAN, MULTIMEDIA ROOM, CENTRE D'ART, CITADINES

Every New Moon day, Art movie screening at Centre d'Art, Citadines.

This month it will happen on **Saturday 17<sup>th</sup> January at 5 pm**, in the Multimedia room.

**AI WEIWEI - NEVER SORRY**  
by Alison Klayman, 2012 - 91 min - original version with English subtitles.

First-time director Alison Klayman gained unprecedented access to the charismatic artist, as

well as his family and others close to him, while working as a journalist in Beijing. In the years she filmed, government authorities shut down Ai's blog, beat him up, bulldozed his newly built studio, and held him in secret detention; while Time Magazine named him a runner-up for 2011's Person of the Year. This compelling documentary is the inside story of a passionate dissident for the digital age who inspires global audiences and blurs the boundaries of art and politics.

Everybody is welcome.

## AYURVEDIC RECOMMENDATIONS FOR WINTER

We are now at the peak of *Visarga Kala*, when the moon has more influence in the Northern Hemisphere and provides calming, soothing energy. The cold outside urges us to turn inwards, and this prevents the *doshas* from being over-stimulated by external factors and situations. In this "cocooning" atmosphere, *Kapha* and *Agni* contribute to protect us from the cold. Through a digestive fire (*Agni*) that becomes stronger and asks for more nourishing food and bigger portions, we are strengthening and reinforcing our immunity, nourishing well the body tissues for the year to come. The three constitutions (*prakruti*) experience their *Kapha* increasing with the adipose tissue to protect from the cold: less for *Vata* people, moderate for *Pitta* people and more for *Kapha* people.

In the energy, there's a feeling of coming back to the warmth of our inner place. If this energy is imbalanced, it may give a sense of emptiness in the heart, dullness in the mind or feeling depressed or lonely (these are *Vata* or *Kapha* imbalances).

During winter, we are going to assist the body to regenerate by keeping a strong digestive fire (*Agni*) – in the abdomen for an optimum nutrient assimilation, in the mind for clarity and in the heart for joy and kindness.

### GENERAL GUIDELINES IN THE FOOD:

"The dishes that can be consumed during this season are meat soup topped with ghee, meat of healthy animals, beverages prepared with molasses and rice flour, pastries prepared using

wheat, rice flour, black gram, sugarcane juice and milk products which are delicious and nourishing, fresh rice, gingelly oil and bone marrow” from the book Ashtanga Hrdaya, Sutrasthana, Chapter 3 Rtucharya, Sloka 11-14

- Sweet, sour and salty tastes are best for this season
- Eat warm, cooked food spiced up with: ginger, pepper, turmeric, cumin, clove, asafoetida, mustard seed, ajwain, cinnamon, fennel seed, fenugreek seed, onion, garlic
- Proteins: Mungdal, black gram (Maasha) beans, chickpeas, lentils, white meat, egg, mutton (meat soup), nuts and seeds, spirulina, hemp seeds
- Vegetables: green leaves, carrot, beet, eggplant, cauliflower, broccoli, bitter-snake-bottlegourd, moringa (drumstick), chow-chow
- Sweet = Cereals: millets, wheat, barley, rice, oats
- Sweet = fruits: apple, banana, chiku, papaya, passion fruit, pomegranate, grape, guava, pear, rosella, all citrus preferably sweet
- Ghee or sesame oil, olive, sunflower, apple cider vinegar
- Beverages: herbal masala teas, hot water, with honey or jaggery, sugarcane juice, golden milk with turmeric

#### TO AVOID:

- Cheese, yogurt, curd, lassi at dinner (they should be eaten at breakfast or lunch)
- Cold beverages, ice-cream
- Raw vegetables and food that is heavy and difficult to digest (deep fried, etc.)

#### HEALTHY ROUTINE FOR WINTER:

- Main principle: stabilize, centre, nurture and recharge
- Sleep longer
- Keep a regular rhythm (with meals and bedtime)
- Massage with sesame oil + apply heat to let the oil penetrate
- Hot shower or bath, Foot bath with warm salty water

#### TO AVOID:

- Humid and cold air, wind, fan
- Long hours at the computer
- Stay awake late at night

#### SOME AYURVEDIC PLANTS OR PREPARATIONS FOR WINTER:

- For a better digestion: ginger, cinnamon, pippali (long pepper), Be No1 (ginger, turmeric, black pepper) or Trikatu (for *Kapha*), Hingwashtak churna (for *Vata*), Avipatikar churna (for *Pitta*), taken after a meal with a little bit of honey
